In this compilation of essays demonstrating the application of psychological and spiritual principles to the women of the Bible, the reader will soon see the similarities between the lives of Biblical women and those of today. Just like 21st century "Eves," some are wise, brave, and faithful, and others are conniving,

imprudent, and downright disagreeable. Then and now, women struggle with emotions, relationships, and personal choice as they navigate their way through life. Eve and her sisters felt apprehension, jealousy, and self-doubt. And like us, many squared their shoulders and faced their fears head on. With its themes of love, faith, individuality, and fulfillment, the Bible can actually be seen as a self-help book. Don't underestimate the power of these women who lived generations ago to reach across time and culture to touch our lives. A semi-retired educator with a background in psychology, Jayne is the author of four blogs and has published

articles/stories in Guideposts, The Petigru Review, and two LDS magazines, the Liahona and the Ensign. She has also written two books, Human Relations in Industry and Musings of a Missionary Mom. **The Woman's Encyclopedia of Myths and Secrets** e-artnow

THE FUNDAMENTALS OF THE CHRISTIAN FAITH Barbour Publishing

Ten of the Bible's best-known femmes fatales parade across the pages of this popular and unforgettable study with situations that sound oh-so-familiar. Women everywhere marvel at those "good girls" in Scripture—Sarah, Mary, Esther—but on most days, that's not who they see when they look in the mirror. Most women (if they're honest) see the selfishness of Sapphira or the deception of Delilah. They catch a glimpse of Jezebel's take-charge pride or Eve's disastrous disobedience. Like Bathsheba, Herodias, and the rest, today's modern woman is surrounded by temptations, exhausted by the demands of daily living, and burdened by her own desires. So what's a good girl to do? Learn from their

lives, says beloved Bible study teacher and speaker Liz Curtis Higgs, and choose a better path. Whether they were “Bad to the Bone,” “Bad for a Season, but Not Forever” or only “Bad for a Moment,” these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs combines a contemporary retelling of the stories of these “other women” in Scripture with a solid, verse-by-verse study to teach us how to avoid their tragic mistakes and joyfully embrace grace. Let these Bad Girls show you why studying the Bible has never been more fun! Includes Discussion Questions and Study Guide

Biblical criticism, originally known as Higher criticism of the Bible, got started throughout the 18th and 19th centuries. At that time, Protestant scholars attacked the Bible: an intellectual, academic attack. They devised a method of studying the Bible that became known as higher criticism and now biblical criticism. These Bible critics taught that most of the Bible contained legend and myth. Some even claimed that Jesus never existed. For the liberal-moderate Bible scholar then and now, the Word of God, the Bible has become the word of man, and a very chaotic, distorted word at that. The modern-day liberal-moderate

Bible scholar says that much of the Bible "is just wrong." This thinking is the result of biblical criticism. Biblical higher criticism is conjectural and uncertain, doubtful in the extreme. Today, these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths, legends, or folk tales. They do not even entertain the idea that there is the possibility that they actually occurred. This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired, fully inerrant, authentic, and trustworthy. Biblical criticism is highly defective, and its centuries-long assault on the Bible has not proven that the Bible is not the Word of God. Many conservative Christians have been doing their best to defend God's Word. Herein, **THE FUNDAMENTALS OF THE CHRISTIAN FAITH** puts Biblical Criticism on trial, judging their claims as subjective (based on or influenced by personal feelings or opinions), not objective (factual, actual, real, empirical, verifiable) in biblical studies.
