To test the limits of our ability to
inhabit lives that are not our own,
Charles Foster set out to know the
ultimate other: the nonhumans. To do
that, he chose five animals and lived
alongside them, sleeping as they slept,
eating what they ate, learning to sense
the landscape through the senses they
used. In this lyrical, intimate, and
completely radical look at the lives of
animals, Charles Foster mingles
neuroscience and psychology, nature
writing and memoir, and ultimately
presents an inquiry into the human
experience in our world, carried out
by exploring the full range of the life
around us.

Ahmadou Kourouma's remarkable novel is narrated by Bingo, a West African sora - storyteller and king's fool. Over the course of five nights he tells the life story of Koyaga, President and Dictator of the Gulf Coast. Orphaned at the age of seven, Koyaga grows up to be a terrible hunter; he fights mythical beasts, and is a shape-shifter, capable of changing himself into beasts and birds. He fights in the French colonial armies, in Vietnam and Algeria, but on his return he mounts a coup and becomes ruler and dictator of the Gulf Coast. For thirty years he runs a corrupt but

'clean' state, surviving repeated assassination attempts and gaining support and investment from abroad. But when the 'First World' decides it no longer wants to support dictatorships and call for democracy, he needs another ruse to maintain himself in power... Part magic, part history, part savage satire, *Waiting for the Wild Beasts to Vote* is nothing less than a history of post-colonial Africa itself.

"The Call of the Wild" Weekly #3 Troubador Publishing Ltd

Inspired by a story told to the author while on safari in 2015, The Wild Beast describes the creation of one of Africa's most unusual animals, the wildebeest. According to oral tradition, the Creator built this unique

beast out of leftover parts from other magnificent animals found on the continent. Horns from buffalos and stripes meant for zebras. Tails from giraffes and bumps meant for camels. This creative retelling will introduce little ones to a story rich in both imagery and in lesson: Take what you need to live. Take no more. Waste nothing.
