From *I Love Lucy* to *Will & Grace*, this book looks at the television comedies that have tackled social issues, facilitated discussion, or in some other way have broken down barriers. Other landmark shows discussed here include *All in the Family*, *Ellen*, *The Golden Girls*, *Good Times*, *The Jeffersons*, *Maude*, *Modern Family*, *Roseanne*, and *Soap*.

Women Out of Their Sphere Simon and Schuster

An RT Reviewers' Choice nominee for Best Regency Historical Romance *The Stakes are High, the Game is Set...* Lady Emma Tarrant possesses little but the gambling skills her dead husband taught her, but she's no match for a real gamester... Colin Wareham, Baron St. Mawr, gambles to distract himself from devastating memories. The gaming has long since lost its appeal, until he meets sparkling Lady Emma and finds that Praise for The Marriage Wager: "Exceptional characters and beautifully crafted...a delightful read for Judith McNaught and Mary Balogh fans."-Publishers Weekly "A riveting, emotional romance that will garner a place of prominence on anyone's keeper shelf."-Rendezvous

Rowman & Littlefield

Hawthorn wasn't trying to insert herself into a missing person's investigation. Or maybe she was. But that's only because Lizzie Lovett's disappearance is the one fascinating mystery their sleepy town has ever had. Bad things don't happen to popular girls like Lizzie Lovett, and Hawthorn is convinced she'll turn up

at any moment-which means the time for speculation is now. So Hawthorn comes up with her own theory for Lizzie's disappearance. A theory way too absurd to take seriously...at first. The more Hawthorn talks, the more she believes. And what better way to collect evidence than to immerse herself in Lizzie's life? Like getting a job at the diner where Lizzie worked and hanging out with Lizzie's boyfriend. After all, it's not as if he killed her-or did he? Told with a unique voice that is both hilarious and heart-wrenching, Hawthorn's quest for proof may uncover the greatest truth is within herself.

Figure On The Carpet: Detective Fiction And Literature Black Dog & Leventhal

Sugar Rush by Rachel Astor: There's nothing quite like your first bite. Dulcie Carter has been running her family's homemade sweet shop, Candy Land Confections, on her own since her mom passed away. But business is slow and rent is high, so Dulcie knows if she wants to keep her mom's dream alive, she'll need a miracle. The annual Assembly of Chocolatiers competition might be just the thing, if she can bring herself to try creating something new for the first time in a long time. Then she meets Nick, a molten-hot guy with a sexy smirk and an attraction stronger than any sugar rush, whose family also happens to own the big-box candy shop in town—her strongest competition for first prize. Nick's got his own reasons for needing the win, but then being around Dulcie is proving addictive. As their competition heats up, so do the sparks between them. Can they keep their sights on winning, when love might be the sweetest prize of all?

The Wedding Wager W.W. Norton & Company

The aim of the American Psychiatric Association Practice Guideline series is to improve patient care. Guidelines provide a comprehensive synthesis of all available information relevant to the clinical topic. Practice guidelines can be vehicles for educating psychiatrists, other medical and mental health professionals, and the general public about appropriate and inappropriate treatments. The series also will identify those areas in which critical information is lacking and in which research could be expected to improve clinical decisions. The Practice Guidelines are also designed to help those charged with overseeing the utilization and reimbursement of psychiatric services to develop more scientifically based and clinically sensitive criteria.

A Princeton Companion BoD – Books on Demand

It reads like fiction but it's true... The thrilling, true story of a teen girl's struggle to survive in a world bent on destroying her A Brief Synopsis *Run Rachel Run* is a true story. (Not just based on a true story.) Rachel Blum was 12 when the Nazis invaded her town. Over the next three years, she witnessed war, risked her life to smuggle food for her family, escaped liquidation, hid with a kind Polish couple whose son worked for the SS, was questioned if she was a Jew by an SS General and engineered an incredibly dangerous scheme to overturn a moving trainload of 1,000 Nazi soldiers. Hers is not just an incredible, action-packed story, but represents a character arc that young women, as well as young men, as well as adults of all types can draw inspiration from. She did not begin as a selfless, courageous young girl she came to be. Her strength and determination evolved through her experiences. Once you start "Run Rachel Run," you won't be able to put it down. Once you finish, you'll be shivering in awe how invigoratingly heroic the story of Rachel Blum is. Reviews "This is incredible!" Jessica Classen "What a testimony of courage and love" Rick Dearmore "Wonderful and inspiring and brave person" Helen Schwab An Excerpt July, 1944. Ivan Roluk couldn't believe he was listening to a 15-year-old girl - and putting his life and the life of his family in her hands! But she was right. Driving trains for the Nazis for three years now, he knew exactly who the Germans were. He knew that there were once more than 20,000 Jews in the girl's home town of Ludmir, and now there was only one. The courageous young girl, Rachel. Rachel -- who had just convinced him to risk his life, as well as the life of his wife and son. There was a risk either way, of course. The war was coming to an end and who knew what the Germans would do to them once they

didn't need his services any longer. It was a risk to do it, but a risk not to do it. He looked behind him. The 20 train cars filled with over 1,000 wounded Nazi soldiers snaked behind his engine-car like a meandering river. In the caboose at the tail of the train was his wife, his son and the little Jewish girl. Suddenly, he heard a slam. What was that? It sounded like the door connecting the engine-car to the first car, which was occupied by high-ranking Nazi officers. Was one of them coming up front? The moment of truth had arrived. He thrust the throttle full ahead.... The train jerked forward.... He looked out the window. There, up ahead, was the bend! Had he waited too long? There was no more time to think. There was no more time for fear. It truly was now or never. He leaned out the open side door....

Once Again a Bride Lippincott Williams & Wilkins

Taking the cue from the currency of risk in popular and interdisciplinary academic discourse, this book explores the development of the English novel in relation to the emergence and institutionalization of risk, from its origins in probability theory in the late seventeenth century to the global 'risk society' in the twenty-first century. Focussing on 29 novels from Defoe to McEwan, this book argues for the contemporaneity of the rise of risk and the novel and suggests that there is much to gain from reading the risk society from a diachronic, literary-cultural perspective. Tracing changes and continuities, the fictional case studies reveal the human preoccupation with safety and control of the future. They show the struggle with uncertainties and the construction of individual or collective 'logics' of risk, which oscillate between rational calculation and emotion, helplessness and denial, and an enabling or destructive sense of adventure and danger. Advancing the study of risk in fiction beyond the confinement to dystopian disaster narratives, this book shows how topical notions, such as chance and probability, uncertainty and responsibility, fears of decline and transgression, all cluster around risk.

Lakeview : Journey from Yesterday Basic Books

New York Times bestselling author Jane Feather again delights with her new book in this entrancing Georgian trilogy featuring three noble brothers who are offered a preposterous opportunity to restore their family's mortgaged lands. An eccentric uncle promises a lavish inheritance, but only if each marries—thus redeeming—a fallen woman. And if even one brother fails to fulfill the old man's decree, none will gain the windfall. Lady Serena Grantley was born to the nobility, but fortune's whim placed her in control of her gamester stepfather, who uses her beauty to lure young men to his gambling tables. Serena even dismissed her first love, the Honorable Sebastian Sullivan, at her stepfather's command. But

when he attempts to force her into a liaison with a dissolute earl, Serena resolves to do his bidding no more. Sebastian is the only man who ever captured her heart, and it is to him she turns. . . . Torn between family loyalty and the woman he loves, Sebastian faces a devilish dilemma. His uncle is ailing, and time is running short. Desperate to find a solution, Sebastian conceives a dangerous plan—a wager that could bring him and Serena happiness at last . . . or separate them forever.

The Old Merchants of New York City Musicaicum Books

Josie's back and she's getting married!Except, how is she supposed to plan a wedding when her mother and her best friend Mattie both think they're the designated wedding planner, and none of their ideas are remotely similar? Mom wants super-traditional and Mattie wants... well, the complete opposite.And that's not all Josie has to deal with. The gossip hounds are as invasive as ever; setting up polls on everything from what shoes she'll wear to when the divorce will be! Can't a girl at least get married first?But the marriage is threatened when the Disaster Diary provides Josie with an opportunity of a lifetime and the real question becomes: with the stakes so high, is Josie willing to risk it all and take a chance on herself?

THE MISSISSIPPI BUBBLE (Historical Thriller) Mississauga, Ont. : Friends of the Mississauga Library System

Sexy, bad-boy chef Adrian St. Claire has never had a woman say no, until he attempts to charm Jackie Taylor, the owner of the Pirate's Pleasure cruise ship, into helping him find a legendary heirloom on a sunken ship in cove of Pearl Island. Original.

The French Revolution Routledge

Social psychology is a flourishing discipline. It explores the most essential questions of the human psyche (e.g., Why do people help or harm others? How do influence professionals get us to do what they want, and how can we inoculate ourselves against their sometimes-insidious persuasion tactics? Why do social relationships exert such powerful effects on people's physical health?), and it does so with clever, ingenuitive research methods. This edited volume is a textbook for advanced social psychology courses. Its primary target audience is first-year graduate students (MA or PhD) in social psychology, although it is also appropriate for upper-level undergraduate courses in social psychology and for doctoral students in disciplines connecting to social psychology (e.g., marketing, organizational behavior). The authors of the chapters are world-renowned leaders on their topic, and they have

written these chapters to be engaging and accessible to students who are just learning the discipline. After reading this book, you will be able to understand almost any journal article or conference presentation in any field of social psychology. You will be able to converse competently with most social psychologists in their primary research domain, a use skill that is relevant not only in daily life but also when interviewing for a faculty position. And, most importantly, you will be equipped with the background knowledge to forge ahead more confidently with your own research.

WagerJosie's back and she's getting married!Except, how is she supposed to plan a wedding when her mother and her best friend Mattie both think they're the designated wedding planner, and none of their ideas are remotely similar? Mom wants super-traditional and Mattie wants... well, the complete opposite.And that's not all Josie has to deal with. The gossip hounds are as invasive as ever; setting up polls on everything from what shoes she'll wear to when the divorce will be! Can't a girl at least get married first?But the marriage is threatened when the Disaster Diary provides Josie with an opportunity of a lifetime and the real question becomes: with the stakes so high, is Josie willing to risk it all and take a chance on herself?Bridesmaid LottoJosephine McMaster is pretty and smart, but very much a klutzy mess. Finally, at 26, she may have actually lost the dreaded 'McMaster the Disaster' nickname that has followed her around her whole life. Josie's quite content to be single, much to her mother's disappointment. So when a bizarre contest is announced where a socialite is holding a lottery to pick her bridesmaids (and rake in a little extra cash), she can't roll her eyes fast enough, even if it does mean meeting Jake Hall, her one and only movie star crush. Obviously, Josie doesn't enter the bridesmaid lottery, so you can imagine her surprise when her picture pops up among the winners, thanks to Mom. With a little prodding -- okay bribing -- Josie agrees to participate. The wedding turns into the event of the year, and Josie finds herself in the middle of a paparazzi feeding frenzy, which gets even crazier after Jake Hall takes a special interest in her. Can Josie handle the pressure in the spotlight? Is it possible she might really have a chance with Jake Hall? And if she's busy worrying about all that, how in the heck is she going to keep 'McMaster the Disaster' from showing up in front of the entire

A Wedding Wager Springer

Drawing on broad research, this study explores the different social and theatrical masking activities in England during the Middle Ages and the early 16th century. The authors present a coherent explanation of the many functions of masking, emphasizing the important links among festive practice, specialized ceremonial, and drama. They elucidate the intellectual, moral and social contexts for masking, and they

examine the purposes and rewards for participants in the activity. The authors' insight into the masking games and performances of England's medieval and early Tudor periods illuminates many aspects of the thinking and culture of the times: issues of identity and community; performance and role-play; conceptions of the psyche and of the individual's position in social and spiritual structures. *Masks and Masking in Medieval and Early Tudor England* presents a broad overview of masking practices, demonstrating how active and prominent an element of medieval and pre-modern culture masking was. It has obvious interest for drama and literature critics of the medieval and early modern periods; but is also useful for historians of culture, theatre and anthropology. Through its analysis of masked play this study engages both with the history of theatre and performance, and with broader cultural and historical questions of social organization, identity and the self, the performance of power, and shifting spiritual understanding.
