Comprehending as without difficulty as union even more than other will offer each success. neighboring to, the pronouncement as capably as sharpness of this The Year Of Miss Agnes Kirkpatrick Hill can be taken as skillfully as picked to act.

Charlotte Sometimes  
Random House  
A year they'll never  
forget Ten-year-old  
Frederika (Fred for  
short) doesn't have  
much faith that the  
new teacher in town  
will last very long.

---

After all, they never do. Most teachers who come to their one-room schoolhouse in remote, Alaska leave at the first smell of fish, claiming that life there is just too hard. But Miss Agnes is different -- she doesn't get frustrated with her students, and she throws away old textbooks and reads Robin Hood instead! For the first time, Fred and her classmates begin to enjoy their lessons and learn to read and write -- but will Miss Agnes be like

all the rest and leave as quickly as she came? The Last Watchman of Old Cairo Simon and Schuster  
It's the 1920s, and Bo was headed for an Alaska orphanage when she won the hearts of two tough gold miners who set out to raise her, enthusiastically helped by all the kind people of the nearby Eskimo village. Bo learns Eskimo along with English, helps in the cookshack, learns to polka, and rides along with Big Annie and her dog team. There's always some kind of

excitement: Bo sees her first airplane, has a run-in with a bear, and meets a mysterious lost little boy. Bo at Ballard Creek by Kirkpatrick Hill is an unforgettable story of a little girl growing up in the exhilarating time after the big Alaska gold rushes.

McElderry Books

The Education of Little Tree has been embedded in controversy since the revelation that the autobiographical story told by Forrest Carter was a complete fabrication. The touching novel, which has entranced readers since it was first published in 1976, has

---

since raised questions, many unanswered, about how this quaint and engaging tale of a young, orphaned boy could have been written by a man whose life was so overtly rooted in hatred. How can this story, now discovered to be fictitious, fill our hearts with so much emotion as we champion Little Tree's childhood lessons and future successes? The Education of Little Tree tells with poignant grace the story of a boy who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian Mountains of Tennessee during the Great Depression. "Little Tree," as his grandparents call him, is shown how to hunt and survive in the mountains and

taught to respect nature in the Cherokee Way—taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen, sharecroppers, Christians, and politicians. Each vignette, whether frightening, funny, heartwarming, or sad, teaches our protagonist about life, love, nature, work, friendship, and family. A classic of its era and an enduring book for all ages, The Education of Little Tree continues to share important lessons. Little Tree's story allows us to reflect on the past and look toward the future. It offers us an opportunity to ask ourselves what we have learned and where it will take us.

Winter Camp Zondervan Nominated for the 2019 Singapore Book Awards, Best Children's Picture Book In the 1800s, a girl named Agnes Joaquim was passionate about plants. She even learned to grow cool-weather European vegetables in the tropical heat of Singapore. As she grew up, she collected many prizes for her plants. One day, after many trials and difficulty, she created a brand-new orchid. She showed it to an orchid expert named Henry Ridley, who officially named the flower the Vanda Miss Joaquim. This is the story of how one

---

woman's ingenuity and determination created a flower that became world famous...and Singapore's National Flower in 1981. "Agnes and Her Amazing Orchid chronicles the remarkable journey of a brilliant horticulturist. An excellent introduction to our national flower, this wonderful book also provides a glimpse into the orchid breeding process. Singapore has a rich heritage in orchid cultivation, being one of the leading orchid hybridisation centres in the world. I hope this engaging story will inspire an interest in

horticulture and botany amongst our children." —Kenneth Er, CEO of National Parks Board "A remarkable story of Agnes Joaquim 's passion for horticulture, whose interest in breeding orchids led her to become the first woman to breed a hybrid orchid – Singapore 's national flower the Vanda Miss Joaquim. Her story inspires us all to pursue our dreams." —Rosa Daniel, Deputy Secretary (Culture) Ministry of Culture, Community and Youth *Toughboy and Sister* Clarion Books

Take one food writer named Cranky Agnes, add a hitman named Shane, mix them together with a Southern mob wedding and a missing necklace, and the result is a sexy, hilarious adventure. Martin's Press.

perspective for getting the most out of your kitchen! “An empowering, transformative, and slightly sassy guidebook.”—Jenna Fischer, actress, author, and producer/cohost of Office Ladies podcast You want your kitchen to be the heartbeat of the home, but you’re overwhelmed and out of breath trying to make it happen. Meals are on a never-ending loop, and you don’t have time to prepare dinner, much less enjoy it. Popular Lazy Genius expert and bestselling author Kendra Adachi is here to

help! Packed with proven Lazy Genius principles, the book will teach you to: • name what matters to you in the kitchen—whether that’s flavor, convenience, or something else entirely • feed your people with efficiency and ease • apply a simple, actionable five-step process—prioritize, essentialize, organize, personalize, and systemize—to multiple areas of your kitchen, empowering you to enjoy your kitchen the way you’ve always wanted You don’t need magical recipes, fancy gadgets, or

daunting lists to follow to the letter; you just need a framework that works whether you’re cooking for one or for twenty. Straightforward, strategic, soulful, and a little sassy, The Lazy Genius Kitchen will turn your hardest-working room into your favorite one, too. *Agnes Martin: Her Life and Art* Univ of North Carolina Press Ever since five-year-old Bo can remember, she and her papas have lived in the little Alaskan mining town of Ballard Creek. Now the

---

family must move upriver to Iditarod Creek for work at a new mine, and Bo is losing the only home she's ever known. Initially homesick, she soon realizes that there is warmth and friendship to be found everywhere . . . and what's more, her new town may hold an unexpected addition to her already unconventional family. As with Bo at Ballard Creek, this stand-alone sequel is a story about love, inclusion, and day-to-day living in the rugged Alaskan bush of the late 1920s. Full of fascinating details, it is an

unforgettable story. Fly Back, Agnes Thames & Hudson  
A heartfelt story that sensitively tackles the everyday inner turmoil of growing up and staying true to oneself. Twelve-year-old Agnes hates everything about her life: her name, her parents' divorce, her best friend's abandonment, her changing body . . . . So while staying with her dad over the summer, she decides to become someone else. She tells people she meets that her name is Chloe, she's

fourteen, her parents are married, and she's a dancer and actor—just the life she wants. But Agnes's fibs quickly stack up and start to complicate her new friendships, especially with Fin, whose mysterious relative runs a local raptor rehab center that fascinates Agnes. The birds, given time and care, heal and fly back home. Agnes, too, wants to get back to wherever she truly belongs. But first she must come to see the good in her real life, however flawed and messy it is, and be honest with her friends,

---

her family, and herself.  
*Do Not Pass Go*  
Scholastic  
“Grand, robust, a rich and big novel.”—Alice Walker, The New York Times Book Review “In [Jane Pittman], Ernest Gaines has created a legendary figure. . . . Gaines’s novel brings to mind other great works: The Odyssey, for the way his heroine’s travels manage to summarize the American history of her race, and Huckleberry Finn, for the clarity of [Pittman’s]

voice, for her rare capacity to sort through the mess of plantation to the Civil years and things to find the one true story of it all.”—Newsweek Miss Pittman. She is one of the most unforgettable heroines in American fiction, a woman whose life has come to symbolize the struggle for freedom, dignity, and justice. Ernest J. Gaines’s now-classic novel—written as an autobiography—spans one hundred years of Miss Jane’s remarkable life, from her childhood as a slave on a Louisiana plantation to the Civil Rights era of the 1960s. It is a story of courage and survival, history, bigotry, and hope—as seen through the eyes of a woman who lived through it all. A historical tour de force, a triumph of fiction, Miss Jane’s eloquent narrative brings to life an important story of race in America—and stands as a landmark work for our time.

K. McElderry Books

The thrilling Newbery Medal–winning classic about a girl lost on the Alaskan tundra and how she survives with the help of a wolf pack. Julie of the Wolves is a staple in the canon of children’s literature and the first in the Julie trilogy. The survival theme makes it a good pick for readers of wilderness adventures such as *My Side of the Mountain*, *Hatchet*, or *Island of the Blue Dolphins*. To her small

village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she the Miyax of

her human village—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*. **Where Are You, Agnes?** Wildside Press LLC "It's summer on 141st Street, and the Vanderbeekers are looking forward to Papa's surprise fortieth birthday party. But then Papa must leave town to help his best friend and the Vanderbeeker children are surprised to find their maternal grandparents on their doorstep. Grandma is very critical of everything they do.

---

Meanwhile, they find themselves learning more about their papa's father than ever before, and wishing they could have known him a bit better. Can they learn more about the grandfather they lost and come to appreciate the grandparents they still have while making sure their papa has the best birthday ever?"--Provided by publisher.

New York Times Book Review Editor's Choice A funny, heartwarming, and heartbreaking contemporary story about three boys, one teacher, and a day none of them will ever forget. “Kids

won't just love this book. They need it.” —Soman Chainani, New York Times bestselling author of *The School for Good and Evil* “Each page crackles as we embark on the greatest adventure of all.” —Gary D. Schmidt, Newbery Honor winner and author of *Okay for Now* Everyone knows there are different kinds of teachers. The boring ones, the mean ones, the ones who try too hard, the ones who stopped trying long ago. The ones you'll never remember, and the

---

ones you want to forget. Ms. Bixby is none of these. She's the sort of teacher who makes you feel like school is somehow worthwhile. Who recognizes something in you that sometimes you don't even see in yourself. Who you never want to disappoint. What Ms. Bixby is, is one of a kind. Topher, Brand, and Steve know this better than anyone. And so when Ms. Bixby unexpectedly announces that she won't be able to finish the school

year, they come up with a risky plan—more of a quest, really—to give Ms. Bixby the last day she deserves. Through the three very different stories they tell, we begin to understand what Ms. Bixby means to each of them—and what the three of them mean to each other. John David Anderson is the author of *Sidekicked* and *The Dungeoneers*, proven winners with middle grade readers, and Ms. Bixby's Day is no exception.

### Growing Up in the 1850s Aladdin

This stunning picture-book imagining of artist Agnes Martin's childhood gives readers a glimpse into the life and work of one of the most esteemed abstract painters of the twentieth century. Agnes Martin was born on the Canadian prairies in the early twentieth century. In this imagining of her childhood from acclaimed author Tessa McWatt, Agnes spends her days surrounded by wheat fields, where her grandfather

---

encourages her to draw what she sees and feels around her: the straight horizon, the feeling of the sun, the movement of birds' wings and the shapes she sees in the wheat. One day, Agnes's family moves to a house in a big city. The straight horizon and wheat fields are gone, but Agnes continues to draw what she sees and feels around her. No one except her grandfather understands what she is trying to capture — not her mother, who asks, "Where are you, Agnes?" when she sees her daughter

engrossed in her drawing; nor her siblings, who think her art is ugly. Still, Agnes keeps trying to capture what she sees inside her mind. Agnes Martin grew up to become a famous abstract expressionist artist. Tessa McWatt has written a beautiful story of Agnes's childhood and how it might have shaped her adult work. Zuzanna Celej's watercolors adeptly capture Agnes's world, including hints of the grid paintings that she was later known for, against the backdrop of prairie and city landscapes. Includes an

author's note with more information about Agnes Martin's life and the inspiration behind this story. *Minuk* Millbrook Press  
In the "compelling" (Kirkus Reviews) sequel to *Toughboy and Sister*, the two young kids

---

struggle as they learn to survive at a winter trapping camp during the harsh Alaskan winter. Recently orphaned, eleven-year-old Toughboy and his younger sister have been living with Natasha, an elderly, cantankerous Athabascan Indian. In the late fall, Natasha flies with them to a camp where the children learn to trap and live during the Alaskan winter. But when an old miner is seriously injured and Natasha has to leave to get help, Toughboy and Sister are pushed to their limits as they learn to survive for themselves while caring for the injured miner.
