Perfect for fans of Philippa Gregory and Alison Weir, *The Virgin's Daughter* is the first book in a captivating new saga about the next generation of Tudor royals, which poses the thrilling question: What if Elizabeth I, the celebrated Virgin Queen, gave birth to a legitimate heir? Since the death of her brother, William, Elizabeth I has ruled England. She's made the

necessary alliances, married Philip of Spain, and produced a successor: her only daughter, Anne Isabella, Princess of Wales. Elizabeth knows that her beloved Anabel will be a political pawn across Europe unless she can convince Philip to grant her a divorce, freeing him to remarry and give Spain its own heir. But the enemies of England have even greater plans for the princess, a plot that will put Anabel's very life and the security of

---

the nation in peril. Only those closest to Elizabeth—her longtime confidante Minuette, her advisor and friend Dominic, and the couple's grown children—can be trusted to carry forth a most delicate and dangerous mission. Yet, all of the queen's maneuverings may ultimately prove her undoing. Praise for The Virgin's Daughter "Thrilling . . . [Laura Andersen's] characters are well imagined and consistent,

especially the Tudor siblings. . . . [The Virgin's Daughter] balances action and plot with emotion and character development. . . . One of the best things about alternative history is that you don't know what will happen next, and Andersen takes full advantage of that fact."—The Roanoke Times "The plot includes many threads, yet they are weaved together flawlessly. Andersen brilliantly blends the history and

characters we know into her wondrous new world."—RT Book Reviews Look for special features inside. Morgan O ' Malley has seen a lot of kinky things as the hostess of a cable sex talk show. But she ' s never met a man like Jack Cole before. A self-proclaimed dominant, he ' s as alpha as a male can get—and good for Morgan to have around when an obsessed stalker ratchets up his attempts to get

to her. Until he made her beg for it. Though Jack is a bodyguard, Morgan feels anything but safe in his presence because, slowly and seductively, Jack is bringing her deepest fantasies to the surface. And when he bends her to his will, what ' s more shocking than her surrender is how much she enjoys it—and starts to crave his masterful touch. A willing player in Jack ' s games, Morgan knows that his motives aren ' t pure, but she has no idea how personal they are...

Song of the Nibelungs Yale University Press Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides ' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there ' s a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the

---

explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie ' s grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator ' s life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It ' s a brilliant exploration of divided people, divided families,

divided cities and nations -- the connected halves that make up ourselves and our world. Philippa Gregory's Tudor Court 6-Book Boxed Set Macmillan When dealing with demons, the devil ' s in the details... Stealing mystical and arcane artifacts is a dangerous business, especially for a human, but Zoey Wharton is an exceptional thief. The trick to staying alive is having friends in all the wrong places. While having a witch

and a werewolf on the payroll helps, being partners with a vampire really opens doors. Zoey and Daniel were childhood sweethearts until a violent car crash took his life and left her shattered. When Daniel returned from the grave as a vampire, his only interest in Zoey was in keeping her safely apart from the secrets of his dark world. He has vowed to protect her, but his heart seems as cold as the night he calls home. Five years later, a mysterious new client named Lucas Halfer offers

Zoey a fortune to steal the Light of Alhorra. The search for the Light leads Zoey into the arms of an earthbound faery prince. Devinshea Quinn sweeps her off her feet, showing her everything the supernatural world has to offer, but Daniel still calls to her heart. As the true nature of the Light is revealed, Zoey discovers Halfer is a demon and much more than money is at stake. Per her contract, she must give him the Light or spend an eternity in Hell.
