Overview This is one of the most demanding courses for Communication users, and THEORIES OF COMMUNICATION is considered the seminal text in the field. Littlejohn presents theories in a clear and accessible writing style while maintaining the high level of scholarship and analysis.

Theories of Human Communication Stephen W. Littlejohn ...
Stephen W. Littlejohn, Karen A. Foss, John G. Oetzel. The Eleventh Edition is organized around: (1) elements of the basic communication model—communicator, message, medium, and “ beyond ” human communication; and (2) communication contexts—relationship, group, organization, health, culture, and society. A new chapter discusses four frameworks by which theories can be organized; students can see how theories contribute to and are impacted by larger issues about the nature of inquiry.
