"The more you transform your life from the material to the spiritual domain, the less you become afraid of death." Leo Tolstoy spoke these words, and they became Henry Stuart's raison d'être. The Poet of Tolstoy Park is the unforgettable novel based on the true story of Henry Stuart's life, which was reclaimed from his doctor's belief that he would not live another year. Henry responds to the news by slogging home barefoot in the rain. It's 1925. The place: Canyon County, Idaho. Henry is sixty-seven, a retired professor and a widower who has been told a warmer climate would make the end more

tolerable. San Diego would be a good choice. Instead, Henry chose Fairhope, Alabama, a town with utopian ideals and a haven for strong-minded individualists. Upton Sinclair, Sherwood Anderson, and Clarence Darrow were among its inhabitants. Henry bought his own ten acres of piney woods outside Fairhope. Before dying, underscored by the writings of his beloved Tolstoy, Henry could begin to “ perfect the soul awarded him ” and rest in the faith that he, and all people, would succeed, “ even if it took eons. ” Human existence, Henry believed, continues in a perfect circle unmarred by flaws of personality, irrespective of blood and possessions and rank, and separate from organized religion. In Alabama, until his final breath, he would chase these high ideas. But

first, Henry had to answer up for leaving Idaho. Henry ’ s dearest friend and intellectual sparring partner, Pastor Will Webb, and Henry ’ s two adult sons, Thomas and Harvey, were baffled and angry that he would abandon them and move to the Deep South, living in a barn there while he built a round house of handmade concrete blocks. His new neighbors were perplexed by his eccentric behavior as well. On the coldest day of winter he was barefoot, a philosopher and poet with ideas and words to share with anyone who would listen. And, mysteriously, his “ last few months ” became years. He had gone looking for a place to learn lessons in dying, and, studiously advanced to claim a vigorous new life. The Poet of Tolstoy Park is a moving and irresistible story, a guidebook of

---

the mind and spirit that lays hold of the heart. Henry Stuart points the way through life ' s puzzles for all of us, becoming in this timeless tale a character of such dimension that he seems more alive now than ever.

**Skin and Other Stories** Penguin UK  
The fast-paced and gripping true account of the extraordinary construction and spectacular demise of the Key West Railroad—one of the greatest engineering feats ever undertaken, destroyed in one fell swoop by the strongest storm ever to hit U.S. shores. In 1904, the brilliant and driven entrepreneur Henry Flagler, partner to John D. Rockefeller, dreamed of a railway connecting the

island of Key West to the Florida mainland, crossing a staggering 153 miles of open ocean—an engineering challenge beyond even that of the Panama Canal. Many considered the project impossible, but build it they did. The railroad stood as a magnificent achievement for more than twenty-two years, heralded as “the Eighth Wonder of the World,” until its total destruction in 1935's deadly storm of the century. In *Last Train to Paradise*, Standiford celebrates this crowning achievement of Gilded Age ambition, bringing to life a sweeping tale of the powerful forces of human ingenuity colliding with the even greater forces of nature's wrath.

Byrnes and Deadline. From trying to impress but the book is not. Fans of Tara Westover's a member of the girls' softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher's memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother's homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, you have had a taste of Roald Dahl's

Educated, Jack Gantos's *Hole in My Life*, and Walter Dean Myers's *Bad Boy* will laugh, will cry, and will remember. "Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh sympathetically."—Publishers Weekly (starred review)
