Her day job is in central central London, at King's College London, where she runs a public management Masters programme; but she also presents programmes for BBC Radio (Radio 4) and writes widely for national newspapers and magazines. Her most recent book, The XX Factor, was 'born of a sudden realization.

[Professor Alison Wolf Baroness Wolf of Dulwich](#)

Nonetheless, The XX Factor does offer an overview of the historical shifts of women 's places in society, also considering the differing roles of rich and poor women. This means economic status hasn 't been ignored in The XX Factor , even if there 's an entire chapter dedicated to graduates, sex and their marital statuses, where Alison Wolf examined why so many graduates marry later or remain single.
