Kate Nolan is a successful magazine editor with a loving husband, James, and a five-year-old son, Max. Her life couldn't be more perfect—but one day she receives a phone call from James, which changes everything. Clearly distressed, James tells Kate to meet him at midnight outside the beach café once owned by her long-dead grandmother in the seaside town of Seahaven, where they both grew up. A strange request, made even more sinister by the fact that in recent weeks Seahaven has become prey to a serial killer who is targeting the local children. Kate keeps the midnight appointment, but instead of finding her husband and son, she finds herself drawn into an ever-tightening web of past misdeeds and long-buried secrets. As hopes for her missing family fade, Kate

becomes involved in a desperate race against time. Where are her husband and son? Have they become the latest victims of the serial killer, who calls himself Dominic and seems to know her intimately? And what has all this to do with Kate's childhood terror of the impenetrable darkness known as "the black"?

In the midst of an international crisis, Heidi Milligan, a beautiful, brilliant American naval commander, accidentally discovers an obscure reference to the long-buried North American Treaty, a precedent-shattering secret pact between the United States and Great Britain. The President believes that the treaty offers the single shot at salvation for an energy-starved, economically devastated nation, but the only two copies plummeted into the watery

depths of the Atlantic in twin disasters long ago. The original document must be found—and the one American who can do the job is Dirk Pitt. But in London, a daring counterplot is being orchestrated to see that the treaty is never implemented. Brian Shaw, a master spy who has often worked hand in hand with American agents, now confronts his most challenging command. Pitt's mission: Raise the North American Treaty. Shaw's mission: Stop Pitt. Praise for *Night Probe!* and the Dirk Pitt® novels “A rich tale . . . an absorbing, carefully told mystery with plenty of surprises.” —Los Angeles Times

A Darker Shade of Magic, from #1 New York Times bestselling author V.E.

Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see.

Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's

a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure."—Deborah Harkness, New York Times bestselling author of the All Souls trilogy Shades of Magic series 1. A Darker Shade of Magic 2. The obsidian mirror. Its power is great and terrible. Men have been lost in it, the dead brought back to life through it, and the future annihilated by it. Or this is what will happen unless the mirror is destroyed. Three people

seek the mirror: the first has been sent from the future to shatter its power; the second will protect the mirror at all costs, obsessed with its power; and the third needs the mirror to find a murdered father and save his life. But only one can succeed. The mirror can send you to the past, but it will not bring you back. With superb world-building that includes the real world, the faery world, and a dystopic future, this hauntingly astonishing adventure is the start of a new trilogy from the master of the sci-fi/fantasy genre, Catherine Fisher. Fans of Orson Scott Card, Dr. Who, Shakespeare, and Blade Runner won't be disappointed.

then the real nightmare begins...John Straker is the neighbourhood bogeyman. Hideously disfigured, he hides himself away from the rest of the world - until the night when a group of children set fire to his house and reduce it - and its owner - to ashes. Mr Bad Face has been well and truly laid to rest. Or so the children think... They're grown up now and they've struggled hard to leave the bad dreams behind. Then, without warning, a figure from the past casts his shadow across the present. Mr Bad Face is back - and he wants revenge.

The Girl Who Wrote in Silk Robinson
In this fast-paced monster mash-up, creatures of the night face the fight of their lives when they square off against one another on TV's first all-supernatural reality show. Talk radio

host and werewolf Kitty Norville is expecting cheesy competitions and manufactured drama starring shapeshifters, vampires, and psychics when she signs on for TV's first all-supernatural reality show. But as soon as filming starts, violence erupts, and Kitty suspects that the show is a cover for a far more nefarious plot. When the cameras stop rolling, cast members start dying, and Kitty realizes that she and her monster housemates are -- ironically -- the ultimate prize in a very different game. Stranded with no power, no phones, and no way to know who can be trusted, she must find a way to defeat the evil closing in . . . before it kills them all.

It is almost Halloween in the sleepy New England town of Blackwood Falls. Autumn leaves litter lawns and sidewalks, paper skeletons hang in windows, and carved pumpkins leer from stoops and front porches. The Doctor and Martha soon discover that something long-dormant has awoken in the town, and this will be no ordinary Halloween. What is the secret of the ancient chestnut tree and the mysterious book discovered tangled in its roots? What rises from the local churchyard in the dead of night, sealing up the lips of the only witness? And why are the harmless trappings of Halloween suddenly taking on a creepy new life of their own? As nightmarish creatures prowl the streets, the Doctor and Martha must battle to prevent both the

townspeople and themselves from suffering a grisly fate... Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit sci-fi series from BBC Television.

A “fantastic” collection from the author of *It Sustains*: “Each of the stories here is proudly horror . . . [Morris] is still at the top of his game” (*This Is Horror*). A woman haunted by a mysterious upside-down door. A meeting between a famous punk rocker and a voodoo priestess. A group of friends who willingly place themselves in the path of bullets that travel through time . . . Praised by Clive Barker as “one of the finest horror writers at work today,” Mark Morris wraps his stories in strange

skin. Skin suffused with regret and grief and anger. Skin that twitches with bad dreams and appalling memories. Skin that is so thin it is unable to prevent the terrors of the past from breaking through. “After spending a few days wandering through the wastelands of *Wrapped in Skin*, I’m in awe of the sheer breadth of talent Morris brings to the table . . . He’s exploring new avenues, but he doesn’t shy away from the standard tropes, either; here there be zombies and ghosts, demons and vampires—familiar elements aplenty, but each told with a skill and confidence that makes them feel fresh and new . . . Morris has given us a collection that celebrates and exploits the full potential of the

genre in a way too few authors can pull off . . . and then he brings the hammer down emphatically with the closing story, ‘ Waiting for the Bullet. ’ ”

The fates of Ragnvald and his sister Svanhild unfold to their stunning conclusion in this riveting final volume in The Golden Wolf Saga, a trilogy that conjures the ancient world with the gripping detail, thrilling action, and vivid historical elements of Game of Thrones and Outlander. Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror - even though he knows that Harald's success will eventually mean his own doom. He

is grateful to have his beloved sister, the fierce and independent Svanhild, once more at his side to help keep their kingdom secure. Free from the evil husband who used her, she is now one of Harald's many wives. While Svanhold is happy to be reunited with her beloved brother, and enjoys more freedom than ever before, she is restless and lonely. When an old enemy of Ragnvald's kidnaps his niece, Freydis, his sister follows the daughter she has neglected to Iceland, where an old love awaits. This strange new land offers a life far different from what each has left behind, as well as unexpected challenges and choices. Ragnvald, too, must contend with change. His sons - the gifted Einar, the

princely Ivar, and the adventurous Rolli - are no longer children. Harald's heirs have also grown up. Stepping back from his duties as king, he watches as his sons pursue their own ambitions. But Norway may no longer be large enough for so many would-be kings. Now in their twilight years, these venerable men whose lives have been shaped by war must face another battle. A growing rebellion pits Ragnvald and his sons against enemies old and new, and a looming tragedy threatens to divide them all. Across the sea, Svanhild, too, wrestles with a painful decision, risking the dissolution of her fragile new family as she desperately tries to save it. Yet as old heroes fall, new heroes arise. For years, Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods. Though the journey has cost them much, their sacrifices and dreams will be honoured by the generations that follow, beginning with Freydis and Einar. Emerging from their parents' long shadows, they have begun to pursue their own glorious fates. This compelling conclusion to the Golden Wolf trilogy recreates Viking-age Scandinavia in all its danger, passion, power, and glory - a world of brutality and myth, loyalty and betrayal, where shifting alliances and vengeance can build kingdoms . . . and can tear them down.

The Black Orbit

With an outstanding Ultimate Sanction bounty still on her head, Koko Martstellar (ex-mercenary and saloon madam extraordinaire) and Jedidiah Flynn (former orbital sky-cop) have narrowly escaped death in paradise. Rescued during a storm, Koko and Flynn are taken in by what amounts to a self-sufficient outlander cult. To

save Flynn ' s life, Koko barter her warrior skills and assist the de-civ group in fending off their most imminent threat: a horde of genetic-mutant raiders. However, even with the group ' s foes bested and their idealist lifestyle somewhat enticing, being among the outlander de-civs doesn ' t sit well with Koko. In spite of the de-civ group ' s hospitality and Flynn ' s arguing that they have it pretty good, Koko suspects something is amiss. People within the outlander group ' s interlocking compounds keep disappearing with flimsy explanations—people like the girl who died on the cliff before Koko and Flynn ' s rescue—and soon the group ' s leadership assesses Koko as a threat

to their secret agenda. As the mystery unfolds, Koko ' s limits and loyalties—perhaps even her love for Flynn—will be tested. And as if that isn ' t enough, bounty agent Wire has managed to track down Koko and, after a little politicking, is preparing to lead an army of genetic-mutant raiders in a last-man-standing battle against the cult . . .

Predator: Stalking Shadows Macmillan India in 1947 is a country in the grip of chaos - a country torn apart by internal strife. When the Doctor and Donna arrive in Calcutta, they are instantly swept up in violent events. Barely escaping with their lives, they discover that the city is rife with tales of 'half-made men', who roam the streets at night and steal people away. These creatures, it is said, are as white

as salt and have only shadows where their eyes should be. With help from India's great spiritual leader, Mohandas 'Mahatma' Gandhi, the Doctor and Donna set out to investigate these rumours. What is the real truth behind the 'half-made men'? Why is Gandhi's role in history under threat? And has an ancient, all-powerful god of destruction really come back to wreak his vengeance upon the Earth? Featuring the Tenth Doctor and Donna as played by David Tennant and Catherine Tate in the hit Doctor Who series from BBC Television.
