Happy Days

Composition Notebook:
Wide Rul
The first novel from the New York Times bestselling author of *The Idiot Girls'* Action-Adventure Club is a rollicking tale of small-town peculiarity, dark secrets, and one extraordinary beauty pageant. When her husband is offered a post at a small university, Maye is only too happy to pack up and leave the relentless Phoenix heat for the lush green quietude of

Spaulding, Washington. While she loves the odd little town, there is one thing she didn't anticipate: just how heartbreaking it would be leaving her friends behind. And when you're a childless thirtysomething freelance writer who works at home, making new friends can be quite a challenge. After a series of false starts nearly gets her exiled from town, Maye decides that her last chance to connect with her new neighbors is to enter the annual Sewer Pipe Queen Pageant, a kooky but dead-serious local tradition open to contestants of all ages and genders. Aided by a deranged

former pageant queen with one eyebrow, Maye doesn't just make a splash, she uncovers a sinister mystery that has haunted the town for decades. "[Laurie Notaro] may be the funniest writer in this solar system."—The Miami Herald

The Fortnightly Review

There's a Small Chance I'm Wrong But I'm a Web Developer and a Mom So I Highly Doubt It

Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida. In the city of Coconut Grove, Florida, these things happen: A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell. His teenage son, Matt, fills a Squirtmaster 9000 for his turn at a high school game called Killer. Matt's intended victim, Jenny Herk, sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once. Jenny's alcoholic and secretly embezzling

stepfather, Arthur, emerges from the maid's room, angry at being rebuffed. Henry and Leonard, two hit men from New Jersey, pull up to the Herks' house for a real game of Killer, Arthur's embezzlement apparently not having been quite so secret to his employers after all. And a homeless man named Puggy settles down for the night in a treehouse just inside the Herks' yard. In a few minutes, a chain of events that will change the lives of each and every one of them will begin, and will leave some of them wiser, some of them dead, and some of them definitely looking for a new line of work. With a wicked wit, razor-sharp observations, rich characters, and a plot with more twists than the Inland Waterway, Dave Barry makes his debut a complete and utter triumph.
