A Family's Struggle with
Anorexia Moody Publishers

Art Hilmo was a teenage boy in Norway when the Nazis invaded and began to take the Jewish families to concentration camps. Knowing their lives were at stake, Art's family decided they would risk everything to help these poor Jewish people.

Foreword by Tony Stewart
Macmillan

Morgan Menzie takes readers through a harrowing but ultimately hopeful and inspiring account of her eating disorder. Her amazing story is told through the journals she kept during her daily struggle with this

addiction and disease. Her triumphs and tragedies all unfold together in this beautiful story of God's grace. Features include: daily eating schedule, journal entries, prayers to God, poems, and what she wished she knew at the time. It's the true story of victory over a disease that is killing America's youth.

Hachette UK

Do you ever get hungry?

Too hungry to eat? Holly's older sister, Giselle, is self-destructing. Haunted by her love-deprived relationship with her late father, this

once strong role model and medical student, is gripped by anorexia. Holly, a track star, struggles to keep her own life in balance while coping with the mental and physical deterioration of her beloved sister. Together, they can feel themselves slipping and are holding on for dear life. This honest look at the special bond between sisters is told from the perspective of both girls, as they alternate narrating each chapter. Gritty and often wryly funny, *Skinny* explores family relationships, love, pain, and the hunger for acceptance that drives all of

us.

My name is Lucy. I am in recovery from anorexia nervosa and major depression, each of which almost killed me. So begins *Biting Anorexia*, an extraordinary account of a teenage girl's descent into the tortured existence of anorexia and her arduous, remarkable recovery. Much of this unflinchingly candid memoir is ripped directly from the pages of author Lucy Howard-Taylor's diary

as she struggled with the torturous condition, offering a rare glimpse into the thoughts and fears that grip the minds of those struggling with anorexia, the most fatal of all psychiatric illnesses. Tinged with a wicked sense of humor, Lucy's beautifully written, penetrating insights capture the overpowering anxiety that comes with anorexia and reveal the challenge of recovery. This courageous and compelling story will inspire and support those troubled with the condition, and their family

and friends, the world over. ... a graphic yet poetic insight into the pain and suffering experienced by sufferers of eating disorders. --Claire Vickery, CEO and founder of The Butterfly Foundation

'This is an important, searingly honest book that will change lives. Tina is one of the bravest women I've ever met' - Lorraine Kelly 'I can tell you exactly the day it all went wrong - the day my mum attacked my dad with a kitchen knife.'

In those few, short seconds, a black hole opened up in my life and I fell right in.' Tina McGuff's life was perfect - or so she thought. Living in Dundee with her devoted parents and three younger sisters, she was a happy, healthy and confident thirteen-year-old. But all that changed in one horrifying act of revenge and Tina's world collapsed overnight. Terrified, lost and confused, she turned to the one thing she thought she could control - food. And so began the biggest fight of her life. Tina's life-or-death struggle with anorexia is told with devastating honesty in this extraordinary account of a girl at war with herself. Through her years in and out of psychiatric wards, Tina takes us to some of the darkest places of the mind. But in the end her courage, conviction and sheer determination win out. It took Tina seconds to snap and a lifetime to recover - but today, as a passionate campaigner for mental health, she is living proof that there is always a reason to hope that one day, things will get better.

The Courageous Story of Art Hilmo She Writes Press

A beautiful teenager, Grace Bowman lived a perfectly ordered, ordinary life. Until one day, aged 18, she went on a diet, and then couldn't stop. An account of life with anorexia nervosa, this is

Grace's story, a story that explains the struggle for self-discovery, and chronicles the battles waged for control over mind and body.

My Thinning Years MIRA

In No Limits, Michael Phelps - perhaps the greatest Olympic competitor the world has ever seen - will show us the secrets to his remarkable success, from training to execution. Behind his tally of Olympic gold medals - more

than any athlete throughout history - lies a consistent approach to competition, a determination to win, mental preparation, and a straightforward passion for his sport. One of his mottos is 'Performance is Reality', and it typifies his attitude about swimming. No Limits goes behind the scenes to explore the hard work, sacrifice, and dedication that catapulted Phelps into the international spotlight. Phelps will

share remarkable anecdotes about family, his coach, his passion for the sport, and the wisdom that he has gained from unexpected challenges and obstacles. Highlighting memorable races and valuable lessons from throughout his career, Phelps offers candid insight into the mind and experiences of a world champion. No Limits will inspire anyone to follow their passion straight to the finish line. *A Memoir of Anorexia and Recovery* Penguin

UPDATED FOR 2020 WITH

A NEW PREFACE BY NATE

SILVER "One of the more momentous books of the decade." -The New York Times Book Review Nate Silver built an innovative system for predicting baseball performance, predicted the 2008 election within a hair's breadth, and became a national sensation as a

blogger—all by the time he was thirty. He solidified his standing as the nation's foremost political forecaster with his near perfect prediction of the 2012 election. Silver is the founder and editor in chief of the website FiveThirtyEight. Drawing on his own groundbreaking work, Silver examines the world of prediction, investigating how we can distinguish a

true signal from a universe of noisy data. Most predictions fail, often at great cost to society, because most of us have a poor understanding of probability and uncertainty. Both experts and laypeople make more confident predictions for more accurate ones. But overconfidence is often the reason for failure. If our appreciation of uncertainty improves, our predictions can get better too. This is the "prediction paradox": The more humility we have about our ability to make predictions, the more successful we can be in planning for the future. In keeping with his own aim to seek truth from data, Silver visits the most successful forecasters in a range of areas, from hurricanes to baseball to global pandemics, from the poker table to the stock market, from Capitol Hill to the NBA. He explains and evaluates how these forecasters think and what bonds they share. What lies behind their success? Are they good—or just lucky? What patterns have they unraveled? And are their forecasts really right? He explores unanticipated commonalities and

exposes unexpected juxtapositions. And sometimes, it is not so much how good a prediction is in an absolute sense that matters but how good it is relative to the competition. In other cases, prediction is still a very rudimentary—and dangerous—science. Silver observes that the most accurate forecasters tend to have a superior command of probability, and they	tend to be both humble and hardworking. They distinguish the predictable from the unpredictable, and they notice a thousand little details that lead them closer to the truth. Because of their appreciation of probability, they can distinguish the signal from the noise. With everything from the health of the global economy to our	ability to fight terrorism dependent on the quality of our predictions, Nate Silver's insights are an essential read. <i>The Bravest of Them All - The Legend of Stan Bowman</i> Standard Ebooks Purge is a beautifully crafted memoir that has a Girl, Interrupted feel. In this raw and engaging account of her months in rehab, Nicole Johns documents her stay in
--	---	--

a residential treatment facility for eating disorders. Her prose is lucid and vivid, as she seamlessly switches verb tenses and moves through time. She unearths several important themes: body image and sexuality, sexual assault and relationships, and the struggle to piece together one's path in life. While other books about eating disorders and	treatment may sugarcoat the harsh realities of living with and recovering from an eating disorder, Purge does not hold back. The author presents an honest, detailed account of her experience with treatment, avoiding the clichéd happily- ever-after ending while still offering hope to those who struggle with eating disorders, as well as anyone who has	watched a loved one fight to recover from an eating disorder. Purge sends a message: though the road may be rough, ultimately there is hope.
