### The Enchantment Emporium Penguin

A powerful, moving saga evoking the Celtic, Anglo-Saxon and Norse cultures of a thousand years ago from the acclaimed author of The Fionavar Tapestry. "A historical fantasy of the highest order, the work of a man who may well be the reigning master of the form."—The Washington Post Book World Bern Thorkellson, punished for his father's sins, denied his heritage and home, commits an act of vengeance and desperation that brings him face-to-face with a past he's been trying to leave behind... In the Anglcyn lands of King Aeldred, the shrewd king, battling inner demons all the while, shores up his defenses with alliances and diplomacy—and with swords and arrows. Meanwhile his exceptional, unpredictable sons and daughters give shape to their own desires when battle comes and darkness falls in the spirit wood... And in the valleys and shrouded hills of the Cyngael, whose voices carry music even as they feud and raid amongst each other, violence and love become deeply interwoven when the dragon ships come and Alun ab Owyn, pursuing an enemy in the night, glimpses strange lights gleaming above forest pools... Making brilliant use of motifs from saga and song and chronicle, Guy Gavriel Kay conjures a work of subtle, intricate richness, bringing to life an unforgettable world balanced on the knife-edge of change. Solaris

A thieftaker in revolutionary-era Boston who uses his magic to catch criminals must fight a sorcerer who is trying to wake the souls of the dead in the new addition to the series following Thieve's Quarry. 15,000 first printing.

### Time's Demon Angry Robot

Let the battle for souls begin in Dead Man's Reach, the fourth, stand-alone novel in D.B. Jackson's acclaimed Thieftaker series. Boston, 1770: The city is a powder keg as tensions between would-be rebels and loyalist torries approach a breaking point and one man is willing to light the match that sets everything off to ensure that he has his revenge. The presence of the British Regulars has made thieftaking a hard business to be in and the jobs that are available are reserved for Sephira Pryce. Ethan Kaille has to resort to taking on jobs that he would otherwise pass up, namely protecting the shops of Torries from Patriot mobs. But, when one British loyalist takes things too far and accidentally kills a young boy, even Ethan reconsiders his line of work. Even more troubling is that instances of violence in the city are increasing, and Ethan often finds himself at the center of the trouble. Once Ethan realizes why he is at the center of all the violence, he finds out that some enemies don't stay buried and will stop at nothing to ruin Ethan's life. Even if that means costing the lives of everyone in Boston, including the people that Ethan loves most. ### The Price of Doing Business Penguin

"Wow. C. E. Murphy is good. Court intrigue in an alternate Elizabethan-era fantasy world: realpolitik with the sex included." —Kate Elliott, author of Crown of Stars In a world where religion has ripped apart the old order, Belinda Primrose is the queen's secret weapon. The unacknowledged daughter of Lorraine, the first queen to sit on the Aulunian throne, Belinda has been trained as a spy since the age of twelve by her father, Lorraine's lover and spymaster. Cunning and alluring, fluent in languages and able to take on any persona, Belinda can infiltrate the glittering courts of Echon where her mother's enemies conspire. She can seduce at will and kill if she must. But Belinda's spying takes a new twist when her witchlight appears. Now Belinda's powers are unlike anything Lorraine could have imagined. They can turn an obedient daughter into a rival who understands that anything can be hers, including the wickedly sensual Javier, whose throne Lorraine both covets and fears. But Javier is also witchbreed, a man whose ability rivals Belinda's own... and can be just as dangerous. Amid court intrigue and magic, loyalty and love can lead to more daring passions, as Belinda discovers that power is the ultimate aphrodisiac. "C. E. Murphy vividly reimagines Renaissance Europe as a world both familiar and strange. Filled with intrigue and betrayal, her story is a chess game with six of seven sides, and I look

forward to seeing what the next moves are." —Marie Brennan, author of Warrior and Witch From the Trade Paperback edition.

"A remarkably assured fantasy debut that mixes of the inventiveness of China Miéville with the fast paced heroics of David Gemmell." —Anthony Ryan, New York Times bestselling author of The Legion of Flame Set on a postapocalyptic frontier, Blackwing is a gritty fantasy debut about a man's desperate battle to survive his own dark destiny... Hope, reason, humanity: the Misery breaks them all. Under its cracked and wailing sky, the Misery is a vast and blighted expanse, the arcane remnant of a devastating war with the immortals known as the Deep Kings. The war ended nearly a century ago, and the enemy is kept at bay only by the existence of the Engine, a terrible weapon that protects the Misery's border. Across the corrupted no-man's-land teeming with twisted magic and malevolent wraiths, the Deep Kings and their armies bide their time. Watching. Waiting. Bounty hunter Ryhalt Galharrow has breathed Misery dust for twenty bitter years. When he's ordered to locate a masked noblewoman at a frontier outpost, he finds himself caught in the middle of an attack by the Deep Kings, one that signifies they may no longer fear the Engine. Only a formidable show of power from the very woman he is seeking, Lady Elizabeth Tanza, repels the assault. Elizabeth is a shadow from Galharrow's grim past, and together they stumble onto a web of conspiracy that threatens to end the fragile peace the Engine has provided. Galharrow is not ready for the truth about the blood he's spilled or the gods he's supposed to serve...

### Range of Ghosts Tor Books

A double-agent sacrifices all his ideals in order to save his smuggler lover before a government coup takes over their decadent city in Lara Elena Donnelly's glam spy thriller debut, now a Nebula finalist for Best Novel! "Exploring the roots of hatred, nationalism, and fascism, while at the same time celebrating the diversity, love, romance, fashion, and joy the world is capable of producing." —Bookriot Introducing... The Smuggler: By day, Aristide Makricosta is the emcee for Amberlough City's top nightclub. By night, he moves drugs and refugees under the noses of crooked cops. The Spy: Covert agent Cyril DePaul thinks he's good at keeping secrets, but after a disastrous mission abroad, he makes a dangerous choice to protect himself...and hopefully Aristide too. The Dancer: Streetwise Cordelia Lehané, burlesque performer at the Bumble Bee Cabaret and Aristide's runner, could be the key to Cyril's plans—if she can be trusted. As the twinkling marquees lights yield to the rising flames of a fascist revolution, these three will struggle to survive using whatever means — and people — necessary. Including each other. "James Bond by way of Oscar Wilde." —Holly Black "Sparkling with slang, full of riotous characters, and dripping with intrigue, Amberlough is a dazzling romp through a tumultuous, ravishing world." —Robert Jackson Bennett, winner of the Shirley Jackson Award and the Edgar Award "Astonishing first novel!" —World Fantasy Award-winning author Ellen Kushner At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### Green Darkness Thieftaker Chronicles

Ethan Kaille is a Thieftaker in Boston in the years leading up to the American Revolution. Having suffered losses and reversals in his life, he is neither naive nor without considerable personal resources. He isn't just a detective; he's also a conjurer, which makes him someone who lives on the margins of polite society. Some people fear his powers; others merely find him a distasteful rogue who should simply go away . . . but still, he is useful to the powers-that-be when problems arise requiring his unusual skill-set. In the novels Thieftaker and Thieves' Quarry, as well as in the story "A Spell of Vengeance," which was published on Tor.com, Kaille has had to deal with a variety of crimes and their perpetrators. The story that follows is one from Kaille's early days as a thieftaker in Boston. In it, he must face a formidable foe, one of a most unexpected sort, whose own powers, very different from his own, prove the equal of Ethan's. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY** New York Times bestselling author Peter F. Hamilton 's riveting new thriller combines the nail-biting suspense of a serial-killer investigation with clear-eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable. A century from now, thanks to a technology allowing instantaneous travel across light-years, humanity has solved its energy shortages, cleaned up the environment, and created far-flung colony worlds. The keys to this empire belong to the powerful North family—composed of successive generations of clones. Yet these clones are not identical. For one thing, genetic errors have crept in with each generation. For another, the original three clone "brothers" have gone their separate ways, and the branches of the family are now friendly rivals more than allies. Or maybe not so friendly. At least that 's what the murder of a North clone in the English city of Newcastle suggests to Detective Sidney Hurst. Sid is a solid investigator who 'd like nothing better than to hand off this hot potato of a case. The way he figures it, whether he solves the crime or not, he 'll make enough enemies to ruin his career. Yet Sid 's case is about to take an unexpected turn: because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet St. Libra, where a North clone and his entire household were slaughtered in cold blood. The convicted slayer, Angela Tramel, has always claimed her innocence. And now it seems she may have been right. Because only the St. Libra killer could have committed the Newcastle crime. Problem is, Angela also claims that the murderer was an alien monster. Now Sid must navigate through a Byzantine minefield of competing interests within the police department and the world 's political and economic elite . . . all the while hunting down a brutal killer poised to strike again. And on St. Libra, Angela, newly released from prison, joins a mission to hunt down the elusive alien, only to learn that the line between hunter and hunted is a thin one.
