exclusive interviews with Superstars, Announcers and other WWE personalities and take a behind-the-scenes look at the demon of death valley's historic Wrestlemania streak.

WWE Undertaker Dorling Kindersley Ltd

"The Ugandan Giant" Kamala is a former WWE superstar wrestler who never spoke once during his 30 year wrestling career. Kamala wrestled in every major promotion in the world. Having wrestled the likes of Hulk Hogan, Andre The Giant, The Undertaker, Jake "The Snake" Roberts, and The Ultimate Warrior, readers from around the world will finally hear what he has to say. This book is a tell-all story of life, bouts with blatant racism, the gritty underbelly of professional wrestling and overcoming obstacles in and out of the ring. Despite diabetes claiming first his toes, his feet, and then both legs above the knees, this book is inspirational. It is not an angry/bitter tale told from someone

harping on missed opportunity. Kamala's story includes a great balance of behind-the-scenes stories including plenty of humor, while illustrating the tough and interesting man that James "Kamala" Harris actually is.

Sabu explains in his long-awaited autobiography how he always spoke louder with actions than words in the wrestling ring. First training with his legendary uncle The Sheik in the territorial days and after his big break in Japan, Sabu pioneered a new hardcore style in the 90s on American television. In his ECW debut, he immediately dazzled fans with an innovative arsenal that included breaking tables, leaping off chairs, and working a highly-acrobatic move-set into every match. Raising the bar, he truly changed what professional wrestlers do today. Read how his SCARS from barbwire, his SILENCE on the mic, and use of SUPERGLUE on bleeding brought him to every major promotion in the world including the WWE. Read about his battle with addiction, his stories on the road, and his crazy rockstar-like life - with forewords by RVD & Taz, and guest passages by Bill Alfonso, Tommy Dreamer, Raven, Al Snow, Mikey Whipwreck, Justin

Credible, Blue Meanie, Kevin Sullivan & more!

DK Reader Level 2: WWE John Cena Second Edition Eaglemoss Reviews "The most definitive, well written and thoroughly researched book on the rise and fall of WCW." --Eric Bischoff, former WCW President "This is - without question - the very best book ever written on professional wrestling." --Conrad Thompson "Well written and captivating...a fresh take on [the] time period." --Chris Harrington, AEW VP of Business Strategy "...may be the best overall pro wrestling

book to date." --David Bixenspan, Deadspin Synopsis In April 1999, Entertainment Weekly asked its readers what many were surely wondering to themselves: how did wrestling get so big? As a consequence of the heated ratings competition between World Championship Wrestling (WCW) and the World Wrestling Federation (WWF), the spectacle had taken over Monday nights on prime-time cable television. But in a departure from the family-friendly programming produced by the last industry boom - the 1980s wave, which made household names of Hulk Hogan, 'Rowdy' Roddy Piper and Andre the Giant - the new era of wrestling combined stunning athleticism with a raunchy sex appeal, engrossing story lines and novel production techniques that reflected a changing society and its shifting values. Once again, wrestling was a ubiquitous phenomenon - only this time, it seemed as though the fad would never end. With both WCW and WWF expanding into other forms of entertainment - movies, video games, music and the like - the potential for growth appeared to be limitless. But with uncertainty surrounding its corporate future, and increasingly uninspired programming eroding its audience, WCW stood on the verge of collapse. Three years into a five-year plan devised by its charismatic leader - a former Blue Ribbon Foods salesman named Eric Bischoff - the company whose unexpected ascension initiated the entire boom was operating on borrowed time. For by the end of the five-year plan, WCW ceased to exist. But NITRO is a story about much more than WCW and the Monday Night Wars. It is a story of an era, a time in which the media and cultural landscape precipitated - and later supported - pro wrestling's mainstream popularity. It is a story of how a company made in the image of an intuitively brilliant risk-taker betrayed its original promise. It is a story of how a handful of men, each struggling with their own limitations, facilitated a public obsession that changed television forever. And so, with the inside knowledge of a

journalist, the perspective of a historian, and the passion of a fan, author Guy Evans provides a fresh look at an unfortunate inevitability - the downfall of World Championship Wrestling. Bolstered by exclusive interviews with over 120 former TBS and WCW employees, NITRO is the definitive picture of the last wrestling boom. Featuring exclusive interviews and comments from: Eric Bischoff, fmr. President of World Championship Wrestling; Harvey Schiller, fmr. President of Turner Sports; Jamie Kellner, fmr. CEO of Turner Broadcasting System; Bill Burke, fmr. President of TBS network; Joe Uva, fmr. President of Turner Entertainment Sales and Marketing; Scot Safon, fmr. SVP of Marketing for TNT network; Kevin Nash, WWE Hall of Famer and 5-time WCW world champion; Diamond Dallas Page, WWE Hall of Famer and 3-time WCW world champion; Vince Russo, fmr. WCW writer; Marcus 'Buff' Bagwell, fmr. WCW superstar and 5-time world tag team champion; Kevin Sullivan, fmr. WCW superstar and head booker; Hugh Morrus, fmr. WCW superstar; Neal Pruitt, fmr. WCW Feature Producer and voice of the nWo; David Crockett, fmr. WCW Vice President of Production; Dick Cheatham, fmr. Group Controller for TBS; Alan Sharp, fmr. WCW Director of Public Relations; Mike Weber, fmr. WCW Director of Marketing; Rob Garner, fmr. WCW Vice President of TV Programming and Sales; Jerry Jarrett, legendary wrestling promoter and booker... And many, many, many more!

The WWE Championship Penguin

A breakthrough examination of the professional wrestling, its history, its fans, and its wider cultural impact The Squared Circle grows out of David Shoemaker's writing for Deadspin, where he started the column "Dead Wrestler of the Week" (which boasts more than 1 million page views)—a feature on the many wrestling superstars who died too young because of the abuse they subject

their bodies to—and his writing for Grantland, where he covers the pro wrestling world, and its place in the pop culture mainstream. Shoemaker's sportswriting has since struck a nerve with generations of wrestling fans who—like him—grew up worshipping a sport often derided as "fake" in the wider culture. To them, these professional wrestling superstars are not just heroes but an emotional outlet and the lens through which they learned to see the world. Starting in the early 1900s and exploring the path of pro wrestling in America through the present day, The Squared Circle is the first book to acknowledge both the sport's broader significance and wrestling fans' keen intellect and sense of irony. Divided into eras, each section offers a snapshot of the wrestling world, profiles some of the period's preeminent wrestlers, and the sport's influence on our broader culture. Through the brawling, bombast, and bloodletting, Shoemaker argues that pro wrestling can teach us about the nature of performance, audience, and, yes, art. Full of unknown history, humor, and self-deprecating reminiscence—but also offering a compelling look at the sport's rightful place in pop culture—The Squared Circle is the book that legions of wrestling fans have been waiting for. In it, Shoemaker teaches us to look past the spandex and body slams to see an art form that can explain the world.

Undertaker Simon & Schuster

Adam Copeland on Edge is more than an autobiography. It's what the author himself describes as "a mental picture" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with "a lot less materially than other people" in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the family tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination "to grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of

returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.

W. W. E. - John Cena DK Publishing (Dorling Kindersley)

WWE Championship Penguin

Suddenly it's over, and in the center of the ring, one man is victorious. The referee raises his hand, and from somewhere (you're not quite sure where because you're still cheering), the shining symbol of this momentous win appears. With the crowd still roaring, the winner stands alone in the ring and raises the championship belt high over his head. The lights shine off the WWE Championship title belt, and in that instant, the winner's life will be changed forever. For over half a century, Superstars have battled to win the WWE Championship. While the name may have changed, the prestige attached to the championship has exploded. That is due in no small part to the immortals of wrestling who have held this coveted title--Bruno Sammartino taking the title from the first holder, Buddy Rogers...the totally

unexpected win of "Superstar" Billy Graham...Hulk Hogan's win over the Iron Sheik, who had refused a payoff to injure Hogan...Andre the Giant's surrender of the title to Ted DiBiase...the newcomer win of the Undertaker...the commanding wrestling abilities of Bret Hart...Shawn Michaels's win in Montreal...the stunning victories of Stone Cold Steve Austin...the triumph of the People's Champion, The Rock...Triple H playing the game...the never-surrender attitude of John Cena. This is the chronicle of how the title that is now known as the WWE Championship became sports-entertainment's most coveted prize.
