Greenwood Publishing Group Zora Neale Hurston wrote her most famous novel, *Their Eyes Were Watching God*, while in Haiti on a trip funded by a Guggenheim

fellowship to research the region 's transatlantic folk and religious culture; this work grounded what would become her ethnography *Tell My Horse: Voodoo and Life in Haiti and Jamaica*. The essays

in Zora Neale Hurston, Haiti, and “ Their Eyes Were Watching God ” persuasively demonstrate that Hurston ’ s study of Haitian Voudoun informed the characterization, plotting, symbolism, and theme of her novel. Much in the way that Voudoun and its North American derivative Voodoo are syncretic religions, Hurston ’ s fiction enacts a syncretic, performative practice of reference, freely drawing upon Greco-Roman, Judeo-Christian, and Haitian Voudoun mythologies for its political, aesthetic, and philosophical underpinnings. Zora

Neale Hurston, Haiti, and “ Their Eyes Were Watching God ” connects Hurston ’ s work more firmly to the cultural and religious flows of the African diaspora and to the literary practice by twentieth-century American writers of subscribing in their fictional texts symbols and beliefs drawn from West and Central African religions.

Abstract: Their
Eyes Were
Watching God is
the story of a

woman ' s life. Protagonist Janie recapitulates her way from youth to her forties and shows the growing-up of a woman in the search for love. On the sideways Zora Neale Hurston points out the life of African-American people and their problems on the turn of the twentieth century until the 1930s. The objective of this paper is to point out the main conflicts and metaphorical images used in the book. As the novel is to some extent a biography of a woman ' s way to love the first to mention is the eternal conflict

between men and women. Like a painter Hurston draws the traditional roles of the sexes and the contradictions of her time – a time of feminine emancipation in all aspects. Emancipation also plays a role in the obvious generation conflict personated in Nanny, Janie's grandmother. Somehow incidental, but flashing now and then, and sharp in her observations Hurston works up the racial issue of black and white living together in the American society around 60 years after slavery has officially ended.

These are the more general conflicts of the book, while within the story opens the conflict within the black community. A subtle comparison of the life in Eatonville and the Everglades – inseparable of course from the totally differing feelings of Janie in both places. In the course of the novel Hurston uses strong, picturesque metaphorical language to describe the inner world of Janie's thoughts and feelings. This paper can only give a few examples for these images. The tree image stands for her love life

and sexuality - first in bloom when she becomes a woman. The mule stands as a symbol for the submission of women through men.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a “birthday present”. Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all

that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her. Literature, grade: 2,3, University of Tübingen, course: PS II Literatur , 5 entries in the bibliography, language: English, abstract: In Their Eyes Were Watching God, written by Zora Neale Hurston, marriage is a central topic. The main character of the book, Janie, is married three times. Her husbands are very different from one another which is also reflected in the relationship between her and

her husbands in each marriage. Nevertheless, all three marriages show certain similarities which correspond to common gender roles of this time. The following essay thus will explore and analyze these marriages. Afterwards it will compare them with regard to three common gender roles of that time, and it will show that all three marriages are more or less built upon these common gender-specific ideas.
