In this sixth novel in the award-winning Myron Bolitar series, Harlan Coben delivers a riveting powerhouse thriller—a twisting mystery of betrayal, family secrets, and murder. Myron Bolitar 's colleague at MB SportsReps, Esperanza, has been arrested for the murder of a client, a fallen baseball star attempting a comeback. Myron is determined to prove

Esperanza's innocence—even if she won't speak to him on the advice of her lawyer, who warns Myron to keep away from both the case and his client. But Myron is already too close, too involved, and has too much at stake. And the closer Myron gets to the truth, the more the evidence points to the only viable suspect besides Esperanza: Myron himself.

Harlan Coben brings us his most astonishing—and deeply personal—novel yet. And it all begins when Myron Bolitar's ex tells him he's a father . . . of a dying thirteen-year-old boy. Myron never saw it coming. A surprise visit from an ex-girlfriend is unsettling enough. But Emily Downing's news brings him to his knees. Her son Jeremy is dying and needs a bone-marrow transplant—from a donor who has vanished

without a trace. Then comes the real shocker: The boy is Myron's son, conceived the night before her wedding to another man. Staggered by the news, Myron plunges into a search for the missing donor. But finding him means cracking open a dark mystery that involves a broken family, a brutal kidnapping spree, and the FBI. Somewhere in the sordid mess is the donor who disappeared. And as doubts emerge about Jeremy's true paternity, a child vanishes, igniting a chain reaction of heartbreaking truth and chilling revelation. Praise for *Darkest Fear* “A slam dunk . . . In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante

antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing

them toward one man. Windsor Horne Lockwood III – or Win, as his few friends call him – doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism – and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.
