Ghosts of War Penguin

The Widow's Strike Penguin

The Great Influenza HarperCollins

Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast-paced thriller in the New York Times bestselling series. Invented by nature and genetically manipulated by man, a highly lethal virus has just fallen into the wrong hands. Angered by sanctions placed against its nuclear program, a rogue state is determined to release the virus. The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce. But as they follow the trail of the virus across Southeast Asia to the United States, the Taskforce soon learns that the enemy they face may not be the enemy they should fear...

The Callsign Penguin

In the eighth action-packed thriller in the New York Times bestselling Pike Logan series, ISIS, the most maniacal terrorist organization the modern world has ever seen, is poised to make their most audacious strike yet. The United States has anticipated and averted countless attacks from terrorist groups—thanks in large part to the extralegal counterterrorist unit known as the Taskforce. But now, a much more insidious evil is about to shatter the false sense of safety surrounding civilized nations. While world powers combat ISIS on the battlefield, a different threat is set in motion by the group—one that can't be defeated by an airstrike. Off the radar of every Western intelligence organization, able to penetrate America or any European state, they intend to commit an act of unimaginable barbarity. Only Pike Logan and the Taskforce stand in the way of an attack no one anticipates, a grand deception that will wreak unthinkable chaos and reverberate throughout the Western world.

The Dig Penguin

Former Delta Force officer and New York Times bestselling author Brad Taylor delivers a relentlessly fast-paced, gripping thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face-to-face with an insidious threat to strike terror into the heart of America. Fifteen years ago, in order to win a contract in the Kingdom, a desperate defense contractor used a shell company to provide a bribe to a wealthy Saudi businessman. Now a powerful player in the defense industry, he panics when the Panama Papers burst onto the public scene. Providing insight into the illicit deeds of offshore financing, they could prove his undoing. To prevent the exposure of his illegal activities, he sets in motion a plan to interdict the next leak, but he is not the only one worried about spilled secrets. The data theft has left the Taskforce potentially vulnerable, leaving a trail that could compromise the unit. Back in the good graces of the new president, Pike Logan and Jennifer Cahill are ordered to interdict the next leak as well, in order to control the damage. Unbeknownst to either group, the Saudi has been using the shell company to fund terrorists all over the world, and he has a spectacular attack planned, coinciding with the fifteenth anniversary of 9/11. The information Pike and Jennifer uncover will put them on the trail of the imminent threat, but it's one that they might be unable to stop. Called Ring of Fire, it will cause unimaginable destruction across the United States, and the ensuing chaos and terror will distract the Taskforce from a truth no one sees: Ring of Fire was only the beginning, and the danger is far from over.

Daughter of War W. W. Norton & Company
#1 New York Times bestseller "Barry will teach you almost everything you need to know about one of the deadliest outbreaks in human history."—Bill Gates "Monumental... an authoritative and disturbing morality tale."—Chicago Tribune The strongest weapon against pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, "The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make whatever horror exists concrete. Only then will people be able to break it apart." At the height of World War I, history's most lethal influenza virus erupted in an army camp in Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease. Macmillan

Propulsive, compelling, and told with unparalleled realism, *The Callsign* brings readers new insight into the origins of Pike Logan and the Taskforce as they execute the first Omega operation in a relentless and action-packed short story. Commissioned at the highest level of the U.S. government, and designed to operate outside the bounds of U.S. law, a new counter-terrorist unit known as the Taskforce has just been formed, but not fully tested. Until now. Pike Logan has been given a team of operators drawn from the CIA's National Clandestine Service and the military's Special Operations Forces without any say in selecting the men on which he must depend. While executing a full mission profile exercise on U.S. soil, a target of opportunity appears before the Taskforce is deemed mission capable. Forced to execute, Pike and his team are sent to Yemen to track their first real target. The future of the Taskforce depends on their success, but when Pike is challenged by one of his own, their clear-cut mission teeters on the brink of disaster. The

price of failure will reverberate much deeper than the loss of the target—straight into the presidency itself. Includes an excerpt of the Pike Logan novel, *The Forgotten Soldier*. **Crazy Brave: A Memoir** Penguin
Includes 7 free chapters of HELLBENT, the latest in the international bestselling Orphan X series. Spoken about only in whispers, the Nowhere Man can only be reached by the truly desperate, he can —He will do anything to save them. Evan Smoak is the Nowhere Man. Taken from a group home at twelve, Evan was raised and trained as part of the Orphan Program, an off-the-books operation designed to create deniable intelligence assets—i.e. assassins. Evan was Orphan X. He broke with the Program, using everything he learned to disappear and reinvent himself as the Nowhere Man. But his new life is interrupted when a surprise attack comes from an unlikely angle and Evan is caught unaware. Captured, drugged, and spirited off to a remote location, he finds himself heavily guarded and cut off from everything he knows. His captors think they have him trapped and helpless in a virtual cage but they don't know who they're dealing with—or that they've trapped themselves inside that cage with one of the deadliest and most resourceful men on earth. Continuing his electrifying series featuring Evan Smoak, Gregg Hurwitz delivers a blistering, compelling new novel in the series launched with the instant international bestseller, *Orphan X*. **The Insider Threat** Penguin
A New York Times Bestseller Former Special Forces Officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face to face with a conspiracy where nothing is as it seems. Hot on the trail of a North Korean looking to sell sensitive US intelligence to the Syrian regime, Pike Logan and the Taskforce stumble upon something much graver: the sale of a lethal substance called Red Mercury. Unbeknownst to the Taskforce, the Syrians plan to use the weapon of mass destruction against American and Kurdish forces, and blame the attack on terrorists, causing western nations to reassess their participation in the murky cauldron of the Syrian civil war. Meanwhile, North Korea has its own devastating agenda: a double-cross that will dwarf the attack in Syria even as it lays the blame on the Syrian government. Leveraging Switzerland's fame for secrecy and its vast network of military bunkers,

now repurposed by private investors for the clandestine storage of wealth, North Korea will use Red Mercury to devastate the West's ability to deliver further sanctions against the rogue regime. As the Taskforce begins to unravel the plot, a young refugee unwittingly holds the key to the conspiracy. Hunted across Europe for reasons she cannot fathom, she is the one person who can stop the attack—if she can live long enough for Pike and Jennifer to find her.

The Recruit Penguin

In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death is only the beginning...

Ring of Fire Penguin

Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." —Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving

Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

The Widow's Strike Penguin

This thrilling short story from New York Times bestselling author Brad Taylor features Taskforce operators Knuckles and Decoy, who stumble upon an audacious plot when they least expect it... When Taskforce operator Knuckles brings his old friend Decoy, a former teammate from the Navy SEALs, to Lima, Peru, he wonders if he's made a mistake. Knuckles' only objective is to assess Decoy's covert surveillance skills on an orientation deployment, the final step before any recruit is accepted into the extralegal counterterrorist organization known as the Taskforce. Just when Decoy's wild side threatens to expose their cover as technicians working for the embassy—and derail his chances of becoming a full member of the Taskforce—the two uncover an unexpected piece of intelligence involving the terrorist group, the Shining Path, that causes their mission to go from evaluation to operational. With no backup and a flimsy cover story, Knuckles and Decoy find themselves in murky territory, relying on the help of an untried asset to prevent a devastating attack on countless innocents. Includes an excerpt of the Pike Logan novel, *The Forgotten Soldier*.

Pre-Incident Indicators of Terrorist Incidents

HarperCollins

Taskforce operators Pike Logan and Jennifer Cahill as they come face-to-face with an insidious threat to strike terror into the heart of America. Fifteen years ago, in order to win a contract in the Kingdom, a desperate defense contractor used a shell company to provide a bribe to a wealthy Saudi businessman. Now a powerful player in the defense industry, he panics when the Panama Papers burst onto the public scene. Providing insight into the illicit deeds of offshore financing, they could prove his undoing. To prevent the exposure of his illegal activities, he sets in motion a plan to interdict the next leak, but he is not the only one worried about spilled secrets. The data theft has left the Taskforce potentially vulnerable, leaving a trail that could compromise the unit.

The Nowhere Man Penguin

Pike Logan's search for a Mossad agent and ally puts him on a collision course with a ruthless military coup in Africa - and tests his loyalties to the Taskforce. Beginning to untangle a web that extends through both the American and Israeli intelligence community, Pike is forced to choose between his Israeli friends and his Taskforce mission, even as an execution of a coup begins to form. Print run 100,000.

No Fortunate Son HarperCollins

Charged with stopping a terrorist attack, the Taskforce pursues illegally obtained leads to Egypt, where Pike Logan and Jennifer Cahill find themselves in charge of a mission involving a weapon of unprecedented destruction.

The Forgotten Soldier London : Macmillan
• A New York Times Bestseller • Former Special Forces officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller where Pike Logan's search for a Mossad agent and ally puts him on a collision course with a ruthless military coup in Africa—and tests his loyalties to the Taskforce. It was supposed to be a simple mission. Nothing more than assessing whether a merchant in the fabled Israeli Diamond Exchange was involved in a scheme that could potentially embarrass the state of Israel. But nothing is ever simple in the world of intelligence, as Aaron Bergman—a former leader of an elite direct action team under the Mossad—should have known. Executing the operation as a contractor, a cutout that gave the State of Israel plausible deniability, he disappears without a trace. Pike Logan and his team know none of this, but he's tracking an American arms dealer in Tel Aviv who may—or may not—be attempting to sell sensitive nuclear weapons components to the highest bidder. When Pike's team breaks up an attempt at killing Shoshana, Aaron's partner, they stumble upon much more than they expected—a concerted conspiracy to topple a democratic African country. Beginning to untangle a web that extends through both the American and Israeli intelligence community, Pike is forced to choose between his Israeli friends and his Taskforce mission, even as the coup begins. But Aaron's disappearance is the one mistake the plotters made. Because Shoshana is the greatest killing machine the Mossad has ever produced, and she will stop at nothing to help Aaron, even if it means killing Pike Logan.

The Insider Threat HarperCollins

Transcribed, edited, and annotated Civil War journal written by Mary Jane Chaduck during the years of Federal invasion, 1862-1865.

The Third Option Pocket Books

From the #1 New York Times bestselling author of *American Assassin*—now a major motion picture—comes a pulse-pounding thriller that “is an old school spy story...updated with heavy helpings of international intrigue and domestic politicking and betrayal” (Library Journal) that puts CIA agent Mitch Rapp in the crosshairs of an enemy even he did not anticipate. When diplomacy fails and military intervention is inappropriate, our leaders sometimes take a third option and Mitch Rapp has been assigned just such an “unofficial” task—targeting a German industrialist who is supplying a notorious terror sponsor. But when the mission is dangerously compromised, Rapp quickly realizes he’s been deemed an expendable asset in a power struggle on home turf: the battle over who will become the successor of the dying CIA director. But no one counted on Mitch Rapp’s return...or how far

he’ll go to find out who set him up. An explosive and unputdownable thriller that is ripped from the headlines, *The Third Option* proves that “in the world of black-ops thrillers, Mitch Rapp remains the gold standard” (Booklist, starred review of *Red War*).

The Infiltrator Random House Large Print
When the Taskforce uncovers an assassination plot against an American envoy, operator Pike Logan and his partner, Jennifer Cahill, follow an elusive trail through the Middle East that reveals a destructive secret.

One Rough Man Penguin

“In the latest military thriller from the retired Delta Force Operator and New York Times bestselling author, a hostage situation places America's most powerful political elite at the mercy of its worst enemies. When veteran operator Pike Logan and partner Jennifer Cahill receive a letter from Blaisdell Consulting—the umbrella cover company for their real employer, a top secret counterterrorist unit called the Taskforce—they expect orders for their next mission-impossible tasking.

Instead, they learn that their latest actions have gotten them fired, despite having saved thousands of innocent lives. Pike's shock and fury is redirected when their commander, Colonel Kurt Hale, asks him and Jennifer for help with a personal matter: His niece Kylie, an exchange student in England, has gone missing. Neither Pike nor Jennifer understands how critical her disappearance will become. Meanwhile, all Taskforce teams have been redirected to a developing situation. A terrorist organization has targeted military relatives of key members of the US government, including the vice president's son. Their seizure of hostages was far-reaching and meticulously coordinated, and the full extent of the threat-and potential demands-has thrown the government into turmoil. They face a terrible choice: Cease counter-terrorist operations, or watch hostages die one by one. How much is a single life worth? Unless the Taskforce can decipher the web of lies devised by their enemies, the United States is about to find out”--

Personal Memoirs of U.S. Grant ... Penguin

“Few authors write about espionage, terrorism, and clandestine hit squads as well as Taylor does.”—Houston Press
Pike Logan is on the desperate hunt for a man who is about to betray his country—and ignite a horrific new world war—in this pulse-pounding thriller from New York Times bestselling author and former special forces officer Brad Taylor. Pike Logan and Jennifer Cahill are enjoying a sunny vacation down under when they get disturbing news: their friend and colleague Clifford Delmonty is in serious trouble. While working as a contractor at an Australian F-35

facility, the former Taskforce member—callsign Dunkin—saw something he shouldn't have, and now he's on the run from Chinese agents. Pike and Jennifer soon discover that Dunkin's attackers are a dangerous link to a much larger scheme that could launch a full-on conflict between China and Taiwan. In its quest for dominance, China is determined to reclaim Taiwan—a pivotal ally the United States has sworn to protect. Pike learns that the Chinese have a devious plan to bait the island nation into all-out war by destabilizing the government and manipulating an artificial intelligence defense system. As the threat reaches a boiling point, Pike alone realizes that what they're seeing isn't actually real. A soldier who has always been trained to fight and win, Pike must now track down and neutralize the missing man who holds the key. With the help of Jennifer, the Taskforce team, and a brave Taiwanese intelligence agent, he races to prevent a catastrophic conflict from consuming a whole region of the world.
