A wise, measured, and deeply passionate invitation to a Spirit-filled life Are you trying your best to be a good Christian but still feel something's missing? Do the peace and joy you long for seem to elude you? Does following Christ sometimes feel like a lot of work—or like it's just not working very well? Much has been written

and spoken—and argued!—about the Holy Spirit and what it means to be filled with the Spirit. Charles Stanley cuts through the confusion and introduces you to a living Person as real and active as God the Father and Christ the Son. Through personal stories, biblical exploration, and insightful explanation, he will help you discover: who the Spirit is—and how to develop a relationship with Him who the Spirit isn't—and how to avoid damaging misconceptions how being “filled” with the Spirit actually works what the Bible really teaches about spiritual “signs” such as

speaking in tongues how the Spirit can increase your capacity for faith, hope, love, and personal transformation what it means to “hear” the Spirit’s voice how to make the most of your unique spiritual gifting to build up Christ’s body what happens when the Spirit’s power is unleashed in your workplace, your family life, your friendships, and every other area of your life In The Spirit-Filled Life Charles Stanley reveals how to recognize and begin to live with the guiding presence of the Holy Spirit. Spirit-Filled Life What if the Supernatural Became Normal and Natural in Your Life? How would your world change if you regularly experienced the miraculous? And what if this happened everywhere you went-in a way that attracted people to Jesus? It wouldn't just make a difference in your world; it would make the world different. It might sound too good to be true...but that's the Spirit Contemporary life. While working as a

first responder in an ambulance, Leon Fontaine longed to see God's power at work outside the four walls of a church. He learned through many life-changing experiences that we can all unlock the miraculous in a way that works anywhere-at home, in a hospital, at work--with anyone! The Spirit Contemporary way of life involves communicating with others as Jesus would: using their language,

stories, and settings. Leon draws on biblical truth and personal stories to reveal how this dynamic first-century faith can be yours when you live so in tune with God that you're guided in ways that are both natural and supernatural. "In a world seeking an authentic, transparent, and genuine touch of God, Leon equips us with a Christ-centered, Spirit-empowered, Bible-based, kingdom prescription."
--Samuel Rodriguez,

president, National Hispanic Christian Leadership Conference, author of Be Light "When 'Spirit' and 'Contemporary' are synergized, phenomenal outcomes will happen in the church...I believe this valuable resource will help the church go to higher levels of impact and influence in the years ahead." -- Dr. Elmer L. Towns, co-Founder of Liberty University "The Spirit Contemporary

A wide and more or less intimate acquaintance with the Churches of Australasia has shown me the need for a simple, homely talk, such as this little book professes to be. Many, oh! so many of God's dear children are living on the wrong side of Pentecost, living on the same plane as that on which the disciples were living before they "were filled with the Holy Ghost;" and thus by their lives practically making the sad confession, "We did not so much as hear whether the Holy Ghost

was given," or "whether there be any Holy Ghost." The object of this little work is to call their attention to their Birthright, to the fact that the Fullness of the Spirit is the Birthright of every believer. God wants us to be living this side Pentecost, not the other side."-John MacNeil
