destruction
ideologies.

Tragedy, according to risk theatre, puts us face to face with the unexpected implications of our actions by simulating the profound impact of highly improbable events. In this book, classicist Edwin Wong shows how tragedy imitates reality: heroes, by taking inordinate risks, trigger devastating low-probability, high-consequence outcomes. Such a theatre forces audiences to ask themselves a most timely question---what happens when the perfect bet goes wrong? Not only

does Wong reinterpret classic tragedies from Aeschylus to O ' Neill through the risk theatre lens, he also invites dramatists to create tomorrow ' s theatre. As the world becomes increasingly unpredictable, the most compelling dramas will be high-stakes tragedies that dramatize the unintended consequences of today's risk takers who are taking us past the point of no return.

It reads like fiction

but it's true... The thrilling, true story of a teen girl's struggle to survive in a world bent on destroying her A Brief Synopsis Run Rachel Run is a true story. (Not just based on a true story.) Rachel Blum was 12 when the Nazis invaded her town. Over the next three years, she witnessed war, risked her life to smuggle food for her family, escaped liquidation, hid with a kind Polish couple whose son worked for the SS, was questioned if she was a Jew by an SS General and engineered an incredibly dangerous scheme to overturn a

moving trainload of 1,000 Nazi soldiers. Hers is not just an incredible, action-packed story, but represents a character arc that young women, as well as young men, as well as adults of all types can draw inspiration from. She did not begin as a selfless, courageous young girl she came to be. Her strength and determination evolved through her experiences. Once you start "Run Rachel Run," you won't be able to put it down. Once you finish, you'll be shivering in awe how invigoratingly heroic the story of Rachel Blum is. Reviews "This is

incredible!" Jessica Classen "What a testimony of courage and love" Rick Dearmore "Wonderful and inspiring and brave person" Helen Schwab An Excerpt July, 1944. Ivan Roluk couldn't believe he was listening to a 15-year-old girl - and putting his life and the life of his family in her hands! But she was right. Driving trains for the Nazis for three years now, he knew exactly who the Germans were. He knew that there were once more than 20,000 Jews in the girl's home town of Ludmir, and now there was only one. The courageous

young girl, Rachel. Rachel -- who had just convinced him to risk his life, as well as the life of his wife and son. There was a risk either way, of course. The war was coming to an end and who knew what the Germans would do to them once they didn't need his services any longer. It was a risk to do it, but a risk not to do it. He looked behind him. The 20 train cars filled with over 1,000 wounded Nazi soldiers snaked behind his engine-car like a meandering river. In the caboose at the tail of the train was his wife, his son and the little Jewish girl. Suddenly, he heard

a slam. What was that? It sounded like the door connecting the engine-car to the first car, which was occupied by high-ranking Nazi officers. Was one of them coming up front? The moment of truth had arrived. He thrust the throttle full ahead.... The train jerked forward.... He looked out the window. There, up ahead, was the bend! Had he waited too long? There was no more time to think. There was no more time for fear. It truly was now or never. He leaned out the open side door....

Ramachandran is

internationally renowned for uncovering answers to the deep and quirky questions of human nature that few scientists have dared to address. His bold insights about the brain are matched only by the stunning simplicity of his experiments -- using such low-tech tools as cotton swabs, glasses of water and dime-store mirrors. In *Phantoms in the Brain*, Dr. Ramachandran recounts how his work with patients who have bizarre neurological disorders has shed new light on the deep

architecture of the brain, and what these findings tell us about who we are, how we construct our body image, why we laugh or become depressed, why we may believe in God, how we make decisions, deceive ourselves and dream, perhaps even why we're so clever at philosophy, music and art. Some of his most notable cases: A woman paralyzed on the left side of her body who believes she is lifting a tray of drinks with both hands offers a unique opportunity to test Freud's theory of denial. A man who insists

he is talking with God challenges us to ask: Could we be "wired" for religious experience? A woman who hallucinates cartoon characters illustrates how, in a sense, we are all hallucinating, all the time. Dr. Ramachandran's inspired medical detective work pushes the boundaries of medicine's last great frontier -- the human mind -- yielding new and provocative insights into the "big questions" about consciousness and the self. *A Manual of American Literature* New York : G.P.

Putnam's Sons
In the late 1970s and early '80s, a cadre of freewheeling, Southern pot smugglers lived at the crossroads of Miami Vice and a Jimmy Buffett song. These irrepressible adventurers unloaded nearly a billion dollars worth of marijuana and hashish through the eastern seaboard's marshes. Then came their undoing: Operation Jackpot, one of the largest drug investigations ever and an opening volley in Ronald Reagan's War on Drugs. In Jackpot, author Jason Ryan takes

us back to the heady days before drug smuggling was synonymous with deadly gunplay. During this golden age of marijuana trafficking, the country's most prominent kingpins were a group of wayward and fun-loving Southern gentlemen who forsook college educations to sail drug-laden luxury sailboats across the Mediterranean, the Atlantic, and the Caribbean. Les Riley, Barry Foy, and their comrades eschewed violence as much as they loved pleasure, and it was greed, lust, and disaster at

sea that ultimately caught up with them, along with the law. In a cat-and-mouse game played out in exotic locations across the globe, the smugglers sailed through hurricanes, broke out of jail and survived encounters with armed militants in Colombia, Grenada and Lebanon. Based on years of research and interviews with imprisoned and recently released smugglers and the law enforcement agents who tracked them down, Jackpot is sure to become a classic story from America's controversial Drug Wars. "The

adventures, the long-gone economy, and the sting that ultimately brought them down and changed US drug policy are meticulously documented and lucidly spun.... Part New Yorker feature-part Jimmy Buffet song. . . . The result is adventuresome, lavish, informative fun.” —GQ “ [A] rollicking story, Ryan manages to pack in one amusing tale after another.... Jackpot is a rip-roaring good read.” —Charleston City Paper “ High times on the high seas: Investigative reporter Ryan recounts the glory days of dope

smuggling and their terrible denouement.... A well-told tale of true crime that provides a few good arguments for why it should not be a crime at all.” —Kirkus Reviews “ Reads like an international thriller. . . . chock-a-block with hilarious and hair-raising anecdotes of fast times.” —New York Journal of Books “ [A] thoroughly researched account of Operation Jackpot, the drug investigation that ended the reign of South Carolina ’ s ‘ gentlemen smugglers, ’ Ryan recreates the era with a vivid, sun-

drenched intensity.” —Publishers Weekly John Brown South End Press Return to this fan-favorite romance by New York Times bestselling author Kristan Higgins Posey Osterhagen can't complain. She owns a successful company, she's surrounded by her lovable, quirky family and she has a boyfriend—sort of. Still, something's missing.

Something tall, brooding and criminally good-looking...like Liam Murphy, the bad boy who once broke her heart and is now back in town. She should be giving him a wide berth, but it seems fate has other ideas.... First published in 2011

Josephine McMaster is pretty and smart, but very much a klutzy mess. Finally, at 26, she may have actually

lost the dreaded 'McMaster the Disaster' nickname that has followed her around her whole life. Josie's quite content to be single, much to her mother's disappointment. So when a bizarre contest is announced where a socialite is holding a lottery to pick her bridesmaids (and rake in a little extra cash), she can't roll her eyes fast enough, even if it does mean meeting Jake Hall, her one and only movie star crush. Obviously, Josie doesn't enter the bridesmaid lottery, so you can imagine her surprise when her picture pops up

among the winners, thanks to Mom. With a little prodding -- okay bribing -- Josie agrees to participate. The wedding turns into the event of the year, and Josie finds herself in the middle of a paparazzi feeding frenzy, which gets even crazier after Jake Hall takes a special interest in her. Can Josie handle the pressure in the spotlight? Is it possible she might really have a chance with Jake Hall? And if she's busy worrying about all that, how in the heck is she going to keep 'McMaster the Disaster' from showing up in

front of the entire world?

Avon
Bestselling romance editor Trisha Telep brings an exciting new

element to the fast-growing genre of steampunk, which bends and blends the old and the new in increasingly popular dark urban fantasies. Young heroes and heroines battle evil, in various forms with the help of super-technological or supernatural powers, while falling in and out of love. Contributors include: Ann Aguirre a bestselling author who writes urban fantasy (the Corine Solomon series from

Roc), romantic sub-science fiction (the Jax series from Ace), apocalyptic paranormal romance (as Ellen Connor, writing with Carrie Lofty, from Penguin), paranormal romantic suspense (as Ava Gray from Berkley), and post-apocalyptic dystopian young adult fiction (Razorland and Wireville coming in 2011 from Feiwel & Friends). Tessa Gratton, her debut novel Blood Magic arrives in 2011 from Random House Children's

Books, followed by the companion Crow Magic in 2012. Jaclyn Dolamore is the debut author of Magic Under Glass from Bloomsbury USA. Lesley Livingston is the award-winning author of Wondrous Strange and Darklight, the first two books in the bestselling trilogy from HarperCollins. Frewin Jones is the bestselling author of the Faerie Path series and the Warrior Princess books, among many others Caitlin Kittredge

is the author of the Iron Codex trilogy, a Lovecraftian steampunk adventure. Dru Pagliassotti's first novel Clockwork Heart was one of the first in the rising new genre of steampunk romance and was named by Library Journal as one of the five steampunk novels to read in 2009. Dia Reeves is the debut author of the critically acclaimed YA Bleeding Violet. Michael Scott is the Irish-born, New York Times bestselling author of the six

part epic fantasy series, The Secrets of the Immortal Nicholas Flamel. Maria V. Snyder is the New York Times bestselling author of the Study series (Poison Study, Magic Study, and Fire Study) about a young woman forced to become a poison taster. Tiffany Trent the author of the acclaimed YA dark fantasy series Hollowmere, which was an IndieBound Children's Pick and a New York Public Library Book of the Teen Age 2008.

Kiersten White is the debut author of Paranormalacy, the first book in a new trilogy, which was published by HarperTeen in August of 2010. Adrienne Kress, is the author of Alex and the Ironic Gentleman and Timothy and the Dragon's Gate. Social Psychology Rowman & Littlefield The aim of the American Psychiatric Association Practice Guideline series is to improve patient care. Guidelines provide a

comprehensive synthesis of all available information relevant to the clinical topic. Practice guidelines can be vehicles for educating psychiatrists, other medical and mental health professionals, and the general public about appropriate and inappropriate treatments. The series also will identify those areas in which critical information is lacking and in which research could be expected to improve clinical decisions. The Practice Guidelines are also designed to help those charged with

overseeing the utilization and reimbursement of psychiatric services to develop more scientifically based and clinically sensitive criteria.

Sugar Rush
Feiwei & Friends
Sugar Rush by Rachel Astor:
There's nothing quite like your first bite. Dulcie Carter has been running her family's homemade sweet shop, Candy Land Confections, on her own since her mom passed away.

But business is slow and rent is high, so Dulcie knows if she wants to keep her mom's dream alive, she'll need a miracle. The annual Assembly of Chocolatiers competition might be just the thing, if she can bring herself to try creating something new for the first time in a long time. Then she meets Nick, a molten-hot guy with a sexy smirk and an attraction stronger than

any sugar rush, whose family also happens to own the big-box candy shop in town—her strongest competition for first prize. Nick's got his own reasons for needing the win, but then Dulcie is proving addictive. As their competition heats up, so do the sparks between them. Can they keep their sights on winning, when love might be the sweetest prize of all?

The Wedding Wager
Robinson She's a debutante set on making a convenient marriage; he's one of the most infuriating men she's ever met. But it takes a bet to bring them together to discover even though it seems they have nothing in common, sometimes the happiest and sexiest marriages really are made by opposites.

The Wedding Wager Rowman & Littlefield
First published in 1909, W.E.B. Du Bois's biography of abolitionist John Brown is a literary and historical classic. With a rare combination of scholarship and passion, Du Bois defends Brown against all detractors who saw him as a fanatic, fiend, or traitor. Brown emerges as a rich personality,

fully understandable as an unusual leader with a deeply religious outlook and a devotion to the cause of freedom for the slave. This new edition is enriched with an introduction by John David Smith and with supporting documents relating to Du Bois's correspondence with his publisher. Copyright © Libri GmbH. Lotto Wildside Press LLC In Adrienne Kisner's Dear Rachel Maddow, a high school girl deals with school politics and life after her brother 's death by drafting emails to MSNBC host Rachel Maddow in this funny and heartfelt YA debut. Brynn Haper's life has one steady force--Rachel Maddow. She watches her daily, and after writing to Rachel for a

school project--and actually getting a response--Brynn starts drafting e-mails to Rachel but never sending them. Brynn tells Rachel about breaking up with her first serious girlfriend, about her brother Nick's death, about her passive mother and even worse stepfather, about how she's stuck in remedial courses at school and is considering dropping out.

Then Brynn is confronted with a moral dilemma. One student representative will be allowed to have a voice among the administration in the selection of a new school superintendent. Brynn's archnemesis, Adam, and ex-girlfriend, Sarah, believe only Honors students are worthy of the selection committee seat. Brynn feels all students deserve a voice. When she runs for

the position, the knives are out. So she begins to ask herself: What Would Rachel Maddow Do? The Eddy Family in America BoD – Books on Demand When a boy finds a girl's body in the ditch on prom night...he becomes the primary suspect in her murder. Prom dreams. Prom Screams. Mario Woods is looking forward to one normal night before he graduates. He's spent most of high school riding solo. But when fate lands him a date for prom, he figures this might be his chance to

be less of a loner. Only, prom turns out to be a disaster. Just when Mario thought the night couldn't get any worse, he sees something on the side of the road while driving home. That something is Prom Queen Maribelle Starr—murdered and left for dead. All Mario wanted was to go to prom...but somehow, he ended up in hell. A Collection of Familiar Quotations Entangled: Bliss A collection of Sir Walter Scott's letters to his son-in-law, publisher J. G. Lockhart,

divulging his extensive knowledge on the subject of paranormal events, including substantial notes on demonology and witchcraft. This volume features ten letters from the famous Scottish historian Sir Walter Scott, addressed to his publisher and son-in-law, J. G. Lockhart. First published in 1830, this collection demonstrates Scott's thorough knowledge on demonology and witchcraft via his informal, conversational tone, making the book an accessible guide for beginners in paranormal study. The contents include:

- Origin of the General Opinions Respecting Demonology Among Mankind
- The Belief In the Immortality of the Soul Is the Main Inducement to Credit Its Occasional Re-Appearance - The Philosophical Objections to the Apparition of an Abstract Spirit Little Understood by the Vulgar and Ignorant
