“ A terrifying journey into the darkest corners of the psyche ” by the author of Requiem for a Dream and Last Exit to Brooklyn (The Guardian). A small-time criminal sits alone in his cell, his mind reeling with sadistic thoughts of retribution against the police and, eventually, all those he believes

have failed him throughout his life. A deeply disturbing exploration of a character the Guardian described as “ a genuinely frightening American Psycho, ” Hubert Selby Jr. ’ s second novel is made all the more chilling by the narrator ’ s brief flashes of humanity. The Room is a tale so terrifying the author himself couldn ’ t read it for decades after writing it. Called “ brutal ” by the New York Times when it was first published, it is a dark masterpiece about a man who may be temporarily trapped in jail, but whose true prison is his own anger, as he is enslaved by out-of-control passions and sickening fantasies of revenge. This ebook

features an illustrated biography of Hubert Selby Jr. including rare photos from the author ’ s estate. **Child of God Createspace Independent Publishing Platform** A laugh-out-loud funny, surprisingly romantic, zombie road trip novel filled with heart—and brains. Eat, Brains, Love is perfect for fans of Isaac Marion's Warm Bodies. The good news: Jake's dream girl, Amanda Blake, finally knows his name. The bad

news: it's because they both contracted a mysterious zombie virus and devoured the brains of half their senior class. Now Jake and Amanda are on the run from Cass, a teen psychic sent by the government's top-secret Necrotic Control Division to track them down. As Jake and Amanda deal with the existential guilt of eating their best friends and set off in

search of a cure for the zombie virus, Cass struggles with a growing psychic dilemma of her own—one that will lead all three of them on an epic journey across the country and make them question what it means to truly be alive. Or undead. The Zombie Room Murder Room “ Powerfully magnetic. . . . In the lineage of great works by Chinua Achebe and Chimamanda Ngozi Adichie. . . . A thoroughly contemporary—and deeply moving—portrait of a

marriage. ” —The New York Times Book Review Ilesa, Nigeria. Ever since they first met and fell in love at university, Yejide and Akin have agreed: polygamy is not for them. But four years into their marriage—after consulting fertility doctors and healers, and trying strange teas and unlikely cures—Yejide is still not pregnant. She assumes she still has time—until her in-laws arrive on her doorstep with a young woman they introduce as Akin ’ s second wife. Furious, shocked, and livid with jealousy, Yejide knows the only way to save her marriage is to get pregnant. Which, finally, she does—but at a cost far greater than she could have dared to imagine. The

unforgettable story of a marriage as seen through the eyes of both husband and wife, *Stay With Me* asks how much we can sacrifice for the sake of family. A landscape of frozen darkness punctuated by grim, gray days. The feeling like a buzz in your teeth. The scrape of bone on bone. . . Paul Gallo saw the report on the news: a mass murderer leading police to his victims’ graves,

in remote Dread’s Hand, Alaska. It’s not even a town; more like the bad memory of a town. The same bit of wilderness where his twin brother went missing a year ago. As the bodies are exhumed, Paul travels to Alaska to get closure and put his grief to rest. But the mystery is only beginning. What Paul finds are superstitious locals who talk of the devil stealing souls, and a line of wooden crosses to keep what’s in the woods from coming out. He finds no closure because no one can explain

exactly what happened to Danny. And the more he searches for answers, the more he finds himself becoming part of the mystery. . . Praise for *Little Girls*

Something

hasn't been right at the roadside Sun Down Motel for a very long time, and Carly Kirk is about to find out why in this chilling new novel from the New York Times bestselling and award-winning author of *The Broken Girls*. Upstate New York, 1982. Viv Delaney wants to move to New York City, and to help pay for it she takes a job as the night clerk at the Sun Down Motel in Fell, New York. But something isn't right at the motel, something

haunting and scary. Upstate New York, 2017. Carly Kirk has never been able to let go of the story of her aunt Viv, who mysteriously disappeared from the Sun Down before she was born. She decides to move to Fell and visit the motel, where she quickly learns that nothing has changed since 1982. And she soon finds herself ensnared in the same mysteries that claimed her aunt. **The Living Dead** Pinnacle Books

In this taut, chilling novel from the bestselling, Pulitzer Prize-winning author of *The Road*, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. "Like the novelists he admires—Melville, Dostoyevsky, Faulkner—Cormac McCarthy has created an

imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves." —Washington Post

The Book of Accidents
Macmillan
New York Times Bestseller • On the 40th anniversary of The Band's legendary The Last Waltz concert, Robbie Robertson finally tells his own spellbinding story of the band that changed music history, his extraordinary personal journey, and his creative friendships with some of the

greatest artists of the last half-century. Robbie Robertson's singular contributions to popular music have made him one of the most beloved songwriters and guitarists of his time. With songs like "The Weight," "The Night They Drove Old Dixie Down," and "Up on Cripple Creek," he and his partners in The Band fashioned a music that has endured for decades, influencing countless musicians. In this captivating memoir, written over five years of

reflection, Robbie Robertson employs his unique storyteller's voice to weave together the journey that led him to some of the most pivotal events in music history. He recounts the adventures of his half-Jewish, half-Mohawk upbringing on the Six Nations Indian Reserve and on the gritty streets of Toronto; his odyssey at sixteen to the Mississippi Delta, the fountainhead of American music; the wild early years on the road with rockabilly legend Ronnie Hawkins and The

Hawks; his unexpected ties to the Cosa Nostra underworld; the gripping trial-by-fire "going electric" with Bob Dylan on his 1966 world tour, and their ensuing celebrated collaborations; the formation of the Band and the forging of their unique sound, culminating with history's most famous farewell concert, brought to life for all time in Martin Scorsese's great movie *The Last Waltz*. This is the story of a time and place--the moment when rock 'n' roll became life, when legends like

Buddy Holly and Bo Diddley criss-crossed the circuit of clubs and roadhouses from Texas to Toronto, when The Beatles, Hendrix, The Stones, and Warhol moved through the same streets and hotel rooms. It's the story of exciting change as the world tumbled through the '60s and early 70's, and a generation came of age, built on music, love and freedom. Above all, it's the moving story of the profound friendship between five young men who together created a new kind of

popular music. Testimony is Robbie Robertson's story, lyrical and true, as only he could tell it. *Zombies in Western Culture* Simon and Schuster In the blink of an eye, the small Texas town of Harper Springs is flattened by the worst tornadic system to ever hit the area. Homes are demolished, trees are uprooted, and people are left for dead. Taking cover in a cellar with his son, Ryan Gibson

narrowly escapes the storm and gets separated from his wife. He hopes that help will come fast - his child is severely injured and the crippling weather pattern rages on, making them pawns in Mother Nature's game. Weeks pass with no sign of another human being. Tornadoes continue to hammer away at the already ravished land. Ryan wonders why they have been forgotten. Basic survival skills set in - their food rations get

smaller, their water intake less, and their limited resources will soon be gone. With his son's fading health and his wife still missing, he will have to make a decision soon - leave their shelter and risk death, or stay patient and hold out hope that a rescue team is on the way. A harsh truth will soon be revealed - the tranquil way of life in Harper Springs will never be the same

Arguing with Zombies:
Economics.

Politics, and the Fight for a Better Future Penguin

When Lucy Brennan, a Miami Beach personal-fitness trainer, disarms an apparently crazed gunman, the police and the breaking-news cameras are not far behind. Within hours, Lucy becomes a hero. The solitary eye-witness, the depressed and overweight Lena Sorenson, thrilled by Lucy's heroism and decisiveness, becomes obsessed with the trainer and enrolls as a client at her Bodysculpt gym. It quickly becomes clear

that Lena is more interested in Lucy's body than her own, and a budding fatal attraction takes hold. However, it's when Lucy imprisons Lena, and can't stop thinking about the sex lives of Siamese twins, that the real problems start. In *Lucy and Lena*, Irvine Welsh has created two of his most memorable female protagonists, and one of the most bizarre, sadomasochistic folie à deux in contemporary fiction. *The Sex Lives of Siamese Twins* taps into two great

obsessions of our time--how we look and where we live--and tells a story so subversive and dark it blacks out the Florida sun.

This official Minecraft novel is an action-packed thriller! When a new virtual-reality version of the game brings her dreams—and doubts—to life, one player must

face her fears. Bianca has never been good at following the plan. She's more of an act-now, deal-with-the-consequences-later kind of person. But consequences can't be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, almost paralyzed by her injuries, Bianca is faced with questions she's not equipped to answer. She chooses instead to try a new

virtual-reality version of Minecraft that responds to her every wish, giving her control over a world at the very moment she thought she'd lost it. As she explores this new realm, she encounters a mute, glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton, two kids who are also playing on the hospital server, to save her friend. But the road to recovery isn't without its own dangers. The

kids are swarmed by mobs seemingly generated by their fears and insecurities, and now Bianca must deal with the uncertainties that have been plaguing her: Is Lonnie really in the game? And can Bianca help him return to reality? The gripping tale

about two boys,
once as close as
brothers, who find
themselves on
opposite sides of
the Holocaust. "A
novel of survival,
justice and redempti
on...riveting."
—Chicago Tribune,
on *Once We Were
Brothers* Elliot
Rosenzweig, a
respected civic
leader and wealthy
philanthropist, is
attending a
fundraiser when he
is suddenly
accosted and
accused of being a
former Nazi SS
officer named Otto
Piatek, the Butcher
of Zamosc.
Although the
charges are
denounced as
preposterous, his
accuser is
convinced he is
right and engages
attorney Catherine

Lockhart to bring
Rosenzweig to
justice. Solomon
persuades attorney
Catherine Lockhart
to take his case,
revealing that the
true Piatek was
abandoned as a
child and raised by
Solomon's own
family only to betray
them during the
Nazi occupation.
But has Solomon
accused the right
man? *Once We
Were Brothers* is
Ronald H. Balson's
compelling tale of
two boys and a
family who struggle
to survive in war-
torn Poland, and a
young love that
struggles to endure
the unspeakable
cruelty of the
Holocaust. Two
lives, two worlds,
and sixty years
converge in an
explosive race to

redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit.

Nightshifted Titan Books (US, CA)

The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James

Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

The Three Taps
Anchor

A finalist for the 2020 Thurber Prize for American Humor! "The Secret Life of Pets meets The Walking Dead"

in this big-hearted, boundlessly beautiful romp through the Apocalypse, where a foul-mouthed crow is humanity's only chance to survive Seattle's zombie problem (Karen Joy Fowler, PEN/Faulkner Award-winning author). S.T., a domesticated crow, is a bird of simple pleasures: hanging out with his owner Big Jim, trading insults with Seattle's wild crows (i.e. "those idiots"), and enjoying the finest food humankind has to offer: Cheetos®. But when Big Jim's eyeball falls out of his head, S.T. starts to think something's not quite right. His tried-and-true remedies—from beak-delivered beer

to the slobbering affection of Big Jim's loyal but dim-witted dog, Dennis—fail to cure Big Jim's debilitating malady. S.T. is left with no choice but to abandon his old life and venture out into a wild and frightening new world with his trusty steed Dennis, where he suddenly discovers that the neighbors are devouring one other. Local wildlife is abuzz with rumors of Seattle's dangerous new predators. Humanity's extinction has seemingly arrived, and the only one determined to save it is a cowardly crow whose only knowledge of the world comes from TV. What could

possibly go wrong? Includes a Reading Group Guide. St. Martin's Griffin Joe Haldeman's "adept plotting, strong pacing, and sense of grim stoicism have won him wide acclaim" (The Washington Post) and numerous honors for such works as *The Forever War*, *The Accidental Time Machine*, and the *Marsbound* trilogy. Now, the multiple Hugo and Nebula award-winning author pits a lone war veteran against a mysterious enemy who is watching his every move—and

threatens him with more than death unless he kills for them. Wounded in combat and honorably discharged nine years ago, Jack Daley still suffers nightmares from when he served his country as a sniper, racking up sixteen confirmed kills. Now a struggling author, Jack accepts an offer to write a near-future novel about a serial killer, based on a Hollywood script outline. It's an opportunity to build his writing career, and a future with his girlfriend, Kit Majors. But Jack's other talent

is also in demand. A package arrives on his doorstep containing a sniper rifle, complete with silencer and ammunition—and the first installment of a \$100,000 payment to kill a “bad man.” The twisted offer is genuine. The people behind it are dangerous. They prove that they have Jack under surveillance. He can’t run. He can’t hide. And if he doesn’t take the job, Kit will be in the crosshairs instead.

The End Of Alice
Pinnacle Books
“A horror landmark and a

work of gory genius.”—Joe Hill, New York Times bestselling author of *The Fireman* New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death!

George A. Romero invented the modern zombie with *Night of the Living Dead*, creating a monster that has become a key part of pop

culture. Romero often felt hemmed in by the constraints of film-making. To tell the story of the rise of the zombies and the fall of humanity the way it should be told, Romero turned to fiction. Unfortunately, when he died, the story was incomplete.

Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller *The Shape of Water* (based on the Academy Award-winning movie) and *Trollhunters* (which became

an Emmy Award-winning series), and author of *The Death and Life of Zebulon Finch* (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete *The Living Dead*. Set in the present day, *The Living Dead* is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical

examiners find themselves battling a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In

DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Minecraft: The Crash* Penguin An unlikely bond is forged between three men from very different

backgrounds when
they serve time
together in prison. A
series of wrong
turns and disastrous
life choices has led
to their
incarceration.
