Ladies and Gentlemen, The Bible! Simon and Schuster

"As a little boy, I had a dream that my father had taken me to the woods where there was a dead body. He buried it and told me I must never tell. It was the only thing we'd ever done together as father and son, and I promised not to tell. But unlike most dreams, the memory of this one never left me. And sometimes...I wasn't altogether sure about one thing: was it just a dream?" When Augusten Burroughs was small, his father was a shadowy presence in his life: a form on the stairs, a cough from the basement, a silent figure smoking a cigarette in the dark. As Augusten grew older, something sinister within his father began to unfurl. Something dark and secretive that could not be named. Betrayal after shocking betrayal ensued, and Augusten's childhood was over. The kind of father he wanted didn't exist for him. This father was distant, aloof, uninterested... And then the "games" began. With *A Wolf at the Table*, Augusten Burroughs makes a quantum leap into untapped emotional terrain: the radical pendulum swing between love and hate, the unspeakably terrifying relationship between father and son. Told with scorching honesty and penetrating insight, it is a story for anyone who has ever longed for unconditional love from a parent. Though harrowing and brutal, *A Wolf at the Table* will ultimately leave you buoyed with the profound joy of simply being alive. It's a memoir of stunning psychological cruelty and the redemptive power of hope.

Ladies of Liberty Penguin

A revelatory look at the separation of church and state in America—from the New York Times bestselling author of *The Great Influenza* For four hundred years, Americans have fought over the proper relationships between church and state and between a free individual and the state. This is the story of the first battle in that war of ideas, a battle that led to the writing of the First Amendment and that continues to define the issue of the separation of church and state today. It began with religious persecution and ended in revolution, and along the way it defined the nature of America and of individual liberty. Acclaimed historian John M. Barry explores the development of these fundamental ideas through the story of Roger Williams, who was the first to link religious freedom to individual liberty, and who created in America the first government and society on earth informed by those beliefs. This book is essential to understanding the continuing debate over the role of religion and political power in modern life.

The Wordy Book Schwartz & Wade

A picture of some phases of life in the early days of the Massachusetts Bay Colony is presented in the following pages. It follows many of the every day happenings, the manners and customs of daily life. Few realize how modern are the furnishings and comforts of our present-day houses and how different was the home life of our ancestors. Chairs were unknown in ordinary English households until a generation or so before the sailing of the Mayflower. Hats were worn at meals and the use of table forks did not become general until the last of the 1600s. Food was placed in the mouth with the knife or the fingers. This is a collection of source materials, somewhat digested, rather than a comprehensive, well-balanced narrative of daily life in the Colony. Contents: Every Day Life in the Massachusetts Bay Colony The Voyage To Massachusetts Their Early Shelters and Later Dwellings How They Furnished Their Houses Counterpanes and Coverlets Concerning Their Apparel Pewter in the Early Days The Farmhouse and the Farmer Manners and Customs Sports and Games Trades and Manufactures Concerning Shipping and Trade From Wampum To Paper Money Herb Tea and the Doctor Crimes and Punishments Love Goes to Buildings on Fire Penguin

Chronicles five epochal years of music in the Big Apple against a backdrop of the period's high crime, limited government resources and low rents, tracing the formations of key sounds while evaluating the contributions of such artists as Willie Colón, Bruce Springsteen and Grandmaster Flash.

Behind Enemy Lines The Wordy Shipmates

From the bestselling author of *Assassination Vacation* and *The Partly Cloudy Patriot*, an insightful and unconventional account of George Washington's trusted officer and friend, that swashbuckling teenage French aristocrat the Marquis de Lafayette. Chronicling General Lafayette's years in Washington's army, Vowell reflects on the ideals of the American Revolution versus the reality of the Revolutionary War. Riding shotgun with Lafayette, Vowell swerves from the high-minded debates of Independence Hall to the frozen wasteland of Valley Forge, from bloody battlefields to the Palace of Versailles, bumping into John Adams, Thomas Jefferson, Lord Cornwallis, Benjamin Franklin, Marie Antoinette and various kings, Quakers and redcoats along the way. Drawn to the patriots' war out of a lust for glory, Enlightenment ideas and the traditional French hatred for the British, young Lafayette crossed the Atlantic expecting to join forces with an undivided people, encountering instead fault lines between the Continental Congress and the Continental Army, rebel and loyalist inhabitants, and a conspiracy to fire George Washington, the one man holding together the rickety, seemingly doomed patriot cause. While Vowell's yarn is full of the bickering and infighting that marks the American past—and present—her telling of the Revolution is just as much a story of friendship: between Washington and Lafayette, between the Americans and their French allies and, most of all between Lafayette and the American people.

Coinciding with one of the most contentious presidential elections in American history, Vowell lingers over the elderly Lafayette's sentimental return tour of America in 1824, when three fourths of the population of New York City turned out to welcome him ashore. As a Frenchman and the last surviving general of the Continental Army, Lafayette belonged to neither North nor South, to no political party or faction. He was a walking, talking reminder of the sacrifices and bravery of the revolutionary generation and what the founders hoped this country could be. His return was not just a reunion with his beloved Americans it was a reunion for Americans with their own astonishing, singular past. Vowell's narrative look at our somewhat united states is humorous, irreverent and wholly original.

The Wordy Shipmates Penguin

To this day, America views itself as a Puritan nation, but author Vowell investigates what that means—and what it should mean. What was this great political enterprise all about? Who were these people who are considered the philosophical, spiritual, and moral ancestors of our nation? What Vowell discovers is something far different from what their uptight shoe-buckles-and-corn reputation might suggest. The people she finds are highly literate, deeply principled, and surprisingly feisty. Their story is filled with pamphlet feuds, witty courtroom dramas, and bloody vengeance.--From publisher description.

In search of a good book? Browne provides rich leads and much wit. Go, shop, read!

The Winthrop Woman Bloomsbury Publishing USA

Most people have heard of Susan B. Anthony, Harriet Tubman, Margaret Sanger, and Eleanor Roosevelt. But did you know that a female microbiologist discovered the bacterium responsible for undulant fever, which then led to the pasteurization of milk? Or that a female mathematician's work laid the foundation for abstract algebra? Her Story is a one-of-a-kind illustrated timeline highlighting the awesome, varied, and often unrecognized contributions of American women throughout U.S. history, beginning in the 1500s and spanning all the way through 2011. The women featured in Her Story range from writers, artists, actors, and athletes to doctors, scientists, social and political activists, educators, and inventors, and come from all backgrounds and philosophies. Her Story is a captivating look at America's often unsung female champions that will resonate with women and men alike.

Lafayette in the Somewhat United States Macmillan

From the bestselling author of *Katherine*, this is the richly detailed story of Elizabeth Winthrop and her struggle against hardship and adversity in the new American colonies of the 17th Century. 'A rich and panoramic narrative full of gusto, sentimentality and compassion' (Times Literary Supplement) In 1631 Elizabeth Winthrop, newly widowed with an infant daughter, set sail for the New World. Against this background of rigidity and conformity she dared to befriend Anne Hutchinson at the moment of her banishment from the Massachusetts Bay Colony; dared to challenge a determined army captain bent on the massacre of her friends the Siwanoy Indians; and, above all, dared to love a man as her heart and her whole being commanded. And so, as a response to this almost unmatched courage and vitality, Governor John Winthrop came to refer to this woman in the historical records of the time as his unregenerate niece. Anya Seton's riveting historical novel portrays the fortitude, humiliation, and ultimate triumph of the Winthrop woman, who believed in a concept of happiness transcending that of her own day.

A Wolf at the Table Random House Trade Paperbacks

Biography of the colonial leader.

Roger Williams and the Creation of the American Soul Harper Collins

Break-in at the Three Bears family home? It could only be one dame. Wicked witch gone missing from her candied cottage? Hansel and Gretel claim it was self-defense. Did Humpty Dumpty really just fall off that wall, or was he pushed? Here are five fairy-tale stories with a twist, all told from the point of view of a streetwise police officer called Binky, who just happens to be a toad in a suit and a fedora. When Snow White doesn't make it to the beauty pageant, Officer Binky is the first to find the apple core lying by her bed. When an awful giant mysteriously crashes to the ground, upsetting the whole town, Binky discovers exactly who is responsible. Author David Levithal and illustrator John Nickle retell these classic stories in the style of a 1940s noir detective novel—for kids!

The Wordy ShipmatesPenguin

Every Day Life in the Massachusetts Bay Colony Paul Dry Books

From the author of *Lafayette in the Somewhat United States*, an examination of Hawaii, the place where Manifest Destiny got a sunburn. Many think of 1776 as the defining year of American history, when we became a nation devoted to the pursuit of happiness through self-government. In *Unfamiliar Fishes*, Sarah Vowell argues that 1898 might be a year just as defining, when, in an orgy of imperialism, the United States annexed Hawaii, Puerto Rico, and Guam, and invaded first Cuba, then the Philippines, becoming an international superpower practically overnight. Among the developments in these outposts of 1898, Vowell considers the Americanization of Hawaii the most intriguing. From the arrival of New England missionaries in 1820, their goal to Christianize the local heathen, to the coup d'état of the missionaries' sons in 1893, which overthrew the Hawaiian queen, the events leading up to American annexation feature a cast of beguiling, and often appealing or tragic, characters: whalers who fired cannons at the Bible-thumpers denying them their God-given right to whores, an incestuous princess pulled between her new god and her brother-husband, sugar barons, lepers, con men, Theodore Roosevelt, and the last Hawaiian queen, a songwriter whose sentimental ode "Aloha 'Oe" serenaded the first Hawaiian president of the United States during his 2009 inaugural parade. With her trademark smart-alecky insights and reporting, Vowell lights out to discover the off, emblematic, and exceptional history of the fiftieth state, and in so doing finds America, warts and all.

The Puritan Dilemma Simon and Schuster

A collection of essays and autobiographical stories in which the author offers her humorous take on identity, politics, religion, art, history, and other topics.

The Chinese in America Anchor

"Splendid. . . This is among the finest films ever made about American politics."—The New York Times "A brilliant, brawling epic. . . Screenwriter Tony Kushner blows the dust off history by investing it with flesh, blood, and churning purpose. . . A great American movie."?Rolling Stone A decade-long collaboration between three-time Academy Award winner Steven Spielberg and Pulitzer Prize winner Tony Kushner, the Academy Award-nominated screenplay of *Lincoln* is a revealing drama that focuses on the sixteenth president's tumultuous final months in office. Having just won re-election in a country divided, Abraham Lincoln pursues a course of action designed to end the war, unite the country, and abolish slavery. With the moral courage and fierce determination to succeed, his choices during this critical moment will change the fate of America and generations to come. Containing eight pages of color photos from the film and based in part on Doris Kearns Goodwin's critically acclaimed *Team of Rivals: The Political Genius of Abraham Lincoln*, *Lincoln* is now a major motion picture by DreamWorks starring three-time Academy Award winner Daniel Day-Lewis. Tony Kushner's plays include *Angels in America*, *Parts One and Two*; *A Bright Room Called Day*; *Slavs!*; *Homebody/Kabul*; *Caroline, or Change*, a musical with composer Jeanine Tesori; and *The Intelligent Homosexual's Guide*

to Capitalism and Socialism with a Key to the Scriptures. He wrote the screenplays for Mike Nichols's film of Angels in America and for Steven Spielberg's Munich. Kushner is the recipient of a Pulitzer Prize, two Tony Awards, three Obie Awards, two Evening Standard Awards, an Olivier Award, an Emmy Award, and two Oscar nominations, among other honors. In 2008 he was the first recipient of the Steinberg Distinguished Playwright Award.

The Sorcerer's Apprentices St. Martin's Press

In this eye-opening companion volume to her acclaimed history *Founding Mothers*, number-one New York Times bestselling author and renowned political commentator Cokie Roberts brings to life the extraordinary accomplishments of women who laid the groundwork for a better society. Recounted with insight and humor, and drawing on personal correspondence, private journals, and other primary sources, many of them previously unpublished, here are the fascinating and inspiring true stories of first ladies and freethinkers, educators and explorers. Featuring an exceptional group of women—including Abigail Adams, Dolley Madison, Rebecca Gratz, Louise Livingston, Sacagawea, and others—*Ladies of Liberty* sheds new light on the generation of heroines, reformers, and visionaries who helped shape our nation, finally giving these extraordinary ladies the recognition they so greatly deserve.

State by State Simon and Schuster

An irreverent analysis of late-nineteenth-century imperialism in the United States focuses on the annexation of Hawaii as a defining historical milestone, covering such contributing factors as the missionary overthrow of the Hawaiian monarchy and the activities of whaling fleets.
