**Documentation**

**Examples and Documentation ...**

There are 4 main parts to a good therapy daily note.

Let ' s look at the key components of a

physical therapy

daily note. The same example can be

used for

occupational

therapy daily notes

as well. SOAP Note

Physical Therapy.

The basic outline

of a therapy daily

note should follow

the SOAP format:

Subjective,

Objective,

Assessment, and

Plan.

HCPPro, Inc.

A daily note must include

information about client's

performance and how current

performance is different from

previous performance. The goal

of an Occupational Therapy

progress note is to establish that

the skills of an OT Practitioner

contributed to the child ' s

progress towards the goals in the

intervention plan.

Documentation & Reimbursement - AOTA

Documentation of a visit or encounter, often called a progress note or daily note, documents sequential implementation of the plan of care established by the physical therapist, including changes in patient/client status and variations and progressions of specific interventions  
Tips to Improve Skilled Nursing Documentation - HTS Therapy  
Agreed, daily documentation is imperative. However, there are legitimate shortcuts to daily documentation that preclude the need for an actual daily narrative. I can ' t help but wonder if some of the clinicians writing in are mistakenly

---

inferring that the directive to forgo the daily “ note ” means don ’ t document at all.

### 7 Essentials to Writing Effective Pediatric OT SOAP Notes

Speech therapy documentation can be tedious and time-consuming; however, it doesn't have to be! I have explored MANY ways to streamline the process and landed on Google Drive. I use Google Drive for all my school job paperwork and now use it only for my private practice. It is quick, easy, safe, and parents seem to love it!

### Crafting the Ideal OT Note — OT Potential

Many of us aren't paid for our documentation time, and our sloppy notes reflect this fact. And many of us work in settings where we are constantly having to over-document to avoid denial of reimbursements.. Plus, the time we spend documenting generally does not count toward our productivity, which means the longer we spend typing our notes, the less productive we appear to be in management ...
