Is Jack Reacher a serial killer? “Make some coffee. You’ll read all night.” Lee Child, #1 World-Wide Bestselling Author of Jack Reacher Thrillers A serial killer returns after years of inactivity in this gripping new suspense thriller. The green paint bathtub killer had Reacher Running Blind back in the day. The New York FBI team says Reacher was the serial killer then and is still the serial killer. But FBI Agents Kim Otto and Carlos Gaspar believe a copycat may be on the loose.... Five powerful players are determined to win at all costs. The sixth only wants to stay alive. Not all can win. None plan to fail. But when Reacher is judge, jury, and executioner, Otto knows that collateral damage is inevitable.

"OMG I couldn't put this one down. It was just that good... Definitely a tear jerker..."

Touched my heart so deeply and will affect me on some level for many years to come." Blue Moon Blogger ????? Mother-of-two, Ally has always dreamed of fostering—it feels like her chance to give back when she has been so lucky in life. And when seven-year-old Dylan joins her family in their big suburban home, Ally is overwhelmed by love. But Dylan doesn't speak and Ally isn't prepared for the impact he has on her family. Each day has its struggles, but she would never give up on the child now in her care. Dylan's mother, Beth, can't forgive herself for losing her son. He's

her world and she'll do whatever it takes to get him back. Everything is different now, and he belongs with her. With his whole life at stake, which mother can truly give Dylan the love, security, and home he deserves? Which mother can help him find his voice? Beth and Ally sit on opposite sides. Two mothers, both desperate to do what is best for Dylan, but neither able to imagine their lives without him... A beautiful, powerful and ultimately uplifting story about the heartbreaking power of motherly love, for fans of Diane Chamberlain, Jodi Picoult and Jojo Moyes. Praise for When You Were Mine: "My poor heart will never be the same. A hole's been punched straight through it. This is an incredible book... I cried so much... My eyes are still sore... This will stay with me for a long time." The Book Lover's Boudoir "With this heartwarming and at times heart-wrenching drama Kate is hot on the heels of the likes of Jodi Picoult and Kelly Rimmer... Education Is Upside Down cuts

through adjustments being made at technical levels of educational

practice and accountability, challenging ideals and philosophies that have powered American Education for most of the last century. This book explains how and why long-standing approaches generate flawed instructional practices, flawed systemic reform efforts, and a fundamental misalignment between the educational institution and the society it is missioned to serve. Education Is Upside Down urges readers wishing to improve American Education to more carefully consider the institution's central mission, challenge long-accepted truths of practice, and question current reform efforts and actions. In full, Education Is Upside Down resists the practitioner-vs.-reformer blame game, seeking ultimately to carefully untangle—not tighten by yanking on any single strand—the long-complicated knot of American Education.

Otto finds the perfect bait to lure Jack Reacher to the surface in this gripping new suspense thriller. In Lee Child's twenty-third Jack Reacher novel, *Past Tense*, Reacher found his roots and a heap of trouble in Laconia, New Hampshire. A young Canadian couple took the spoils at the end of the war. Now, the real owner will stop at nothing to get back what belongs to him. Reacher wasn't there to protect his only brother, Joe, who was killed in the line of duty years ago. Will he show up to protect his brother's son? Agent Otto bets on Reacher and puts her life on the line. But she's been wrong about Reacher before. Lee Child Gives Diane Capri Two Thumbs Up! New York Times bestseller! Chosen as a best summer read by People, Redbook, Good Housekeeping, and Good Morning America! Life's a bit of a beach these days for Ginger Walsh, who finds herself single at 41 and back home living in the family FROG (Finished Room Over Garage). She's hoping for a more fulfilling life as a sea glass artist, but mostly she's babysitting her sister's kids and sharing overnights with Noah, her glassblower boyfriend with commitment issues and a dog Ginger's cat isn't too crazy about.

Then a shark movie comes to town, and everyone is clamoring for a close-up.

Diane picked up her mother's phone. "How do you feel about your mother being let out of prison today after sixty-five years?" the reporter asked. Diane stared at her mother. "My grandmother is alive?" That one phone call hurled shock waves throughout the entire family. 1955 - Anna Bergman Craine's life changes in an instant

when she commits a crime of passion and is sentenced to life in prison.

Leaving behind two young children, she is left alone in the world, never to hear from family or friends again. Decades later, she is set free and finds she has a family that has chosen to forget her. What caused this beautiful, intelligent, young woman to commit such a drastic deed that would pull her away from everyone she loved? 2020 - Diane Martin is shocked to learn that not only is her maternal grandmother alive, but she's just been released after decades in prison. Against her aging mother's wishes, she visits the older woman and soon hears a tale of the events that led up to that tragic day in 1955. Diane realizes that her own life has mirrored

that of her grandmother's and, had circumstances gone differently that fateful day, she might have experienced the same fate. A heart-wrenching story of a family torn apart because of a moment in time and trying to put the pieces back together after being separated for decades.

It's a most unusual story. Father was gone and Mother was dying from TB. That left Grandmother Anna, who was older than dirt, trying to raise three little girls without two nickels to rub together. It was 1933, in the middle of the

depression. We lived in Queens, NY, and let me tell you, times were hard. I was five years old when The Fresh Air Fund's Summer program had an unexpected opening. Those two weeks I spent in Delaware changed my life forever. Reliving that year, as I remembered going from NY to DE and back again, provided an unfamiliar twist. I discovered what I believed to have been a tragic and complex time unfolded as a wonderful love story. How healing it was for me to see for the first time, the beauty of my childhood through the wisdom of these old adult eyes. You better have your tissues ready. Eilleen Jandreau

European Memory in Populism explores the links between memory and populism in contemporary Europe. Focusing on circulating ideas of memory, especially European memory, in contemporary populist discourses, the book also analyses populist ideas in sites and practices of remembrance that usually tend to go unnoticed. More broadly, the theoretical heart of the book reflects upon the similarities, differences, and slippages between memory, populism, nationalism, and cultural racism and the ways in which social memory contributes to give substance to various ideas of what constitutes the 'people' in populist discourse and beyond. Bringing together a group of political scientists,

anthropologists, and cultural and memory studies scholars, the book illuminates the relationship between memory and populism from different angles and in different contexts. The contributors to the volume discuss dominant notions of European heritage that circulate in the public sphere and in political discourse, and consider how the politics of fear relates to such notions of European heritage and identity across and beyond Europe and the European Union. Ultimately, this volume will shed light on how notions of a shared European heritage and memory can be used not only to include and connect Europeans, but also to exclude some of them. Investigating the ways in which nationalist populist forces mobilize the idea of a shared, homogeneous European civilization, *European Memory in Populism* will be of interest to scholars and students in the fields of European studies, heritage and memory studies, migration studies, anthropology, political science and sociology. A Women's History of the Beatles is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women. Drawing on a mix of interviews, archival research, textual analysis, and autoethnography, this scholarly work depicts how the Beatles

have profoundly shaped and enriched the lives of women, while also reexamining key, influential female figures within the group's history. Organized topically based on key themes important to the Beatles story, each chapter uncovers the varied and multifaceted relationships women have had with the band, whether face-to-face and intimately or parasocially through mediated, popular culture. Set within a socio-historical context that charts changing gender norms since the early 1960s, these narratives consider how the Beatles have affected women's lives across three generations. Providing a fresh perspective of a well-known tale, this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades.

This book explores the critical significance of the visual arts to transnational feminist thought and activism. This first volume in Marsha Meskimmon 's powerful and timely Trilogy focuses on some of the central political challenges of our era, including war, migration, ecological destruction, sexual violence and the return of neo-nationalisms. It argues that transnational feminisms and the arts can play a pivotal role in forging the solidarities and epistemic communities needed to create social, economic and ecological justice on a world scale. Transnational feminisms and the arts provide a vital space for knowing, imagining and inhabiting –

earth-wide and otherwise. The chapters in this book each take their lead from a current matter of political significance that is central to transnational feminist activist organizing and has been explored through the arts in ways that permit dialogues across geopolitical borders to take place. Including examples of artwork in full colour, this is essential reading for students and researchers in art history, theory and practice, visual culture studies, feminism and gender studies, political theory and cultural geography. MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr. is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life. This book addresses this neglect by focusing on King's life as a paradigm of a deep, vital, engaging, balanced, and contagious spirituality. It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer, meditation, and fasting but also a public ministry that involved the uplift and empowerment of humanity. Much attention is devoted to King's spiritual leadership, to his sense of the civil rights movement as "a spiritual movement," and to his efforts to rescue humanity from what he termed a perpetual "death of the spirit." Readers encounter a figure who took seriously the personal, interpersonal, and sociopolitical aspects of the Christian faith, thereby figuring prominently in recasting the very definition of spirituality in his time. King's "holistic spirituality" is presented here with a clarity and power fresh for our own generation.

Over more than twenty years as a mediator, Aaron T. Wolf has learned that successful conflict resolution is shaped by complicated dynamics--from how comfortable the meeting room is to the participants' deepest senses of self. Bridging seemingly intractable issues means addressing multiple

layers of needs. Wolf's approach may be surprising to Westerners who are accustomed to separating rationality from spirituality and science from religion. The Spirit of Dialogue draws lessons from a diversity of faith traditions to transform conflict, from identifying the root cause of anger to aligning with an energy beyond oneself--what Christians call grace--to the true listening practiced by Buddhist monks. Whether atheist or fundamentalist, Muslim or Jewish, Quaker or Hindu, any reader involved in difficult dialogue will find concrete steps towards a meeting of souls.
