"It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard." —Rob Bell, *Jesus Wants To Save Christians* "Inspiring, insightful, sometimes infuriating, often funny, a little weird (like its author) and a must read for anyone wanting to become a serious follower of Jesus Christ" —Cal Thomas "Highly, highly recommended" —Brian McLaren Evangelical pastor Ed Dobson had a radical idea... "Live one year as Jesus lived. Eat as Jesus ate. Pray as Jesus prayed. Observe the sabbath as Jesus observed. Attend the Jewish festivals as Jesus attended. Read the Gospels every week." Dobson's transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers, and deepens his understanding of suffering. Living like Jesus is quite different from what we imagine. "It

Judith Hanson Lasater has been teaching an annual yoga retreat at Feathered Pipe Ranch, in Helena, Montana, for twenty-eight years. When Lasater learned that one of her students was collecting her thoughts—which she called "Judith's aphorisms"—Lasater decided to collect them in this book. Featuring one thought for each day of the year, along with a suggested practice, these brief, powerful insights reflect the author's knowledge of classic yoga philosophy and years of experience. Humorous, inspiring, and surprisingly down-to-earth, they guide seekers both on and off the yoga mat. These aphorisms address love, asana, fear, trust, expectations, pranayama, suffering, laughter, presence, the Yoga Sutra, and much more. They emphasize the experience of being present to one's self and to life's ups and downs—day by day, breath by breath, moment by moment. *A Year of Living Your Yoga* is a gentle

invitation to readers to know themselves on a deeper level.

The result is an engaging yet informative primer for today's volunteers, young and old, who are looking to make a meaningful contribution.

Is Catholicism more than giving up beer or chocolate for Lent? Even if it's good beer or great chocolate the answer is a resounding "yes!" In fact, we're called to have such faith that when others meet us they actually see Christ. But how do we do that in a world where Notre Dame means "football" and not Our Lady? By following the lead of so many before us... We have living examples of holy men and women who overcame the same types of temptations we face and shortcomings we all have, to become "huge, blinking neon signs that pointed to Jesus." And if they can do it so can we...with a little practice. Author,

Benjamin Franklin was in his early twenties when he embarked on a "bold and arduous project of arriving at moral perfection," intending to master the virtues of temperance, silence, order, resolution, frugality, industry, sincerity, justice, moderation, cleanliness, tranquility, chastity, and humility. He soon gave up on perfection but continued to believe that these virtues, coupled with a generous heart and a bemused acceptance of human

frailty, laid the foundation for not only a good life but also a workable society. Writer and visual artist Teresa Jordan wondered if Franklin's perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness. She decided to try to live his list for a year, focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins. The journal she kept became this collection of beautifully illustrated essays, weaving personal anecdotes with the views of theologians, philosophers, ethicists, evolutionary biologists, and a whole range of scholars and scientists within the emerging field of consciousness studies. Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically. **The Year of Living Like Jesus** NavPress Take a daily step toward joy and contentment and ditch stress, overwhelming thoughts, and boredom with encouraging and biblical messages from Alli Worthington.
