"Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it ' s not long before Maribel attracts the attention of

Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. *The Book of Unknown Americans* is a stunning novel of hopes and

dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Twenty Writing Assignments in Context
HarperCollins
One of the most important works of twentieth-century American literature, Zora Neale Hurston's beloved 1937 classic, *Their Eyes Were Watching God*, is an enduring Southern love story sparkling with wit, beauty, and heartfelt wisdom. Told in the captivating voice of a woman who refuses to live in sorrow, bitterness, fear, or foolish romantic

dreams, it is the story of fair-skinned, fiercely independent Janie Crawford, and her evolving selfhood through three marriages and a life marked by poverty, trials, and purpose. A true literary wonder, Hurston's masterwork remains as relevant and affecting today as when it was first published -- perhaps the most widely read and highly regarded novel in the entire canon of African American literature.

Publishers Weekly
In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion.

What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to

Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward. **Learning from Urban Immigrant Youth About Academic Literacies**

Cambridge
University
Press

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company:

Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O' Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any

American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. [English Teacher's](#)

Guide to Performance Tasks and Rubrics PURE SNOW PUBLISHING A NEW YORK TIMES NOTABLE BOOK

- Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah ' s Best Books of the Year

and a PEN/Hemingway award winner, Homegoing follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi ' s extraordinary novel illuminates slavery ' s troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

Theme and Thematic Progression in

Chinese College Students ' English Essays Disha Publications Chicago's Germ an-language socialist weekly, Der Vorbote, claimed in 1880 that "the history of the workers' movement in the United States is at the same time the history of the workers' press." Hyperbolic perhaps, but to judge by the energy and resources Germ an-American radicals devoted to their press, many immigrants agreed. The radical

movement in the United States met with problems as well as support. Language and culture frequently divided the radicals, and class considerations splintered the German-American community. Cultural radicals like Robert Reitzel and Ludwig Lore ran afoul of rank-and-file taste or party discipline; attempts by the New Yorker Volkszeitung to coach women on proper socialist positions resulted in bitter arguments over the importance of woman suffrage and pacifism. Access to History: Russia and its Rulers 1855-1964 for OCR Second Edition McGraw Hill Professional This book focuses on how instruction affects English learners' use of Theme and thematic progression (thematic organization). While thematic organization in learner English has been extensively studied, little research has been done to investigate the effects of instruction on the use of Theme and thematic progression. Adopting a Systemic Functional Grammar approach, this study explores how a ten-week instruction on thematic organization affects Chinese college students' use of Theme and thematic progression by comparing their English essays before and after the instruction, with native-speaker essays as the research baseline. Second-

language acquisition researchers, curriculum developers and foreign language teachers will find this book useful as it not only presents a clear and detailed report of how Chinese college students learn to make better thematic choices, but also provides a well-developed instructional package on Theme and thematic progression. A Drama in Three Acts University of Illinois Press Robert B. Ray examines the ideology of the

most enduringly popular cinema in the world--the Hollywood movie. Aided by 364 frame enlargements, he describes the development of that historically overdetermined form, giving close readings of five typical instances: Casablanca, It's a Wonderful Life, The Man Who Shot Liberty Valance, The Godfather, and Taxi Driver. Like the heroes of these movies, American filmmaking has avoided commitment, in both plot and technique. Instead of choosing left or right, avant-garde or tradition, American cinema

tries to have it both ways. Although Hollywood's commercial success has led the world audience to equate the American cinema with film itself, Hollywood filmmaking is a particular strategy designed to respond to specific historical situations. As an art restricted in theoretical scope but rich in individual variations, the American cinema poses the most interesting question of popular culture: Do dissident forms have any chance of remaining free of a mass medium

seeking to co-opt
them?
