(PDF) Theories of Human Communication - ResearchGate
Stephen W. Littlejohn, Karen A. Foss, John G. Oetzel. The Eleventh Edition is organized around: (1) elements of the basic communication

model—communicator, message, medium, and “beyond” human communication; and (2) communication contexts—relationship, group, organization, health, culture, and society. A new chapter discusses four frameworks by which theories can be organized; students can see how theories contribute to and are impacted by larger issues about the nature of inquiry.

*Theories Of Human
Communication Stephen*
For almost four decades,
Theories of Human
Communication has offered
readers an engaging and
informative guide to the rich
array of theories that
influence our understanding
of communication. The first
edition broke new ground
with its comprehensive

discussion of theorizing by
communication scholars.
*Theories of Human
Communication - Stephen W.
Littlejohn ...*
THEORIES OF HUMAN
COMMUNICATION is
considered the seminal text in the
field. Littlejohn and Foss present
the range of communication
theories currently available in the
discipline, organizing them
according to the scholarly
traditions and contexts from
which they emerge.
