Science fiction, fantasy, comics, romance, genre movies, games all drain into the Cultural Gutter, a website dedicated to thoughtful articles about disreputable art-media and genres that are a little embarrassing. Irredeemable. Worthy of Note, but rolling like errant pennies back into the gutter. The Cultural Gutter is dangerous because we have a philosophy. We try to balance enthusiasm with clear-eyed, honest engagement with the material and with our readers. This book expands on our mission with 10 articles each from science fiction/fantasy editor James Schellenberg, comics editor and publisher Carol Borden, romance editor Chris Szego, screen editor Ian Driscoll and founding editor and former games editor Jim Munroe.
