Examining the “social laboratory” of the Israeli and Palestinian societies to better understand social conflicts and the construction of diverse and conflicting collective narratives, this book gives readers a window into Professor Shifra Sagy’s unique approach to intergroup conflicts and peace education. With a focus on both theory and practice, it describes the model of perceptions of collective narratives that she developed with her colleagues. The contributions here offer insight into the intergroup conflicts between Israelis and Palestinians, Palestinian Muslims and Christians, Jewish ‘National Religious’ and people of ultra-Orthodox faith, and Palestinians living in Israel and those living in the West Bank. Perceptions of collective narratives help crystallize social identity, a sense of community and national coherence, and a culture of conflict. Often this creates obstacles to peace and conflict resolution. This book instead looks at how we can use these constructions to promote reconciliation.

Delusion, dementia or discourse? A daughter insists on the latter, and with the threads of her mother's narratives weaves for them a raft of words. These conversations, unlike anything I'd shared with her before, shocked me. I was glad they happened only when we were alone together. I'd never even thought these things I heard us say, didn't know where they came from. But since they seemed to make sense to her, I kept inviting her to speak. She'd say something, I'd listen, say something back; we were together in words. As if what we said to each other arose, not from our own learning or experience, but some underlying chord that included our voices but was bigger, spoke through them, as if the sound of the ocean were encoded in the sounds of the rain. I'll Close My Eyes (But I Won't Be Asleep) sounds an intimate, heartbreaking, and sometimes humorous, end-of-life chord in a mother and daughter relationship. A compelling memoir, *I'll Close My Eyes (But I Won't Be Asleep)* is an honest account of what, for most of us, remains hidden and unheard. It will be useful for anyone torn by conflicting desires and demands, battered by memory, grief and rage, and struggling to give care. Bestseller and multiple award-winning author Linda Barnes returns with the most personal case to date for her popular Boston PI, Carlotta Carlyle. Carlotta, in unfamiliar territory working on her own behalf, finds herself in the middle of a complicated case that has as much to do with the people she loves as the backstreets of Boston, and beyond. For starters, Carlotta wants to know what her on-again, off-again boyfriend Sam Gianelli did to earn himself a secret indictment for murder that's keeping him out of the country. A man with plenty of secrets, he won't tell her anything, much less let her help, and she isn't having any more luck with her old friends at the Boston PD. Sam's exile could be connected to the mob—he is in the family—but she's not buying it. It couldn't be that simple. Nothing involving Sam ever is. Faced with nothing but dead ends, Carlotta goes back to basics and takes a case for a nervous bride-to-be who wants to make sure her fiancé is being faithful. Simple enough, but when her client turns up

dead, Carlotta catches the kind of break she wished she hadn't. While nothing is as it seems in Lie Down with the Devil, one thing is clear: Readers know that when they're reading Linda Barnes, they're in the hands of a maestro.
