Love, Theodosia Picador

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this Book of Shadows begins... In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon Masters, and his Book of Shadows. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called

Tegan starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, *The Witch's Daughter*, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

The Second Mrs. Darcy Grand

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a

socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other

and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water.

That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung

around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, David and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent

days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

Valley of Bones
Simon and Schuster
The award-winning author of modern classics such as *Schindler's List* and *Napoleon's Last Island* is at his triumphant best with this “engrossing and transporting” (*Financial Times*) novel about the adventures of Charles Dickens's son in the Australian Outback during the 1860s. Edward Dickens, the tenth child of England's most famous

author Charles Dickens, has consistently let his parents down. Unable to apply himself at school and adrift in life, the teenaged boy is sent to Australia in the hopes that he can make something of himself—or at least fail out of the public eye. He soon finds himself in the remote Outback, surrounded by Aboriginals, colonials, ex-convicts, ex-soldiers, and very few women. Determined to prove to his parents and more importantly, himself, that he can succeed in this vast and unfamiliar wilderness, Edward works hard at his new life amidst various livestock, bushrangers, shifty stock agents, and frontier battles. By reimagining the tale of a fascinating yet little-known figure in history, this “roguishly tender coming-of-age story” (*Booklist*) offers penetrating insights into Colonialism and the fate of Australia's indigenous people, and a

wonderfully intimate portrait of Charles Dickens, as seen through the eyes of his son.

Lost Boy Found Autonomedia

The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of

plot and “ a bustling, ridiculous humanity worthy of Dickens ” (The New York Times Book Review), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

The startling reviews of *Tropic of Night* announced Michael Gruber as one of the most talented thriller writers to debut in many years. Now, with the much-anticipated publication of *Valley of Bones*, Gruber fulfills that genre-bending promise as perhaps no writer since Graham Greene, with a genuinely exhilarating thriller that simultaneously offers a profound, deeply provocative exploration of the nature of faith itself. The setting is Miami. Rookie cop Tito Morales arrives at the Trianon Hotel to investigate a routine disturbance call -- and, to his shock and horror, watches as a wealthy oilman

plunges ten stories and impales himself on a nearby fence. Soon Morales is joined by detective Jimmy Paz, famous throughout the city for solving -- or at least providing a plausible solution to -- the so-called Voodoo Murders that left Miami burning months earlier. Together Paz and Morales enter the hotel and discover, in the dead man's room, a most unusual suspect, an otherworldly woman by the name of Emmylou Dideroff. She emerges from a rapturous, prayerlike state and admits that she had a motive for killing the oilman. Ultimately, she says she wants to confess, and asks for a pen and several notebooks in which to convey the details of her confession. What Emmylou writes is nothing like what Paz expects; he enlists psychologist Lorna Wise in an effort to make sense of things that go beyond Emmylou's explanation of the murder:

details of childhood abuse, of other crimes committed, of regular communion with saints -- and with the devil. Is she mentally disturbed or playacting in hopes of getting declared unfit for trial? Or does she really believe herself to be an instrument of God? And why is it that so many people -- including Paz's biological father -- are suddenly interested in the contents of these notebooks and in preventing them from becoming public? As Valley of Bones moves toward its startling and dramatic finale, Emmylou's "confessions" lead Jimmy Paz, Lorna Wise, and Tito Morales down a series of unexpected and dangerous turns that puts them in the path of perhaps the most terrifying evil imaginable and forces each of them to confront questions about faith, love, and the possibility of the miraculous.
