God's Way, Not Ours Grove/Atlantic, Inc.  
A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The

Screwtape Letters, The Great Divorce, The Chronicles Children's Book Routledge

of Narnia, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Not Ours Alone Xulon Press

These classic expositions of Isaiah 1 summarize the prophet's entire message and God's way of salvation.

God's Clouds & Umbrellas: A Christian

When Winston Churchill was a boy of sixteen, he already had a vision for his purpose in life. “ This country will be subjected somehow to a tremendous invasion . . . I shall be in command of the defences of London . . . it will fall to me to save the Capital, to save the Empire. ” It was a most unlikely prediction. Perceived as a failure for much of his life, Churchill was the last person anyone would have expected to rise to national prominence as prime minister and influence the fate of the world during World War II. But Churchill persevered, on a mission to achieve his purpose. God and Churchill tells the remarkable story of how one man, armed with belief in his

---

divine destiny, embarked on a course to save Christian civilization when Adolf Hitler and the forces of evil stood opposed. It traces the personal, political, and spiritual path of one of history's greatest leaders and offers hope for our own violent and troubled times. More than a spiritual biography, *God and Churchill* is also a deeply personal quest. Written by Jonathan Sandys (Churchill's great-grandson) and former White House staffer Wallace Henley, *God and Churchill* explores Sandys' intense search to discover his great-grandfather—and how it changed his own destiny forever.

*The World's Great Masterpieces*  
The Church of Jesus Christ of Latter-day Saints

The present volume is the fifth in a five-volume study of church doctrine. The multivolume set covers the major parts of church doctrine: Canon, God, Creation, Reconciliation, and Redemption. The first volume begins with an introduction to the entire project on why doctrine matters, which stresses the ecumenical, global, and above all biblical horizons of church doctrine as a primary expression of Christian witness. The purpose of this fifth volume is to explicate the full reality of God's redeeming love for the whole

creation. In the doctrine of redemption, the church looks forward in hope. Through the gift of the Spirit at Pentecost the church is gathered out of all nations and peoples of the earth, and looks forward to the coming day of final redemption for the whole cosmos. Yet even now, the promise of God's coming is active in the world, rendering the church into a new humanity, establishing a new society, calling every individual to a new life of joy in discipleship. Church doctrine is not a luxury, but a necessity for the living community of faith, by which its witness in word and deed is tested against the one true measure of Christ the risen Lord.

The World's Progress Wipf and Stock Publishers

The everyman/everywoman's guide to the meaning of life.

Musician and teacher Jon Earnshaw examines the major questions of life and whether the Christian faith is able to provide answers which are relevant today. As a result of being expensively educated but badly taught in his chosen career he began to reflect on how seriously he had been let

down by society. His many heated arguments with church leaders also convinced him that something was seriously wrong with Christianity. Money, selfishness and power appeared to corrupt both secular and sacred in equal measure.

Embarking on a writing project which was to span over 10 years he began to examine the inconsistencies and contradictions in the Bible and the false teachings and pointless practices in Christianity. If you believe anything at all about God or religion then be prepared for a few surprises - most of what you already believe is not the full Bible truth. If you don't believe anything about God then this book will be interesting to say the least - for example, God exists because He Is Absolutely Obligated To. So is it a theology book, a spirituality book or a lifestyle book? It could be any of those things. I don't preach to my readers; I

---

present the case for and against God in clear understandable language and leave it up to you. I look at - The Sinking Titanic of Planet Earth, The Descent of Man, The Misunderstood God, The End of The World, Does God Exist? Is God Cruel? The Impossibility of Faith, The Popular View Of Hell Is A Delusion, What Your Alpha-Class-Focus-Group-Outreach-Leader-Church-Pastor Will Never Tell You, The Earth is Not Ours, How Science is Nearer Religion Than You Think. And a few more. I hope that this will be a life-changing book for all readers. I also hope that it will at least make you think; the way that you think could change the future of the earth and the humans on it long after I have gone.

*Between Their World and Ours* eBook Partnership  
Give to the Church a clear and concise overview of the importance of focusing on Jesus, our Lord and Savior at all different seasons throughout the Christian life

after being saved; give a background information based on the Word of God to help the Church grow and experience the power of the Name of Jesus in every detail of life. Encourage fellow Christians in understanding that God's Will must be considered as the result of our prayers in spite of our expectation for God's ways are not ours. The church being the light of the world, has a tremendous mission that requires us to keep our eyes fixed on Jesus to prevent the fall so easily introduced by a little bit of distraction encountered in this world. Jesus is coming back and is looking for a Church ready, that loves Him, serves Him, and worship Him in truth. Finally, I wanted to bring my contribution into the kingdom of God. Many times, people read the Bible but don't know the meaning or how to find the meaning. This book helps you to understand that the Bible is God speaking to you personally and directly; and helps you to focus on His revelation through the Holy Spirit in your own experience when you read His Word and pray. Born in Kinshasa, in Democratique

Republic of Congo; Doctor of Medicine from the University of Kinshasa, Clinical Research Professional; first of my family; a mother; Born again Christian, serve in different Ministries as an Intercessor and worship singer, served in women, youth, and children ministries; served as usher in one of the local Christian churches. Long life learner, reader, and piano player. Like tennis as sport decided to write and share my Christian life experience with God to help others on how to keep eyes fixed on Jesus because sometimes challenges balance our Christian's life, but learning to keep our eyes fixed on Jesus is a game change in dealing with this life on earth; thus the book is open to Christians and non-Christians as well. Lives in North Carolina.

When the World Was Ours Baker Books

Coming up with fresh, meaningful worship material each Sunday that illuminates scripture and preaching themes is a pressure-filled responsibility. That's why busy

---

pastors and worship leaders will love this all-new edition of a perennial CSS favorite. It's an easy-to-use reference offering several prayers relating to each week's assigned scriptural passages in Cycle B of the Revised Common Lectionary. For each First Lesson, Second Lesson, and Gospel text there's a call to worship, a collect, a prayer of confession, and suggested hymns. Supplemental material includes alternate verses for several familiar hymns, as well as an anointing service, a communion and footwashing service, and a lamentation service for the anniversary of 9/11. This complete collection offers a wide selection of practical aids for creating sincerely reverent, thematically unified worship experiences in which hymns, prayers, and scripture all work together to dance in and around God's Word.

The Four Loves Multnomah

Why should Christians care about

animals? Is there a biblical basis for abstaining from eating animals? Is avoiding companies that use (and misuse) animals a viable way for Christians to better live out the message of God? In *Animals Are Not Ours*, Sarah Withrow King makes the argument that care for all of creation is no "far-fetched" idea that only radical people would consider, but rather a faithful witness of the peaceful kingdom God desires and Jesus modeled. This includes all living and breathing creatures that share this earth with us. King uses her decade-plus experience as a vegan, her seminary education, her evangelical Christian faith, and her years working with PETA to call Christians to examine how we treat and view the nonhuman animals with whom we share a finite planet.

**Holy Bible** Wipf and Stock Publishers

Travel the world, change lives, save souls. (Note: Results not typical.) A young idealist heeds the call to

radical obedience, gives away all of his belongings and shaking off the fetters of a complacent life, travels halfway around the world. There he discovers, among the poor and the fatherless of West Africa, that he has only surrendered to a new kind of captivity. There is no doubt that young people today are fully invested in social and human rights issues. They start their own nonprofits, they run their own charities, they raise money for worthy causes. Books on saving the world abound, topping the bestsellers' lists, fueling the drive to prove not only commitment to the world but devotion to God. Now there is a new crop of books starting to emerge, detailing the consequences of trying to save a world that is not ours to save. But none of these books tell the story

---

that Runaway Radical tells; this is the first book to highlight the painful personal consequences of the new radicalism, documenting in heartbreaking detail what happens when a young person becomes entrapped instead of liberated by its call. His radical resolve now shaken, he returns home to rebuild his life and his faith. Runaway Radical serves as an important and cautionary tale for all who lead and participate in compassion activism, in the art of doing good—both overseas and at home—amidst this new culture of radical Christian service. The World Is Not Ours to Save Baker Books  
A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit

of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. Messiah Pulpit ReadHowYouWant  
An uplifting work that will inspire children to share their God-given gifts with the world. Using clouds and umbrellas as metaphors for the changes that occur in life, the author reassures the reader that all things work out for the good through God's protection. This book is great for shy children, children with a talent, or for children learning the Christian walk. Not Ours Alone Wipf and Stock Publishers  
Two years after earning a

business degree with honors from the University of Colorado, Trent Newcomer decides to abandon his corporate job, sell his car, and travel around the globe with nothing more than what he can fit in a small backpack. His goal is simple: experience all that the world has to offer so he can then be satisfied with settling down to a normal life. Over the next year and a half, the adventures that find Newcomer and the people he encounters teach him more about the world and his own place in it than he could have ever imagined. From having a gun pulled on him in Vietnam and being jumped by a gang of men while trying to change money on Kenya's black market to experiencing more near-death bus rides than he can count, Newcomer soon discovers that the journey itself is much more meaningful than checking items off a to-do list. Part travelogue and part memoir, The Call of the World is a candid

---

and insightful account of the challenges and joys of backpacking solo around the globe, as well as one young man's journey of personal discovery. *The Call of the World* has been recognized as a Medalist (Travel Essay) in the 2009 Independent Publisher Book Awards, as well as a Finalist (Travel/Travel Guide) in the 2009 Next Generation Indie Book Awards.

*Fraser's Magazine* Lulu.com Interdisciplinary artist and writer Coco Fusco is one of North America's leading interpreters of intercultural theory and practice. This volume gathers together her finest writings since 1995 and includes critical essays by Jean Fisher and Caroline Vercoe that interpret her work. Engaging and provocative, these essays, interviews, performance scripts and fotonovelas take readers on a tour of our

current multicultural landscape. Fusco explores such issues as sex tourism in Cuba as a barometer of the island's entry into the global economy, Frantz Fanon's theorization of metropolitan blackness, and artistic and net activist responses to the effects of free trade on the Mexican populace. She interviews such postcolonial personae as Isaac Julien, Hilton Als and Tracey Moffatt. Approaching the dynamics of cultural fusion from many angles, Fusco's satires, commentaries, and sociological inquiries collapse boundaries, and form a sustained meditation on how the forces of globalization impact upon the making of art.

*Animals Are Not Ours (No, Really, They're Not)* Simon and Schuster

*Laudato Si'* 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours. *Library of the World's Best Literature: A-Z* NavPress Daily news of systemic injustice has caused activist rhetoric to balloon. Tyler Wigg - Stevenson hopes to slow this trend, suggesting that our complex global situation is forcing us to see our limits as world - changers. He calls Christians to leave aside the heady pursuit of causes and take their rightful place as standard - bearers of God's peace.

## Letter Books

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based

answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Subversive Sabbath Thomas Nelson  
Contains text of sermons delivered by M.J. Savage and others in New York City.

**Runaway Radical** Le vie della Cristianità  
Elizabeth Ferry explores how members of the Santa Fe Cooperative, a silver mine in Mexico, give meaning to their labor in an era of rampant globalization. She analyzes the cooperative's practices and the importance of patrimonio (patrimony) in their understanding of work, tradition, and community. More specifically, she argues that patrimonio, a belief that certain resources are inalienable possessions of a local collective passed down to

subsequent generations, has shaped and sustained the cooperative's sense of identity.

**God and The Twelve Problems of Evil** St. Martin's Press

We live in a 24/7 culture of endless productivity, workaholism, distraction, burnout, and anxiety—a way of life to which we've sadly grown accustomed. This tired system of "life" ultimately destroys our souls, our bodies, our relationships, our society, and the rest of God's creation. The whole world grows exhausted because humanity has forgotten to enter into God's rest. This book pioneers a creative path to an alternative way of existing. Combining creative storytelling, pastoral sensitivity, practical insight, and relevant academic research, Subversive Sabbath offers a unique invitation to personal Sabbath-keeping that leads to fuller and more joyful lives. A. J. Swoboda demonstrates that

---

Sabbath is both a spiritual discipline and a form of social justice, connects Sabbath-keeping to local communities, and explains how God may actually do more when we do less. He shows that the biblical practice of Sabbath-keeping is God's plan for the restoration and healing of all creation. The book includes a foreword by Matthew Sleeth.

**Gospel Principles** InterVarsity Press

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.
