Our digital library saves in compound countries, allowing you to acquire the most less latency time to download any of our books taking into account this one. Merely said, the **The White Album Joan Didion** is universally compatible afterward any devices to read.

Collected Essays The White Album Essays

In this moving and unexpected book, Joan Didion reassesses parts of her life, her work, her history, and ours. *Where I Was From*, in Didion's words, "represents an exploration into my own confusions about the place and the way in which I grew up, confusions as much about America as about California, misapprehensions and misunderstandings so much a part of who I became that I can still to this day confront them only obliquely." The book is a haunting narrative of how her own family moved west with the frontier from the birth of her great-great-great-great-grandmother in Virginia in 1766 to the death of her mother on the edge of the Pacific in 2001; of how the wagon-train stories of hardship and abandonment and endurance created a culture in which survival would seem the sole virtue. In *Where I Was From*, Didion turns what John Leonard has called "her sonar ear, her radar eye" onto her own work, as well as that of such California writers as Frank Norris and Jack London and Henry George, to examine how the folly and recklessness in the very grain of the California settlement led to the California we know today—a state mortgaged first to the railroad, then to the aerospace industry, and overwhelmingly to the federal government, a dependent colony of those political and corporate owners who fly in for the annual encampment of the Bohemian Club. Here is the one writer we always want to read on California showing us the startling contradictions in its—and in America's—core values. Joan Didion's unerring sense of America and its spirit, her acute interpretation of its institutions and literature, and her incisive questioning of the stories it tells itself make this fiercely intelligent book a provocative and important tour de force from one of our greatest writers. From the Hardcover edition.

Joan Didion: The 1960s & 70s (LOA #325) Harvard University Press

Fierce Attachments Vintage

Why do modern poets quote from dictionaries in their poems? How has the tape recorder changed the poet's voice? What has shopping to do with Gertrude Stein's aesthetics? These and other questions form the core of *Ghostlier Demarcations*, a study

of modern poetry as a material medium. One of today's most respected critics of twentieth-century poetry and poetics, Michael Davidson argues that literary materiality has been dominated by an ideology of modernism, based on the ideal of the autonomous work of art, which has hindered our ability to read poetry as a socially critical medium. By focusing on writing as a palimpsest involving numerous layers of materiality—from the holograph manuscript to the printed book—Davidson exposes modern poetry's engagement with larger historical forces. The palimpsest that results is less a poem than an arrested stage of writing in whose layers can be discerned ghostly traces of other texts. This enhanced eBook edition of *Blue Nights* includes three short films directed by Griffin Dunne and starring Joan Didion. Each film blends Didion's incisive prose with images and mementos from her daughter's life. From one of our most powerful writers, *Blue Nights* is a work of stunning frankness about losing a daughter. Richly textured with bits of her own childhood and married life with her husband, John Gregory Dunne, and daughter, Quintana Roo, this new book by Joan Didion examines her thoughts, fears, and doubts regarding having children, illness, and growing old. *Blue Nights* opens on July 26, 2010, as Didion thinks back to Quintana's wedding in New York seven years before. Today would be her wedding anniversary. This fact triggers vivid snapshots of Quintana's childhood—in Malibu, in Brentwood, at school in Holmby Hills. Reflecting on her daughter but also on her role as a parent, Didion asks the candid questions any parent might about how she feels she failed either because cues were not taken or perhaps displaced. "How could I have missed what was clearly there to be seen?" Finally, perhaps we all remain unknown to each other. Seamlessly woven in are incidents Didion sees as underscoring her own age, something she finds hard to acknowledge, much less accept. *Blue Nights*—the long, light evening hours that signal the summer solstice, "the opposite of the dying of the brightness, but also its warning"—like *The Year*

of *Magical Thinking* before it, is an iconic book of incisive and electric honesty, haunting and profoundly moving.

Run River / Slouching Towards Bethlehem / Play It As It Lays / A Book of Common Prayer / The White Album Open Road Media

British Literary Traveling between the Wars Vintage

Library of America launches a definitive collected edition of one of the most original and electric writers of our time with a volume gathering her five iconic books of the 1960s & 70s Joan Didion's influence on postwar American letters is undeniable. Whether writing fiction, memoir, or trailblazing journalism, her gifts for narrative and dialogue, and her intimate but detached authorial persona, have won her legions of readers and admirers. Now Library of America launches its multi-volume edition of Didion's collected writings, prepared in consultation with the author, that brings together her fiction and nonfiction for the first time. Collected in this first volume are Didion's five iconic books from the 1960s and 1970s: *Run River*, *Slouching Towards Bethlehem*, *Play It As It Lays*, *A Book of Common Prayer*, and *The White Album*. Whether writing about countercultural San Francisco, the Las Vegas wedding industry, Lucille Miller, Charles Manson, or the shopping mall, Didion achieves a wonderful negative sublimity without condemning her subjects or condescending to her readers. Chiefly about California, these books display Didion's genius for finding exactly the right language and tone to capture America's broken twilight landscape at a moment of headlong conflict and change.

This collection of beautiful, enduring hardcover editions features modern American masterpieces, including works by Nobel Prize and National Book Award winners. With elegant cloth sewn bindings, gold stamped covers, and silk ribbon markers, these classics are an essential for any home library. Titles included: *Beloved* by Toni Morrison *The Border Trilogy* by Cormac McCarthy *Rabbit Angstrom* by John Updike *Revolutionary Road*; *The Easter Parade*; *Eleven Kinds of Loneliness* by Richard Yates *We Tell Ourselves Stories in Order to Live* by Joan Didion *South and West* Everymans Library

The iconic writer's electrifying first novel is a story of marriage, murder and betrayal that only she could tell with such nuance, sympathy, and suspense—from the bestselling, award-winning author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean*. Everett McClellan and his wife, Lily, are the great-grandchildren of pioneers, and what happens to them is a tragic epilogue to the pioneer experience—a haunting portrait of a marriage whose wrong turns and betrayals are at once absolutely idiosyncratic and a razor-sharp commentary on the history of California.

Winner of the 2021 PEN/Diamonstein-Spielvogel Award for the Art of the Essay, *HAD I KNOWN* contains the most provocative, incendiary, and career-making pieces by bestselling author, essayist, political activist, and "veteran muckraker" Barbara Ehrenreich (*The New Yorker*). A self-proclaimed "myth buster by trade," Barbara Ehrenreich has covered an extensive range of topics as a journalist and political activist, and is unafraid to dive into intellectual waters that others deem too murky. Now, *Had I*

Known gathers the articles and excerpts from a long-ranging career that most highlight Ehrenreich's brilliance, social consciousness, and wry wit. From Ehrenreich's award-winning article "Welcome to Cancerland," published shortly after she was diagnosed with breast cancer, to her groundbreaking undercover investigative journalism in *Nickel and Dimed*, to her exploration of death and mortality in the New York Times bestseller, *Natural Causes*, Barbara Ehrenreich has been writing radical, thought-provoking, and worldview-altering pieces for over four decades. Her reviews have appeared in the New York Times Book Review, the Washington Post, the Atlantic Monthly, and the Los Angeles Times Book Review, among others, while her essays, op-eds and feature articles have appeared in the New York Times, Harper's Magazine, the New York Times Magazine, Time, the Wall Street Journal, and many more. *Had I Known* pulls from the vast and varied collection of one of our country's most incisive thinkers to create one must-have volume.

Political Fictions Vintage

Salvador Head of Zeus Ltd

Incisive essays on Patty Hearst and Reagan, the Central Park jogger and the Santa Ana winds, from the New York Times – bestselling author of *South and West*. In these eleven essays covering the national scene from Washington, DC; California; and New York, the acclaimed author of *Slouching Towards Bethlehem* and *The White Album* "capture[s] the mood of America" and confirms her reputation as one of our sharpest and most trustworthy cultural observers (*The New York Times*). Whether dissecting the 1988 presidential campaign, exploring the commercialization of a Hollywood murder, or reporting on the "sideshows" of foreign wars, Joan Didion proves that she is one of the premier essayists of the twentieth century, "an articulate witness to the most stubborn and intractable truths of our time" (Joyce Carol Oates, *The New York Times Book Review*). Highlights include "In the Realm of the Fisher King," a portrait of the White House under the stewardship of Ronald and Nancy Reagan, two "actors on location;" and "Girl of the Golden West," a meditation on the Patty Hearst case that draws an unexpected and insightful parallel between the kidnapped heiress and the emigrants who settled California. "Sentimental Journeys" is a deeply felt study of New York media coverage of the brutal rape of a white investment banker in Central Park, a notorious crime that exposed the city's racial and class fault lines. Dedicated to Henry Robbins, Didion's friend and editor from 1966 until his death in 1979, *After Henry* is an indispensable collection of "superior reporting and criticism" from a writer on whom we have relied for more than fifty years "to get the story straight" (*Los Angeles Times*).

[The Lost Art of Reading](#) Vintage

In this latest foray into the ailing American psyche, Joan Didion takes her scalpel to inauthenticity and dogma, and lays bare the discrepancies between urban realities and the images peddled by America's attendant quack doctors. Like its great predecessors, 'Slouching Towards Bethlehem' and 'The White Album', 'Sentimental Journeys' is a thoroughly astringent, bracing report on the State of the Union.

NATIONAL BOOK AWARD WINNER • NATIONAL

BESTSELLER • From one of America's iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year's Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion's attempt to make sense of the “ weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

We Tell Ourselves Stories in Order to Live Vintage

A book about the meaning of travel, about how important the topic has been for writers for two and a half centuries, and about how excellent the literature of travel happened to be in England and America in the 1920s and 30s.

NATIONAL BESTSELLER • "Didion at her finest" —USA Today • An intricate, fast-paced novel about trying to create a context for democracy and getting hands a little dirty in the process, complete with conspiracies, arms dealing, and assassinations. From the author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean* The narrator introduces Elena McMahon, estranged from a life of celebrity fundraisers and from her powerful West Coast husband, Wynn Janklow, whom she has left, taking Catherine, her daughter, to become a reporter for *The Washington Post*. She finds herself boarding a plane for Florida to see her father. She becomes embroiled in her his business even though "she had trained herself since childhood not to have any interest in what he was doing." It is from this moment that she is caught up in something much larger than she could have imagined. Didion makes connections among Dallas, Iran-Contra, and Castro, and points out how "spectral companies with high-concept names tended to interlock." As this book builds to its terrifying finish, we see the underpinnings of a dark historical underbelly.

Why Books Matter in a Distracted Time Vintage

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.
