From the #1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister's Keeper*, *The Storyteller*, and more, comes a “complex, compassionate, and smart” (The Washington Post) novel about a family torn apart by a murder accusation. When your son can't look you in the eye...does that mean he's guilty? Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always

showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob's mother, it's a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? *House Rules* is “a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise” (People). What do an ex-con, a former drug addict, a real estate broker, a college student and a married mother of two have in common?

Nothing, or so I thought. Who would have imagined that God would make a prayer group as mismatched as ours the closest of friends? I almost didn't even go to the Chicago Women's Conference—after all, being thrown together with five hundred strangers wasn't exactly my "comfort zone." But something happened that weekend to make us realize we had to hang together, and the Yada Yada Prayer Group was born! When I faced the biggest crisis of my life, God used my newfound Sisters to show me what it means to be just a sinner saved by grace.

Assassins in the Cathedral Worthy Books

INSTANT NEW YORK TIMES BESTSELLER "Searing. Powerful. Needed." —Oprah "Sometimes a single story can change the world. Unbound is one of those stories.

Tarana's words are a testimony to liberation and love." —Brené Brown

From the founder and activist behind one of the largest movements of the twentieth and twenty-first centuries, the "me too" movement, Tarana Burke debuts a powerful memoir about her own journey to saying those two simple yet infinitely powerful words—me too—and how she brought empathy back to an entire generation in one of the largest cultural events in American history. Tarana didn't always have the courage to say "me too." As a child, she reeled from her sexual assault, believing she was responsible. Unable to confess what she thought of as her own sins for fear of shattering her family, her soul split in two. One side was the bright, intellectually curious third generation Bronxite steeped in Black literature and power, and the other was the bad, shame ridden girl who thought of herself as a vile rule breaker, not as a victim. She tucked one away, hidden behind a wall of pain and anger, which

seemed to work...until it didn't.

Tarana fought to reunite her fractured self, through organizing, pursuing justice, and finding community. In her debut memoir she shares her extensive work supporting and empowering Black and brown girls, and the devastating realization that to truly help these girls she needed to help that scared, ashamed child still in her soul. She needed to stop running and confront what had happened to her, for Heaven and Diamond and the countless other young Black women for whom she cared. They gave her the courage to embrace her power. A power which in turn she shared with the entire world. Through these young Black and brown women, Tarana found that we can only offer empathy to others if we first offer it to ourselves. Unbound is the story of an inimitable woman's inner strength and perseverance, all in pursuit of bringing healing to her community and the world around her, but it is also a story of possibility, of empathy, of power, and of the leader we all have inside ourselves. In sharing her path toward healing and saying "me too," Tarana reaches out a hand to help us all on our own journeys.

The music we listen to, the movies we watch—they're all telling us to keep chasing love, and that we'll finally be happy when we find it. But is love really all we need? The love that the world tells us to pursue is all about self, about following your heart ' s desires. But what is the Christian worldview on love? When we follow Jesus, we realize that he invites us to reorient the focus of our lives, so instead of chasing love primarily for our own happiness, we are first and foremost to give love—to God and to others. In *Chasing Love*, Sean McDowell will invite readers into Jesus ' radical, upside-down approach to love, and in doing so, he ' ll answer some of the toughest questions we ' re asking about love today: How does Jesus speak to singleness? What does the gospel say about LGBTQ issues? Can sexual sin truly be forgiven? What if I ' m not happy in my marriage?
