Cows Paulist Press
We were going out

stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948 and one of the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But

this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, *Out Stealing Horses* by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor, however, forces him to reflect on that fateful summer.

"They Shoot Horses, Don't

They?" Vintage

In this paperback edition is a foreword by activist and author John Robbins and a reader's group study guide. This ground-breaking work, voted one of the top ten books of 2010 by VegNews Magazine, offers an absorbing look at why and how humans can so wholeheartedly devote ourselves to certain animals and then allow others to suffer needlessly, especially those slaughtered for our consumption. Social psychologist Melanie Joy explores the many ways we numb ourselves and disconnect from our natural empathy for farmed animals. She coins the term "carnism" to describe the belief system that has conditioned us to eat certain animals and not others. In *Why We Love Dogs, Eat Pigs, and Wear Cows* Joy investigates factory farming, exposing how cruelly the animals are treated, the

hazards that meatpacking workers face, and the environmental impact of raising 10 billion animals for food each year. Controversial and challenging, this book will change the way you think about food forever.

Sophie's World Strelbytsky

Multimedia Publishing

Whimsically explores the origins and realities of 45 commonly held myths about French history, society and culture, sharing insight into how the country has radically changed in the 21st century while retaining much of its traditional mystery, romance and allure.

Taste Simon and Schuster

This is not just a book about running. It's a book about cupcakes. It's a book about suffering. It's a book about gluttony, vanity, bliss, electrical storms, ranch dressing, and Godzilla. It's a book about all the terrible and wonderful reasons we

wake up each day and propel our bodies through rain, shine, heaven, and hell. From #1 New York Times best-selling author, Matthew Inman, AKA The Oatmeal, comes this hilarious, beautiful, poignant collection of comics and stories about running, eating, and one cartoonist's reasons for jogging across mountains until his toenails fall off. Containing over 70 pages of never-before-seen material, including "A Lazy Cartoonist's Guide to Becoming a Runner" and "The Blerch's Guide to Dieting," this book also comes with Blerch race stickers.

Tiger! Tiger! (The First Jungle Book)

Graywolf Press

McCoy's hardboiled noir classic, about an Ivy League graduate's criminal

rampage through the
seedy underground
and glitzy high
society of an
unnamed American
city To escape
prison, Ralph
Cotter uses the
same genius for
planning and
penchant for cold-
hearted violence
that helped earn
him a spot in the
slammer in the
first place. On the
lam in a city where
he knows nobody,
Cotter has nothing
to lose, no
conscience to hold
him back, and no
limit to his
twisted ambition.
But in the midst of
a criminal spree, a
grift leads him to
the boudoir of

wealthy heiress
Margaret Dobson, a
woman with the
power to peel back
the rotten layers
of his psyche and
reveal the damaged
soul beneath.
Vicious and
thrilling, Kiss
Tomorrow Goodbye is
a look at one man's
relentless attack
on American
society, conjuring
one of the most
memorable antiheroes
of twentieth-
century noir
fiction. This ebook
features an

This comical, fantastical, romantical, New York Times bestselling, (not) entirely true story of Lady Jane Grey is "an uproarious historical fantasy that's not to be missed" (Publishers Weekly, starred review). In My Lady

Jane, coauthors
Cynthia Hand, Brodi
Ashton, and Jodi
Meadows have
created a one-of-a-
kind YA fantasy in
the tradition of
The Princess Bride,
featuring a
reluctant king, an
even more reluctant
queen, a noble
steed, and only a
passing resemblance
to actual
history—because
sometimes history
needs a little
help. At sixteen,
Lady Jane Grey is
about to be married
off to a stranger
and caught up in a
conspiracy to rob
her cousin, King
Edward, of his
throne. But those
trifling problems

aren't for Jane to
worry about. Jane
gets to be Queen of
England. Like that
could go wrong. New

They Shoot Horses, Don't They? Dog Ear Publishing

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is

the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he

writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

They Eat Horses, Don't They?:

The Truth About the French tells you what life in France is really like. Do the French eat horses? Do French women bare all on the beach? What is a bidet really used

for? In this hilarious and informative book, Piu Marie Eatwell reveals the truth behind forty-five myths about the French, from the infamous horsemeat banquets of the nineteenth century that inspired an irrepressible rumor, to breaking down our long-held beliefs about French history and society (the French are a nation of cheese-eating surrender monkeys, right?). Eatwell lived in France for many years and made the most of long French weekends, extended holidays, and paid time off to sit on French beaches, evaluate the sexual allure of the French men and women

around her, and, of course, scan café menus for horses and frogs. As a result, *They Eat Horses, Don't They?* reveals a fascinating picture of historical and contemporary France—a country that has both changed radically in the twenty-first century, but yet still retains much of the mystery, romance, and allure that has seduced foreigners for decades. Truth, as always, is stranger than fiction. . . .

Fox and the Horse
Conari Press
The ebook of the stunning new novel from the bestselling author of *SHIVER*, *LINGER AND FOREVER*.
Stay alive, stay astride, stay out of the water... Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capaill uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capaill uisce. With one foot in the ocean and one on land, he is the only man on the island

capable of taming the
beasts. He races to
prove something both
to himself and to the
horses. Puck Connolly
enters the races to
save her family. But
the horse she rides is
an ordinary little
mare, just as Puck is
an ordinary girl. When
Sean sees Puck on the
beach he doesn't think
she belongs. He
doesn't realize his
fate will become
entwined in hers. They
both enter the Races
hoping to change their
lives. But first
they'll have to
survive.
