The Year of Living
Danishly Icon Books
Ltd
For anyone who's ever
pondered what
everyday life was like
during the time of
Jesus comes a lively
and illuminating
portrait of the nearly
unknown world of daily
life in first-century
Palestine. What was it
like to live during the
time of Jesus? Where
did people live? Who
did they marry? And
what was family life
like? How did people
survive? These are
just some of the
questions that Scott
Korb answers in this
engaging new book,
which explores what
everyday life entailed
two thousand years
ago in first-century

Palestine, that
tumultuous era when
the Roman Empire was
at its zenith and a new r
eligion-Christianity-was
born. Culling
information from
primary sources,
scholarly research, and
his own travels and
observations, Korb
explores the nitty-
gritty of real life back
then-from how people
fed, housed, and
groomed themselves to
how they kept
themselves healthy. He
guides the
contemporary reader
through the maze of
customs and traditions
that dictated life under
the numerous groups,
tribes, and peoples in
the eastern
Mediterranean that
Rome governed two

thousand years ago, and he illuminates the intriguing details of marriage, family life, health, and a host of other aspects of first-century life. The result is a book for everyone, from the armchair traveler to the amateur historian. With surprising revelations about politics and medicine, crime and personal hygiene, this book is smart and accessible popular history at its very best.

Can't Slow Down Thomas

Nelson Inc

The Year of Less In her late twenties, Cait Flanders found herself stuck in the consumerism cycle that grips so many of us: earn more, buy more, want more, rinse, repeat. Even after she worked her way out of

nearly \$30,000 of consumer debt, her old habits took hold again. When she realized that nothing she was doing or buying was making her happy—only keeping her from meeting her goals—she decided to set herself a challenge: she would not shop for an entire year. The Year of Less documents Cait's life for twelve months during which she bought only consumables: groceries, toiletries, gas for her car. Along the way, she challenged herself to consume less of many other things besides shopping. She decluttered her apartment and got rid of 70 percent of her belongings; learned how to fix things rather than throw them away; researched the

zero waste movement; and completed a television ban. At every stage, she learned that the less she consumed, the more fulfilled she felt. The challenge became a lifeline when, in the course of the year, Cait found herself in situations that turned her life upside down. In the face of hardship, she realized why she had always turned to shopping, alcohol, and food—and what it had cost her. Unable to reach for any of her usual vices, she changed habits she'd spent years perfecting and discovered what truly mattered to her. Blending Cait's compelling story with inspiring insight and practical guidance, *The Year of Less* will leave you questioning what you're holding on

to in your own life—and, quite possibly, lead you to find your own path of less.

The Year of Reading Dangerously Aster

In his new book, Stephen Levine, author of the perennial best-seller *Who Dies?*, teaches us how to live each moment, each hour, each day mindfully--as if it were all that was left. On his deathbed, Socrates exhorted his followers to practice dying as the highest form of wisdom. Levine decided to live this way himself for a whole year, and now he shares with us how such immediacy radically changes our view of the world and forces us to examine our priorities. Most of us go to extraordinary lengths to

ignore, laugh off, or deny the fact that we are going to die, but preparing for death is one of the most rational and rewarding acts of a lifetime. It is an exercise that gives us the opportunity to deal with unfinished business and enter into a new and vibrant relationship with life. Levine provides us with a year-long program of intensely practical strategies and powerful guided meditations to help with this work, so that whenever the ultimate moment does arrive for each of us, we will not feel that it has come too soon.

Black Like Me Vintage

An eBook boxed set that features the first three of A.J. Jacobs's riotous—and surprisingly informative—ventures into experiential journalism. The Know-It-All: Puzzle along with A.J. as he endeavors to read—and

retain—the entire encyclopedia, and discover what exactly it is he learns along the way. The Year of Living Biblically: Discover what life would be like in the 21st century if you lived precisely by the dictates of the Bible—the insights gained about religion might surprise you. My Life as an Experiment: Join A.J. on a roller-coaster tour of life as a human guinea pig: he explores both the perks and pitfalls of various undertakings in a series of charming essays, including those titled “ My Outsourced Life” and “My Life as a Beautiful Woman.”

Lead Like Jesus Penguin

Named a Best Book of the Year by The Washington Post, Time, NPR, Amazon, Vice, Bustle, The New York Times, The Guardian, Kirkus Reviews, Entertainment Weekly, The AV Club, & Audible A New York Times Bestseller “ One of the most compelling protagonists modern fiction has offered in years: a loopy, quietly furious pillhead whose Ambien ramblings and Xanax

b*tcheries somehow wend their way through sad and funny and strange toward something genuinely profound. ” — Entertainment Weekly

“ Darkly hilarious . . . [Moshfegh ’ s] the kind of provocateur who makes you laugh out loud while drawing blood. ” —Vogue

From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart,

and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? My Year of Rest and Relaxation is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers. The Know-It-All Harmony

THE YEAR 1000 is a vivid evocation of how English people lived a thousand years ago - no spinach,

sugar or Caesarean operations in which the mother had any chance of survival, but a world that knew brain surgeons, property developers and, yes, even the occasional group columnist. In the spirit of modern investigative journalism, Lacey and Danziger interviewed the leading historians and archaeologists in their field. In the year 1000 the changing seasons shaped a life that was, by our standards, both soothingly quiet and frighteningly hazardous - and if you survived, you could expect to grow to just about the same height and stature as anyone living today. This exuberant and informative book concludes as the shadow of the millennium descends across England and Christendom, with prophets

of doom invoking the spectre of the Anti-Christ. Here comes the abacus - the medieval calculating machine - along with bewildering new concepts like infinity and zero. These are portents of the future, and *THE YEAR 1000* finishes by examining the human and social ingredients that were to make for survival and success in the next thousand years. *A Year of Living Simply* Simon and Schuster It's the Chinese Year of the Dog, and as Pacy celebrates with her family, she finds out that this is the year she is supposed to "find herself." Universal themes of friendship, family, and finding one's passion in life make this novel appealing to readers of all backgrounds. This funny and profound book is a wonderful debut novel by a prolific picture book author

and illustrator and has all the makings of a classic.

The Year of Magical Thinking
Zondervan

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintry in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth

of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

The Year of Less Penguin

* NOW WITH A NEW CHAPTER * 'A hugely enjoyable romp through the pleasures and pitfalls of setting up home in a foreign land.' - Guardian Given the opportunity of a new life in rural Jutland, Helen Russell discovered a startling statistic: Denmark, land of long dark winters, cured herring, Lego and pastries, was the happiest place on earth. Keen to know their secrets, Helen gave herself a year to uncover the formula for Danish happiness.

From childcare, education, food and interior design to SAD and taxes, *The Year of Living Danishly* records a funny, poignant journey, showing us what the Danes get right, what they get wrong, and how we might all live a little more Danishly ourselves. In this new edition, six years on Helen reveals how her life and family have changed, and explores how Denmark, too – or her understanding of it – has shifted. It's a messy and flawed place, she concludes – but can still be a model for a better way of living.

Life as We Knew it She Writes Press

Benjamin Franklin was in his early twenties when he embarked on a "bold and arduous project of arriving at moral perfection," intending to master the virtues of temperance, silence, order, resolution, frugality, industry, sincerity, justice, moderation, cleanliness, tranquility, chastity, and humility. He soon gave up on perfection but continued to

believe that these virtues, coupled with a generous heart and a bemused acceptance of human frailty, laid the foundation for not only a good life but also a workable society. Writer and visual artist Teresa Jordan wondered if Franklin's perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness. She decided to try to live his list for a year, focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins.

The journal she kept became this collection of beautifully illustrated essays, weaving personal anecdotes with the views of theologians, philosophers, ethicists, evolutionary biologists, and a whole range of scholars and scientists within the emerging field of consciousness studies.

Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically.

[The Year of Living Like Jesus Catapult](#)

It's no wonder that The

Power of Now has sold over 16 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, "the eternal, ever-present One Life beyond the myriad forms of life that are

subject to birth and death." Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment. Living the Christian Year Simon and Schuster Learn how to lead like Jesus, whether in the home, the church, the community, or the marketplace; moving not only from success to significance but taking a step beyond significance--surrender. The Late Great Planet Earth Zondervan Bridget Jones ' s Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles another year in her life while she navigates the highs and lows of family, friendship, school, and love in a diary that sparkles with

humor and warmth. It ' s
Chloe Snow ' s sophomore
year of high school, and life
has only grown more
complicated. Last year,
Chloe was the star of the
musical. This year, after an
audition so disastrous she
runs off the stage in tears,
she ' s cast as a lowly
member of the ensemble.
Will she be able to make it
through the show knowing
everyone ' s either pitying
her or reveling in her
downfall? Chloe ' s best
friend, Hannah, is no help:
she ' s been sucked into the
orbit of Lex, the velvet-
gloved, iron-fisted ruler of
the sophomore class.
Chloe ' s dad is busy falling
in love with Miss Murphy,
and Chloe is no longer
speaking to her mother, who
is sending her increasingly
desperate and unhinged
emails from Mexico. As her

parents ' divorce
negotiations unravel, a
custody battle looms. If only
Chloe could talk to Grady
about it: his parents are
divorced, and he ' s easy to
talk to. Or he was, until he
declared his love for Chloe,
and she turned him down
because despite all her
rational brain cells she
can ' t seem to get over
Mac, and then Grady
promptly started going out
with Lex. As the
performance of the show
approaches, Chloe must find
a way to navigate all the
messy elements of her life
and make it through to the
end of the year.

A Year of Biblical
Womanhood Simon Pulse
Thirty short, yet powerful,
morning and evening
reflections offer
encouragement, hope, and
inspiration to people dealing

with a life-threatening illness, and to their family members and caretakers. Here are honest insights and personal stories from a pastor who continues his own journey with ALS (Lou Gehrigs disease). The Year of Living Constitutionally Crown
NEW YORK TIMES
BESTSELLER •
NATIONAL BOOK
AWARD WINNER • From one of America ' s iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was

put into an induced coma and placed on life support. Days later—the night before New Year ' s Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion ' s attempt to make sense of the “ weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself. Confessions of a High School Disaster Zondervan New York Times Bestseller.

With just the right mixture of humor and insight, compassion and incredulity, *A Year of Biblical Womanhood* is an exercise in scriptural exploration and spiritual contemplation. What does God truly expect of women, and is there really a prescription for biblical womanhood? Come along with Evans as she looks for answers in the rich heritage of biblical heroines, models of grace, and all-around women of valor. What is "biblical womanhood" . . . really? Strong-willed and independent, Rachel Held Evans couldn't sew a button on a blouse before she embarked on a radical life experiment--a year of biblical womanhood. Intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to

assume traditional gender roles in the home, Evans decides to try it for herself, vowing to take all of the Bible's instructions for women as literally as possible for a year. Pursuing a different virtue each month, Evans learns the hard way that her quest for biblical womanhood requires more than a "gentle and quiet spirit" (1 Peter 3:4). It means growing out her hair, making her own clothes, covering her head, obeying her husband, rising before dawn, abstaining from gossip, remaining silent in church, and even camping out in the front yard during her period. See what happens when a thoroughly modern woman starts referring to her husband as "master" and "praises him at the city gate" with a homemade sign. Learn the

insights she receives from an ongoing correspondence with an Orthodox Jewish woman, and find out what she discovers from her exchanges with a polygamist wife. Join her as she wrestles with difficult passages of scripture that portray misogyny and violence against women.

The Year of the Dog
Houghton Mifflin Harcourt
"Chloe Snow chronicles a year in her high school life, sharing the highs and lows of family, friendship, school, and love"--

The 100-Year Life
Hay House, Inc
What if it is death that teaches us how to truly live? Keeping the end in mind shapes how we live our lives in the here and now. Living life backward means taking the one thing in our future that is certain—death—and

letting that inform our journey before we get there. Looking to the book of Ecclesiastes for wisdom, Living Life Backward was written to shake up our expectations and priorities for what it means to live "the good life." Considering the reality of death helps us pay attention to our limitations as human beings and receive life as a wondrous gift from God—freeing us to live wisely, generously, and faithfully for God's glory and the good of his world.
