A Best Book of 2022 in Harper's Bazaar, Daily Mail, and Thrillist "Absolutely brilliant - tragic, funny, eccentric and so perfectly suited to this particularly weird time. Claire Kohda takes the vampire trope and makes it her own in a way that feels fresh and original. Serious issues of race, disability, misogyny, body image, sexual abuse are handled with subtlety, insight, and a lightness of touch. The spell this novel casts is so complete I feel utterly, and happily, bitten." -- Ruth Ozeki, Booker-shortlisted author of A Tale for the Time Being A young, mixed-race vampire must find a way to balance her deep-seated desire to live amongst humans with her incessant hunger in this stunning debut novel from a writer-to-watch. Lydia is hungry. She's always wanted to try Japanese food. Sashimi, ramen, onigiri with sour plum stuffed inside - the food her Japanese father liked to eat. And then there is bubble tea and iced-coffee, ice cream and cake, and foraged herbs and plants, and the vegetables grown by the other young artists at the London studio space she is secretly squatting in. But, Lydia can't eat any of these things. Her body doesn't work like those of other people. The only thing she can digest is blood, and it turns out that sourcing fresh pigs' blood in London - where she is living away from her vampire mother for the first time - is much more difficult than she'd anticipated. Then there are the humans - the other artists at the studio space, the people at the gallery she interns at, the strange men that follow her after dark, and Ben, a boyish, goofy-grinned artist she is developing feelings for. Lydia knows that they are her natural prey, but she can't bring herself to feed on them. In her windowless studio, where she paints and studies the work of other artists, binge-watches Buffy the Vampire Slayer and videos of people eating food on

YouTube and Instagram, Lydia considers her place in the world. She has many of the things humans wish for - perpetual youth, near-invulnerability, immortality - but she is miserable; she is lonely; and she is hungry - always hungry. As Lydia develops as a woman and an artist, she will learn that she must reconcile the conflicts within her - between her demon and human sides, her mixed ethnic heritage, and her relationship with food, and, in turn, humans - if she is to find a way to exist in the world. Before any of this, however, she must eat.

When a mother is targeted by a dangerous group of masterminds, she must commit a crime to save her kidnapped daughter—or risk losing her forever—in this "propulsive and original" award-winning thriller (Stephen King). It's something parents do every morning: Rachel Klein drops her daughter at the bus stop and heads into her day. But a cell phone call from an unknown number changes everything: it's a woman on the line, informing her that she has Kylie bound and gagged in her back seat, and the only way Rachel will see her again is to follow her instructions exactly: pay a ransom, and find another child to abduct. This is no ordinary kidnapping: the caller is a mother herself, whose son has been taken, and if Rachel doesn't do as she's told, the boy will die. "You are not the first. And you will certainly not be the last." Rachel is now part of The Chain, an unending and ingenious scheme that turns victims into criminals—and is making someone else very rich in the process. The rules are simple, the moral challenges impossible; find the money fast, find your victim, and then commit a horrible act you'd have thought yourself incapable of just twenty-four hours ago. But what the masterminds behind The Chain know is that parents will do anything for their children. It turns out that kidnapping is only the beginning. "McKinty is one of the most striking and most memorable crime voices to emerge on the scene in years. His plots tempt you to read at top speed, but don't give in: this writing—sharply observant, intelligent and shot through with black humor—should be savored." —Tana French "A masterpiece. You have never read anything quite like The Chain and you will never be able to forget it." —Don Winslow "Diabolical, unnerving, and gives a whole new meaning to the word 'relentless'. Adrian McKinty just leapt to the top of my list of must-read suspense novelists. He's the real deal." —Dennis Lehane "Pairing an irresistible concept with a winner protagonist, The Chain promises to be your new addiction once you succumb to the first enticing page." —Alafair Burke "A grade-A-first-rate-edge-of-your-seat thriller.
