The World Book Encyclopedia Giana Darling Publishing

The struggle for power continues in the sequel to *The King of Bones and Ashes* from Wall Street Journal bestselling author J.D. Horn. With their magic diminishing, warring factions of New Orleans witches desperately search for the Book of the Unwinding--a legendary grimoire, hidden by spells, that holds the key to unimaginable powers. As a ruthless struggle erupts in a maelstrom of malevolent magic, psychic Nathalie Boudreau finds her destiny intertwined with that of an exiled witch. Her name is Alice Marin, a vulnerable young woman trapped in a realm of illusion. Only Nathalie can free her, but first she must come to understand and master her own extraordinary abilities. Now, in a world where betrayals have become the order of the day, it will fall to two women to restore rightful balance amid terrifying chaos.

This Shattered World Profile Books

Does everyone deserve a happy ending? Giselle Moore has been through a lot in her short life but things are looking up; her premier art showing in New York City is on the horizon, she has been reunited with her family and, most of all, she is deeply in love with the mysterious Frenchman she met on vacation in Mexico. There is only one thing that could derail her happiness and that is her guilt over her forbidden relationship with Sinclair. After finally confessing their love for each other, the two decide to travel to Paris, France where they may begin to discover what it really means to be together. When a terrible family accident beckons them back home, the return of a sinister man from the past, crumbling business deals and a family that has turned against them tests their fledgling romance and the very idea that they could possibly live happily ever after.

A Discovery of Witches Amazon Children's Publishing

The stories of Finn MacCoull and his warriors were once told at every fireside in Scotland and Ireland. After centuries in obscurity, this collection brings the tales soaring to life again. Here you will find Diarmuid, whom no woman can help but fall in love with, and Ossian, a warrior-poet raised in the woods by a wild deer. There is Grainne, ancient ancestor of Iseult and Guinevere, and Finn himself, whose name was once a byword for wisdom, generosity and beauty. Enter a world of feasting and fighting, battles and poetry, riddles and omens; join Finn and the Fianna on their never-ending quest to drink deeper and deeper of the cup of life.

The Europa World Year Book 2000 47North

Incisive, engaging and thought-provoking, *Destiny of the Soldiers* charts Fianna Fáil's political and ideological evolution from its revolutionary origins through extended periods in office. Fianna Fáil is Ireland's largest political party and one of the most successful parties in any democracy in the world. Until recent years, it has been almost constantly in government since 1932.. This fascinating volume argues that Fianna Fáil's goals, foremost among them the reunification of the national territory as a republic, became the means to bind its members together, to gain votes, and to legitimise its role in Irish society. But the official ideological goals concealed what became merely a basic desire to rule. The balance sheet, consequently, became one of votes won or lost rather than goals achieved or postponed. *Destiny of the Soldiers* assesses Fianna Fáil's changing attitudes towards its parent party, Sinn Féin, and the IRA, and how these changes affected Fianna Fáil's policies towards Northern Ireland. Never forgetting its republican roots, Fianna Fáil has at times been both troubled and conflicted by them. This was especially the case in the late 1960s and early 1970s when the Northern Ireland Troubles posed a challenge for all rhetorical republicans. At that time, Fianna Fáil found itself the governing party of a state whose legitimacy it had originally rejected: the consequent tensions nearly tore it apart. *Destiny of the Soldiers* is the first survey of the party's history which focuses on these unresolved tensions. *Destiny of the Soldiers: Table of Contents* Legion of the Rearguard: The revolutionary origins of Fianna Fáil, 1920 – 23 Removing the straitjacket of the Republic, 1923 – 6 Fianna Fáil—the Republican Party Fianna Fáil and the Irish Free State, 1927 – 31 Election Time, 1931 – 2 Fianna Fáil in power, 1932 – 8 Revolutionary crocodile, 1939 – 40 The showdown, 1940 – 46 A new republican rival, 1946 – 8 Drift, 1948 – 59 Approach to crisis, 1960 – 69 'The moment of truth', 1969 – 71 Doomsday, 1971 – 3 Conclusions: The destiny of the Soldiers

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Ireland's New Traditionalists Merrion Press

"The roots of many problems facing Ireland's economy today can be traced to the first two decades following its independence. Opening previously unexplored areas of Irish history, this is the first comprehensive study of industrial development and attitudes toward industrialization during a pivotal period, from the founding of the Irish Free State to the Anglo-Irish Trade Treaty." "As one of the first postcolonial states of the 20th century, Ireland experienced strong tensions between the independence movement and the considerable institutional and economic inertia from the past. Daly explores these tensions and how Irish nationalism, Catholicism, and British political traditions influenced economic development. She thus sheds light on the evolution of economic and social attitudes in the newly

independent state." "Drawing on a wide array of primary sources not yet generally accessible, Daly examines such topics as Irish economic thinking before independence; the conservative policies of W. T. Cosgrave's government in the first five years after independence; the growing division between the two major political parties over economic policy; Fianna Fail's controversial attempts to develop an independent - and nationalistic - economic policy; the largely unsuccessful attempt to develop native industries; the development of financial institutions; the political and social implications of economic change; the Anglo-Irish Trade Agreement of 1938; and comparisons with other economically emerging nations."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Literary Year-book Shift

In Albert Reynolds: Risktaker for Peace, Conor Lenihan takes the reader on a journey through the former Taoiseach's fascinating life. From his early days in Roscommon, Reynolds' determination and hard work saw him rise from a humble clerical job with Irish Rail to become one of Ireland's best-known showbiz promoters. But it is as creator of the template for peace on the island of Ireland that he, deservedly, will be best remembered. Reynolds' extraordinary progress from the cut-throat world of business to local politics, and, ultimately, government ministries, was driven by the entrepreneurial spirit and impatience that became the hallmark of his success and his failure. Appointed as Taoiseach in 1992, by 1994 he had been drummed out of office, yet in that brief period he confounded his critics by fast-tracking an end to the violence of the Troubles, with the IRA and Loyalist ceasefires. In the first complete biography of Reynolds, former Minister of State Conor Lenihan delivers an insider's account that reveals the courageous personal risks Reynolds took to create the template for peace in Ireland, and the highs and lows of a tempestuous, risk taking life.

Foreign to You Sunny Palms Press

First published in 2008. Routledge is an imprint of Taylor & Francis, an informa company.

The Book of the Unwinding Amazon Children's Publishing

This book examines the politics of taxation in Ireland between the seventeenth and twenty-first centuries. Combining political, economic, and policy history, it contributes to a growing interdisciplinary literature on public finance, while also providing context for the ongoing debate on taxation and austerity in post-Celtic Tiger Ireland. Taxation, Politics, and Protest in Ireland illuminates a neglected aspect of Irish history, and will be of interest to scholars, policymakers, and members of the public who wish to understand a subject that is central to the modern Irish experience.

The Book Monthly Syracuse University Press

With her best friend, Kovit's, life in danger, Nita is determined to take down the black market once and for all.

The Well of Tears Springer

The harmony between humans and fianna, a species of shapeshifting deer, begins to wither as racial tensions and deeply rooted resentment turns

violent. Ruthless hunter Finn Hail and prophesied liberator Adelaide may be heroes to their own species, but they are enemies to each other. With war on the horizon, the reluctant pair must team up to find the most elusive of prey: the god of the Forest. As enemies press in from all sides, true intentions begin to show. For Finn to save the boy he cares for most, he might need to aim his gun at the very god he seeks. And Adelaide, with her festering hatred for mankind, will have to determine if peace holds true salvation for her people.

Party Politics in a New Democracy Witches of New Orleans

Aged Mother Jilo is wise in the ways of magic...but once upon a time, she was just a girl. 1950s Georgia: King Cotton has fallen. Savannah is known as the "beautiful woman with a dirty face," its stately elegance faded by neglect, its soul withering from racial injustice and political corruption. Young Jilo--fiercely independent, intelligent, and ambitious, but thwarted by Savannah's maddeningly genteel version of bigotry--finds herself forced to embrace a dark power that has pursued her family for generations, an ancient magic that may prove her salvation...or her undoing. Explore the fascinating history of one of the Witching Savannah series' most vivid and beloved characters, as the resourceful and determined Jilo comes of age, strives to master formidable magical skills in the face of overwhelming adversity, and forges her strange destiny against the turbulent backdrop of the civil rights struggle in the American South.

Gill & Macmillan Ltd

It may be impossible to alter the past, but Irish revolutionary Nora O'Reilly is determined to try. Armed with a relic given to her by the goddess Brigid and joined by immortal Irish warrior Fionn mac Cumhaill, Nora is hurled back through time to the sixteenth century. There Nora and Fionn seek the infamous pirate queen Granuaile--Grace O'Malley--the one woman who may be fierce enough to stop Queen Elizabeth I's tyranny over the Irish people. But finding Granuaile is no easy feat, and securing her help is tougher still. Nora and Fionn face enemies at every turn, risking capture, separation, and even death in their quest to save Ireland and finally put an end to the centuries-long curse that torments Fionn. But as Nora's connection to Fionn grows stronger, her loyalties are tested: she may not be able to save both her country and the man she's grown to love. In Jodi McIsaac's thrilling and heartbreaking sequel to Bury the Living, Nora will once again battle time, history, and her own intense desires in an attempt to rewrite the past--and to change the fate of all she holds dear.

The Transformation Of Ireland 1900-2000 Penguin

A widowed artist. An old crush. One summer to get her life back. **From a USA Today bestselling author** Ivy Marin's life implodes after discovering

that her late husband had spent their life savings on a beach house. Strapped for cash as an art teacher and with nowhere to go, Ivy and her recently jilted sister head to Summer Beach to recreate their lives. If only renovating a historical home didn't unveil a host of hidden secrets in the beachside community—and the mayor wasn't her former high school crush. Bennett Dylan led a campaign against Ivy's late husband to block the rezoning of the beach house land for a high-rise resort. Although it's been ten years since his wife's death, Bennett is avoiding the pain of loving—and possibly losing—another woman. And then the FBI shows up... Ivy's demands for a zoning variance for a bed-and-breakfast couldn't come at a worse time for him. Despite distractions, Ivy has one summer to sway the town to salvage her livelihood and the new life in Summer Beach she's come to love. With spellbinding intrigue and poignant self-discovery, the Seabreeze Inn is a sweet summer beach read. If you like sun-soaked beach sagas you can lose yourself in, the Seabreeze Inn and Summer Beach's fascinating characters are for you. Start your vacation in Summer Beach now with Seabreeze Inn series. After that, the Summer Beach fun continues with the new Coral Cottage.

When Villains Rise Little, Brown Books for Young Readers

After grueling physical and psychological testing at the elite Peel Academy, Amanda Obermann is chosen to join a secret government organization to travel through time and change the course of history.

Dragons of Earth Skyscape

After three years of working as stagehands for a theater company, Amantius and Ulam, accompanied by an Elven actress named Nilawen, travel westward to a desolate land known as the Ashlands of the Alakuum. After surviving the oppressive heat and treacherous ash storms, they arrive in the city of Yawan, where two desert-dwelling races forgotten by the outside world have lived in isolation for centuries. After a routine errand ends in an ambush, the party finds themselves in the lair of a legendary beast who enlists their help in breaking a centuries old curse afflicting one of her own. Can Amantius and Ulam succeed where countless others have failed, or will they be lost to the Ashlands of the Alakuum forever?

Finn and The Fianna The Web

Her world shattered by the untimely deaths of her parents, Jewel learns that she is the last surviving member of a family line containing a mystical power sought by the evil King Uabhar, a situation for which she takes refuge with a traveling band of kind magicians, one of whom sets out to win her love. Reprint.

Summon the Queen Springer

A ground-breaking history of the twentieth century in Ireland, written on the most ambitious scale by a brilliant young historian. It is significant that it begins in 1900 and ends in 2000 - most accounts have begun in 1912 or 1922 and largely

ignored the end of the century. Politics and political parties are examined in detail but high politics does not dominate the book, which rather sets out to answer the question: 'What was it like to grow up and live in 20th-century Ireland'? It deals with the North in a comprehensive way, focusing on the social and cultural aspects, not just the obvious political and religious divisions.

Industrial Development and Irish National Identity, 1922-1939 Createspace Independent Publishing Platform

This book offers a timely, and fresh historical perspective on the politics of independent Ireland. Interwar Ireland's politics have been caricatured as an anomaly, with the distinction between Fianna Fáil and Fine Gael bewildering political commentators and scholars alike. It is common for Ireland's politics to be presented as an anomaly that compare unfavourably to the neat left/right cleavages evident in Britain and much of Europe. By offering an historical re-appraisal of the Irish Free State's politics, anchored in the wider context of inter-war Europe, Mel Farrell argues that the Irish party system is not unique in having two dominant parties capable of adapting to changing circumstances, and suggests that this has been a key strength of Irish democracy. Moreover, the book challenges the tired cliché of 'Civil War Politics' by demonstrating that events subsequent to Civil War led the Fine Gael/Fianna Fáil cleavage dominant in the twentieth-century.

Earth & Sky MIRA

The second in New York Times bestselling author duo Amie Kaufman and Meagan Spooner's sweeping science fiction Starbound Trilogy is an unforgettable story of love and forgiveness in a world torn apart by war, a "sci-fi Romeo and Juliet" (Booklist). Jubilee Chase and Flynn Cormac should never have met. Lee is captain of the forces sent to Avon to crush the terraformed planet's rebellious colonists, and she has her own reasons for hating the insurgents. Whereas Flynn is leading the rebellion against the powerful corporate conglomerate that make their fortune by terraforming uninhabitable planets across the universe and recruiting colonists to make the planets livable, and rule with an iron fist and unrealized promises. Desperate for any advantage against the military occupying his home, Flynn does the only thing that makes sense when he and Lee cross paths: he returns to base with her as prisoner. But as his fellow rebels prepare to execute this tough-talking girl with nerves of steel, Flynn makes another choice that will change him forever. He and Lee escape base together, caught between two sides in a senseless war.
