Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In Universal Versus Disney, his newest work to

investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennaway has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy.

An inspirational and practical book for experiencing the wild wonder of our amazing planet. There are bucket lists featuring comfort and indulgence, like staying at the George V in Paris or eating at Eleven Madison Park in New York. There are "if I ever..." bucket lists, like being an extra in a movie or learning to sing. And then there are bucket lists for the brave, the daring and the dreamers who want to check off as many challenging adventures as they can. They want every minute of life to count. Ed Stafford's Ultimate Adventure Guide is for them. It presents Ed's hand-picked selection of exciting challenges for those who don't mind a bit of discomfort. Life's great adventures are theirs for the taking. There are 125 adventures among the following challenge categories: Frozen Water - Dive under, swim through and walk over frozen water. With a Paddle - Canoe/kayak remote land and seascapes, the open sea and rugged coastlines. White Wilderness - Tackle vast wild places or strike out for a specific

target, such as a Pole. Heavenly Pursuits - Retreat into the world of monks; make one of the world's great pilgrimages. Drop Zone - Survive nerve-shredding parasailing, extreme skydiving and top of the world heli-skiing. Bicycle vs Mountain - Ride the Tour de France's iconic routes. Island Survival - Endure complete isolation on an island for a life-changing experience. Outrageous Marathons - Test body and mind with a long-distance ultra-running challenge. Head for the Heights - Get high with these vertical climbing challenges. Safari by Foot - Walking safaris around the world. Hell or Whitewater - Nature in its rawest form: whitewater rafting adventures set your pulse racing. Last Chance to See - See the animals we are driving to extinction, and help them too. From Source to Sea - Walk the entire length of a river. Stunning photography inspires, sketch maps show the way, and Ed's commentary throughout motivates the brave to set out on a life-changing adventure.

The author of more than 50 books—125 million copies in print—Clive Cussler is the current grandmaster of adventure literature. Dirk Pitt, the sea-loving protagonist of 22 of

Cussler's novels, remains among the most popular and influential adventure series heroes of the past half-century. This first critical review of Cussler's work features an overview of Pitt and the supporting characters and other heroes, an examination of Cussler's themes and influences, a review of his most important adventures, such as *Raise the Titanic!* and *Iceberg*, and a look at adaptations of his work in other media. Cussler joins the pantheon of such as Rudyard Kipling, Sir Arthur Conan Doyle and Ian Fleming, and this overdue volume demonstrates that beneath Cussler's immense popularity lies a literary depth that well merits scholarly attention.

The second you land in Istanbul two things hit you: how vast it is and how chaotic. The cauldron of noise builds in the morning with the first call to prayer. As the city springs to life, ferries and tankers weave their way across the Bosphorus Strait from Asia to Europe and traffic chokes the streets. Hundreds of fishermen line the Galata Bridge in search of their daily catch to sell in cafés nestled below,

while seagulls swoop and squall. At the end of the bridge, locals crush into the dark passageways at Eminönü's spice market and along the warrens of the Grand Bazaar for another day of haggling.

*Writing for Visual Media* looks at the fundamental problems a writer faces in learning to create content for media that is to be seen rather than read. It takes you from basic concepts to practice through a seven-step method that helps you identify a communications problem, think it through, and find a resolution before beginning to write. Through successive exercises, *Writing for Visual Media* helps you acquire the basic skills and confidence you need to write effective films, corporate and training videos, documentaries, web sites, PSAs, TV shows, nonlinear media, and other types of visual narratives. You'll explore your visual imagination and try out your powers of invention. The companion web site enriches the content of the printed book with video, audio, and sample scripts. It includes scripts and the video produced from them; visual demonstrations of concepts; and an interactive, illustrated glossary of terms and concepts. Please visit
