A fantasy masterpiece from a five-time Hugo Award winner! A war-dragon of Babel crashes in the idyllic fields of a post-industrialized Faerie and, dragging himself into the nearest village, declares himself king and makes young Will his lieutenant. Nightly, he crawls inside the young fey's brain to get a measure of what his subjects think. Forced out of his village, Will travels with female centaur soldiers, witnesses the violent clash of giants, and acquires a surrogate daughter, Esme, who has no knowledge of the past and may be immortal. Evacuated to the Tower of Babel -- infinitely high, infinitely vulgar, very much like New York City -- Will meets the confidence trickster Nat Whilk. Inside the Dread Tower, Will becomes a hero to the homeless living in the tunnels under the city, rises as an underling to a politician, and meets his one true love—a high-elven woman he dare not aspire to. You've heard of hard SF: This is hard fantasy from a master of the form. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The classic epic trilogy of parallel worlds, admired by Tolkien and the great prototype for The Lord of the Rings and modern fantasy fiction. Also includes The Worm Ouroboros.
The Worm Ouroboros Createspace Independent Publishing Platform
This is the book that shaped the landscape of contemporary science fiction and fantasy. When The Lord of the Rings first appeared, the critics inevitably compared it to this landmark work. Tolkien himself frankly acknowledged its influence, with warm praise for its imaginative appeal. The story of a remote planet's great war between two kingdoms, it ranks as the Iliad of heroic fantasy. In the best traditions of Homeric epics, Norse sagas, and Arthurian myths, author E. R. Eddison weaves a compelling adventure, with a majestic, Shakespearean narrative style. His sweeping tale recounts battles between warriors and witches on fog-shrouded mountaintops and in the ocean's depths-along with romantic interludes, backroom intrigues, and episodes of direst treachery.We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

A whirlwind romance between an eccentric archivist and a grieving widow explores what it means to be at home in your own body in this clever, humorous, and heartfelt novel. When archivist Sol meets Elsie, the larger than life widow of a moderately famous television writer who's come to donate her wife's papers, there's an instant spark. But Sol has a secret: he suffers from an illness called vampirism, and hides from the sun by living in his basement office. On their way to falling in love, the two traverse grief, delve into the Internet fandom they once unknowingly shared, and navigate the realities of transphobia and the stigmas of carrying the "vampire disease." Then, when strange things start happening at the collection, Sol must embrace even more of the unknown to save himself and his job. DEAD COLLECTIONS is a wry novel full of heart and empathy, that celebrates the journey, the difficulties and joys, in finding love and comfort within our own bodies.

Tim and his friends find out the hard way that you shouldn't question the game master, and you shouldn't make fun of his cape. One minute, they're drinking away the dreariness of their lives, escaping into a fantasy game and laughing their asses off. The next minute, they're in a horse-drawn cart surrounded by soldiers pointing crossbows at them. Tim now has the voice and physique of a prepubescent girl. Dave finds that while he lost a foot or two in height, he somehow acquired a suit of armor and a badass beard. Julian's ears have grown ridiculously long and pointy. And Cooper... well Cooper has gotten himself a set of tusks, a pair

of clawed hands, and a bad case of the shits. He also finds that he's carrying a bag with a human head in it - a head that he had chopped off when they were still just playing a game. Shit just got real, and if they want to survive, these four friends are going to have to tap into some baser instincts they didn't even know existed in their fast-food and pizza delivery world. It's fight, flight, or try to convince the people who are trying to kill them that they don't really exist. Meanwhile, a sadistic game master sits back in the real world eating their fried chicken.

TOLKIEN'S BOOKSHELF #7: THE DRAGON OUROBOROS 'The Dragon Ouroboros' was first published in 1933 under the title 'The Worm Ouroboros'. J.R.R. Tolkien read the story, and praised it in print, writing in a letter that he enjoyed Eddison's books 'for their sheer literary merit'. Eddison, he stated, was 'the greatest and most convincing writer of "invented worlds"' he had ever read. Tolkien's close friend and confidante C.S. Lewis was also an admirer, opining that 'no writer can be said to remind us of Eddison'. This heroic high fantasy novel is often compared with Tolkien's 'The Lord of the Rings', which was written many years later. Readers will swiftly become accustomed to Eddison's archaic language and find themselves swept away by the imagery, which is frequently beautiful. It is easy to see why Tolkien was impressed with Eddison's unusual, sprawling and imaginative work, a literary predecessor to The Lord of the Rings.

The Worm Ouroboros is a heroic fantasy novel by E. R. Eddison, first published in 1922. Inspired by and reminiscent of Norse sagas, the book describes the protracted war between the domineering King Gorice of Witchland and the Lords of Demonland. The novel's events are set in an imaginary world that appears mainly medieval—an excellent read for fans of Tolkien and Robin Hood stories.

The Castle of Wolfenbach Belgariad

Long-listed for the 2014 National Book Award in fiction Winner of the 2015 Alex Award for adult books with special appeal for young adults Beautifully written and unexpectedly moving, John Darnielle's audacious and gripping debut novel Wolf in White Van is a marvel of storytelling brio and genuine literary delicacy. Welcome to Trace Italian, a game of strategy and survival! You may now make your first move. Isolated by a disfiguring injury since the age of seventeen, Sean Phillips crafts imaginary worlds for strangers to play in. From his small apartment in southern California, he orchestrates fantastic adventures where possibilities, both dark and bright, open in the boundaries between the real and the imagined. As the creator of Trace Italian—a text-based, role-playing game played through the mail—Sean guides players from around the world through his intricately imagined terrain, which they navigate and explore, turn by turn, seeking sanctuary in a ravaged, savage future America. Lance and Carrie are high school students from Florida, explorers of the Trace. But when they take their play into the real world, disaster strikes, and Sean is called to account for it. In the process, he is pulled back through time, tunneling toward the moment of his own self-inflicted departure from the world in which most people live. Brilliantly constructed, Wolf in White Van unfolds in reverse until we arrive at both the beginning and the climax: the event that has shaped so much of Sean's life.

The Worm Ouroboros Lulu.com

C. S. Lewis is the 20th century's most widely read Christian writer and J.R.R. Tolkien its most beloved mythmaker. For three decades, they and their closest associates formed a literary club known as the Inklings, which met every week in Lewis's Oxford rooms and in nearby pubs. They discussed literature, religion, and ideas; read aloud from works in progress; took philosophical rambles in woods and fields; gave one another companionship and criticism; and, in the process, rewrote the cultural history of modern times. In The Fellowship, Philip and Carol Zaleski offer the first complete rendering of the Inklings' lives and works. The result is an extraordinary account of the ideas, affections and vexations that drove the group's most significant members. C. S. Lewis accepts Jesus Christ while riding in the sidecar of his brother's motorcycle, maps the medieval and Renaissance mind, becomes a world-famous evangelist and moral satirist, and creates new forms of religiously attuned fiction while wrestling with personal crises. J.R.R. Tolkien transmutes an invented mythology into gripping story in The Lord of the Rings, while conducting groundbreaking Old English scholarship and elucidating, for family and friends, the Catholic teachings at the heart of his vision. Owen Barfield, a philosopher for whom language is the key to all mysteries, becomes Lewis's favorite sparring partner, and, for a time, Saul Bellow's chosen guru. And Charles Williams, poet, author of "supernatural shockers," and strange acolyte of romantic love, turns his everyday life into a mystical pageant. Romantics who scorned rebellion, fantasists who prized reality, wartime writers who believed in hope, Christians with cosmic reach, the

Inklings sought to revitalize literature and faith in the twentieth century's darkest years-and did so in dazzling style.

When J.R.R. Tolkiens The Lord of the Rings was published, reviewers saw that there was only one book with which it could legitimately be compared: E.R. Eddison's classic fantasy adventure The Worm Ouroboros. Set on a distant planet of spectacular beauty and peopled by Lords and Kings, mighty warriors and raven-haired temptresses, Eddison's extravagant story, of a great war for total domination, is an unforgettable work of splendour.
