Here's what, Marshall Sylver, "author of "Passion, Profit, and Power" says: "Is your life and everything you want worth 7 minutes per day to you? The mind is a muscle and like all muscles it must be stretched and exercised. In this book The 7 Minute Millionaire Tony Neumeyer lays down in easy to understand terms how you can create PPM's or Personal Programming Messages that will positively impact you all day long. I know this works because these strategies took me from poor farm boy to self-made multimillionaire. You will love the book. Even better you will love your new life once you put this book into practice." ----- How to Think Yourself Rich; is that really possible? What does it mean? First, it means creating the life you desire and have always wanted. The 7-Minute Millionaire - How To Think Yourself Rich, gives you the exact methodology used by the author to create and earn millions of dollars. Tony Neumeyer came from humble beginnings, and in his early twenties, went into real estate sales and development. Due to a significant market reversal, he was forced into a devastating bankruptcy, but Tony bounced back, and grew a fortune using what he lays out in his book. Wherever you are in your life, the step by step unique strategies in the pages of The 7-Minute Millionaire will help you to create whatever it is you are after. Business, financial, personal relationships, health goals, and more, are all achievable using this simple method. Using the focused techniques laid out in this book creating success habits, he doubled his real estate sales in a year, while creating a multimillion-dollar business at the same time. You may have some gotten into some bad habits in life, but it is important to know you can create good habits as well; habits of success that will create the life and financial status you choose. But this is not a book of fluff; be prepared to do some work. Chapter one, "Who's In Charge Anyway?" will begin by asking you to do the first of a series of practical exercises, designed to build upon each other through a process that will lead you to the point of creating your own Personal Programing Message (PPM). This will be the foundation of creating everything you want in your life. Later, in chapter eight, you will discover that no matter what business, job, or circumstance you are in, "The Razor's Edge Reality" will not only virtually eliminate your competition, it will help you to realize there isn't any competition to concern yourself with in the first place. Tony's tried, true and unique -techniques will arm you with strategies to achieve exactly what you set your heart and mind upon. Throughout the book, he draws from his own personal experience as well as diverse sources of wisdom and inspiration. Tony shows you not only how to build your own personal wealth but also happiness, health and anything else you want to achieve. With The 7-Minute Millionaire: prepare to Think Yourself Rich and live your dreams!"

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's

celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. Divine Sight finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, Divine Sight explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.
