One of the leading physicists of her generation, Dr. Chanda Prescod-Weinstein is also one of fewer than one hundred Black American women to earn a PhD from a department of physics. Her vision of the cosmos is vibrant, buoyantly nontraditional, and grounded in Black and queer feminist lineages. Dr. Prescod-Weinstein urges us to recognize how science, like most fields, is rife with racism, misogyny, and other forms of oppression. She lays out a bold new approach to science and society, beginning with the belief that we all have a fundamental right to know and love the night sky. The Disordered Cosmos dreams

into existence a world that allows everyone to experience and understand the wonders of the universe.

WINNER OF THE AUGUST DERLETH AND ARTHUR C. CLARKE AWARDS • A

masterpiece brimming with scientific splendor, magical intrigue, and fierce characters, from the author who “has reshaped modern fantasy” (The Washington Post) “[China Miéville’s] fantasy novels, including a trilogy set in and around the magical city-state of New Crobuzon, have the refreshing effect of making Middle-earth seem plodding and flat.”—The New York Times The metropolis of New Crobuzon sprawls at the center of the world. Humans and mutants and arcane races brood in the gloom beneath its chimneys, where the river is sluggish with unnatural effluent and foundries pound into the night. For a thousand years, the Parliament and its brutal militias have ruled over a vast economy of workers and artists, spies and soldiers, magicians, crooks, and junkies. Now a stranger has arrived, with a pocketful of gold and an impossible demand. And something unthinkable is released. The city is gripped by an alien terror. The fate of millions lies with a clutch of renegades. A reckoning is due at the city’s heart, in the vast edifice of brick and wood and steel under the vaults of Perdido Street Station. It is too late to escape.

Twelfth Annual Collection* Subterranean

An Anthology of Recent Queer Science Fiction and Fantasy from Award-Winning Editor Paula Guran Speculative fiction imagines drastically diverse ways of being and worlds that are other than the one with which we are familiar. Queerness is a natural fit for such fiction, so one would expect it to be customarily included. That has not always been the case, but LGBTQ+ representation in science fiction and fantasy—in both short and long form—is now relatively common. Even so, most of the queer science fiction and fantasy anthologies published in the last thirty-five years have been narrowly focused: specifically gay male or lesbian (or, more recently, transgender) themes, or all science fiction or all fantasy, or adhering to a

specific theme or subgenre. *Far Out: Recent Queer Science Fiction and Fantasy*, on the other hand, features both science fiction and fantasy short fiction from the last decade and includes characters, perspectives, and stories that span the rainbow. With stories from incredible authors ranging from Seanan McGuire to Charlie Jane Anders to Sam J. Miller, it’s an essential read for anyone interested in queer science fiction and fantasy. Swarm Del Rey

Acclaimed author Priya Sharma transports readers back in time with *Ormeshadow*, a coming-of-age story as dark and rich as good soil. Burning with resentment and intrigue, this fantastical family drama invites readers to dig up the secrets of the Belman family, and wonder whether myths and legends are real enough to answer for a history of sin. Uprooted from Bath by his father's failures, Gideon Belman finds himself stranded on Ormeshadow farm, an ancient place of chalk and ash and shadow. The land crests the Orme, a buried, sleeping dragon that dreams resentment, jealousy, estrangement, death. Or so the folklore says. Growing up in a house that hates him, Gideon finds his only comforts in the land. Gideon will live or die by the Orme, as all his family has. Perdido Street Station Prime Books

"[An] intricate and unsettling new novel . . . *Death in Her Hands* is not a murder mystery, nor is it really a story about self-deception or the perils of escapism. Rather, it's a haunting meditation on the nature and meaning of art." -Kevin Power, *The New Yorker*

From one of our most ceaselessly provocative literary talents, a novel of haunting metaphysical suspense about an elderly widow whose life is upturned when she finds an ominous note on a walk in the woods. While on her daily walk with her dog in a secluded woods, a woman comes across a note, handwritten and carefully pinned to the ground by stones. "Her name was Magda. Nobody will ever know who killed her. It wasn't me. Here is her dead body." But there is no dead body. Our narrator is deeply shaken; she has no idea what to make of this. She is new to this area, alone after the death of her husband, and she knows no one. Becoming obsessed with solving this mystery, our narrator imagines who Magda was and how she met her fate. With very little to go on, she invents a list of murder suspects and possible motives for the crime. Oddly, her suppositions begin to find correspondences in the real world, and with mounting excitement and dread, the fog of mystery starts to fade into menacing certainty. As her investigation widens, strange dissonances accrue, perhaps associated with the darkness in her own past; we must face the prospect that there is either an innocent explanation for all this or a much more sinister one. A triumphant blend of horror, suspense, and pitch-black comedy, *Death in Her Hands* asks us to consider how the stories we tell ourselves both reflect the truth and keep us blind to it. Once again, we are in the hands of a narrator whose unreliability is well earned, and the stakes have never been higher.

The Wicked King Pyr

X-Men meets Marissa Meyer's Renegades when New York Times bestselling author of the Uglies series Scott Westerfeld teams up with award-winning authors Margo Lanagan and Deborah Biancotti in the second book of an explosive new trilogy about six teens with unique abilities. They thought they'd already faced their toughest fight. But there's no relaxing for the reunited Zeroes. These six teens with unique abilities have taken on bank robbers, drug dealers, and mobsters. Now they're trying to lay low so they can get their new illegal nightclub off the ground. But the quiet doesn't last long when two strangers come to town, bringing with them a whole different kind of crowd-based chaos. And hot on their tails is a crowd-power even more dangerous and sinister. Up against these new enemies, every Zero is under threat. Mob is crippled by the killing-crowd buzz—is she really evil at her core? Flicker is forced to watch the worst things a crowd can do. Crash's conscience—and her heart—get a workout. Anon and Scam must both put family loyalties on the line for the sake of survival. And Bellwether's glorious-leader mojo deserts him. Who's left to lead the Zeroes into battle against a new, murderous army?
