EDITORS' CHOICE The secret daughter of a French politician and a famous actress drops the startling revelation that will shatter her

family in this beguiling debut novel of intrigue and betrayal. NAMED ONE OF SUMMER'S BEST BOOKS BY The Skimm • Marie Claire • LitHub • Subway

Book Review • Paperback Paris Margot Louve is a secret: the child of a longstanding affair between an influential French politician with presidential ambitions and a prominent stage actress. This hidden family exists in stolen moments in a small Parisian apartment on the Left Bank. It is a house of cards that Margot—fueled by a longing to be seen and heard—decides to tumble. The summer of her seventeenth birthday, she meets the man who will set her plan in motion: a well-regarded journalist whose trust seems surprisingly easy to gain. But as Margot is drawn into an adult world she struggles to comprehend, she learns how one impulsive decision can threaten a family’s love with ruin, shattering the lives of those around her in ways she could never have imagined. Exposing the seams between private lives and public faces, *The Margot Affair* is a novel of deceit, desire, and transgression—and the exhilarating knife-edge upon which the danger of telling the truth outweighs the cost of keeping secrets.

 “In *Breathing Underwater*, Sarah Allen has created characters so alive and compelling that readers will root for them every mile of this moving, heartfelt journey.” —Dan Gemeinhart,

author of *The Remarkable Journey of Coyote Sunrise* A sparkly, moving middle grade novel from Sarah Allen, and a big-hearted exploration of sisterhood, dreams, and what it means to be there for someone you love. Olivia is on the road trip of her dreams, with her trusty camera and her big sister Ruth by her side. Three years ago, before their family moved from California to Tennessee, Olivia and Ruth buried a time capsule on their favorite beach. Now, they're taking an RV back across the country to uncover the memories they left behind. But Ruth's depression has been getting worse, so Olivia has created a plan to help her remember how life used to be: a makeshift scavenger hunt across the country, like pirates hunting for treasure, taking pictures and making memories along the way. All she wants is to take the picture that makes her sister smile. But what if things can never go back to how they used to be? What if they never find the treasure they're seeking? Through all the questions, loving her sister, not changing her, is all Olivia can do—and maybe it's enough.

Day Four Penguin YA rising stars Sarah Crossan and Brian Conaghan join forces to break readers' hearts in this contemporary story of star-cross'd lovers. Jess would never have looked twice at Nicu if her friends hadn't left her in the lurch. Nicu is all big eyes and ill-fitting clothes, eager as a puppy, even when they're picking up

litter in the park for community service. He's so not her type. Appearances matter to Jess. She's got a lot to hide. Nicu thinks Jess is beautiful. His dad brought Nicu and his mum here for a better life, but now all they talk about is going back home to find Nicu a wife. The last thing Nicu wants is to get married. He wants to get educated, do better, stay here in England. But his dad's fists are the most powerful force in Nicu's life, and in the end, he'll have to do what his dad wants. As Nicu and Jess get closer, their secrets come to the surface like bruises. The only safe place

they have is with each other. But they can't be together, forever, and stay safe – can they? An extraordinary, high-impact, high-emotion collaboration between two Carnegie honoured rising stars of YA. Perfect for fans of Patrick Ness, Malorie Blackman, Rainbow Rowell and John Green. Sarah Crossan received the 2016 CILIP Carnegie Medal for her astonishing novel *One*, which also won the YA Book Prize, CBI Book of the Year Award and the CliPPA Poetry Award. Brian Conaghan's powerful debut,

When Mr Dog Bites, was shortlisted for the CILIP Carnegie Medal, Peters Book of the Year and CBI Book of the Year Award. Everywhere Blue Random House From Carnegie Award-winning author Sarah Crossan comes a poignant and thought-provoking novel that explores life, sibling bonds, and forgiveness as a teen tries to reconnect with his brother on death row for a crime he may not have committed. Seventeen-year-old Joe hasn't seen his brother in ten years. Ed didn't walk out on the family, not exactly. It's something more brutal. Ed's locked up -- on death row. Now his execution date has

been set, and the clock is ticking. Joe is determined to spend those last weeks with his brother, no matter what other people think ... and no matter whether Ed committed the crime. But did he? And does it matter, in the end? This poignant, timely, heartbreaking novel asks big questions: What value do you place on life? What can you forgive? And just how do you say goodbye? Acclaim for Sarah Crossan 2016 Carnegie Award winner, One Shortlisted for the 2016 FCBG Book Award, Apple and Rain Shortlisted for the 2015 Carnegie Award, Apple and Rain Shortlisted for the 2013 Carnegie Award, The Weight of Water

A poetic, gifty offering that combines first love, friendship, and persistent courage in this lyrical immigration story told in verse. Carrying just a suitcase and an old laundry bag filled with clothes, Kasienska and her mother are immigrating to England from Poland. Kasienska isn't the happiest girl in the world. At home, her mother is suffering from a broken heart as she searches for

Kasienska's father. And at school, Kasienska is having trouble being the new girl and making friends. The only time she feels comforted is when she's swimming at the pool. But she can't quite shake the feeling that she's sinking. Until a new boy swims into her life, and she learns that there might be more than one way to stay afloat. The *Weight of Water* is a coming-of-age story that deftly handles issues of immigration, alienation, and first love. Moving and poetically

Winner of the YA Book Prize * Winner of the Children's Books Ireland Book of the Year Award Tippi and Grace share everything—clothes, friends . . . even their body. Writing in free verse, Sarah Crossan tells the sensitive and moving story of conjoined twin sisters, which will find fans in readers of Gayle Forman, Jodi Picoult, and Jandy Nelson. Tippi and Grace. Grace and Tippi. For them, it's normal to step into the same skirt. To hook their arms around each other for balance. To fall asleep listening to the other breathing. To share. And to keep some things private. Each of the sixteen-year-old girls has her own head, heart, and two arms, but at the belly, they join. And they are happy, never wanting to risk the dangerous separation surgery. But the girls' body is beginning to fight against them. And Grace doesn't want to admit it. Not even to Tippi. How long can they hide from the truth—how long before they must face the most impossible choice of their lives? Carnegie Medal – winning author Sarah Crossan gives us a story about unbreakable bonds, hope, loss, and the lengths we will go to for the person we love most. Still Life Vintage A brother's disappearance turns one family upside down, revealing painful secrets that threaten the life they've always known. When twelve-year-old Maddie's older brother vanishes from his college campus, her carefully ordered world falls apart. Nothing will fill the void of her beloved oldest sibling. Meanwhile Maddie's older sister reacts by staying out late, and her parents are always distracted by the search for Strum. Drowning in grief and confusion,

the family's musical household falls silent. Though Maddie is the youngest, she knows Strum better than anyone. He used to confide in her, sharing his fears about the climate crisis and their planet's future. So, Maddie starts looking for clues: Was Strum unhappy? Were the arguments with their dad getting worse? Or could his disappearance have something to do with those endangered butterflies he loved . . . Scared and on her own, Maddie picks up the pieces of her family's fractured lives. Maybe her parents

aren't who she thought they were. Maybe her nervous thoughts and compulsive counting mean she needs help. And maybe finding Strum won't solve everything--but she knows he's out there, and she has to try. This powerful debut novel in verse addresses the climate crisis, intergenerational discourse, and mental illness in an accessible, hopeful way. “My parents didn’t belong in Waitsfield, but they moved there

anyway.” For Ruthie, town’s prim facade the frozen town of Waitsfield, Massachusetts, is all she has ever known. Once home to the country’s oldest and most illustrious families—the Cabots, the Lowells: the “first, best people”—by the tail end of the twentieth century, it is an unforgiving place awash with secrets. Forged in this frigid landscape Ruthie has been dogged by feelings of inadequacy her whole life. Hers is no picturesque New England childhood but one of swap meets and factory seconds and powdered milk. Shame blankets her like the thick snow that regularly buries nearly everything in Waitsfield. As she grows older, Ruthie slowly learns how the town conceals a deeper, darker history, and how silence often masks a legacy of harm—from the violence that runs down the family line to the horrors endured by her high school friends, each suffering a fate worse than the last. For Ruthie, Waitsfield is a place to be survived, and a girl like her would be lucky to get out alive. In her eagerly anticipated debut novel, Sarah Manguso has written, with characteristic precision, a masterwork on growing up in—and out of—the suffocating constraints of a very old, and very cold, small town. At once an ungilded portrait of girlhood at the crossroads of history and social class as well as a vital confrontation with an all-American whiteness where the ice of emotional restraint meets the embers of smoldering rage, *Very Cold People* is a haunted jewel of a novel from one of our most virtuosic literary writers.

investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her

thinking about our culture ' s commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski ' s life while investigating the culture ' s fetishization of girls and female beauty, its obsession with and contempt for women ' s sexuality, the perverse dynamics of the fashion and film industries, and the gray area between

consent and abuse.

Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

A brilliantly original debut about a love affair cut short, and how lonely it is to live inside a secret -- for fans of Sally Rooney, Sheila Heti, and Ottessa Moshfegh. Ana Kelly can deal with death. As an estate lawyer, an

unfortunate part of her day-to-day is phone calls from the next of kin informing her that one of her clients has died. But nothing could have prepared Ana for the call from Rebecca Taylor, explaining in a strangely calm tone that her husband Connor was killed in an accident. Ana had been having an affair with Connor for three years, keeping their love secret in hotel rooms, weekends away, and swiftly deleted text messages. Though consuming, they hide their love

well, and nobody knows of their relationship except Mark, Connor's best friend. Alone and undone, Ana seeks friendship with the person who she once thought of as her adversary and opposite, but who is now the only one who shares her pain -- Rebecca. As Ana becomes closer to her lover's widow, she is forced to reconcile painful truths about the affair, and the fickleness of love and desire. Funny, frank, and strange, Sarah Crossan's moving novel is wholly original and

deeply resonant. Born In Water Farrar, Straus and Giroux (BYR) In this dazzling reconsideration of the language of the Old and New Testaments, acclaimed scholar and translator of classical literature Sarah Ruden argues that the Bible 's modern translations often lack the clarity and vitality of the originals. Singling out the most famous passages, such as the Genesis creation story, the Ten Commandments, the Lord 's Prayer, and the Beatitudes, Ruden reexamines and retranslates from the Hebrew

and Greek, illuminating what has been misunderstood and obscured in standard English translations. By showing how the original texts more clearly reveal our cherished values, Ruden gives us an unprecedented understanding of what this extraordinary document was for its earliest readers and what it can still be for us today.
