There are very few people alive who have invested more time studying success than Bob Proctor. He has spent almost all day, every day, for thirty-three years analyzing success. Over the years, he has had many failures, but has also had numerous exciting wins on many continents around the world with millions of dollars involved. The wins and the failures have both proven to be extraordinary personal learning experiences. These are the core lessons that Bob has learned and mastered throughout his illustrious career of dedicated study, rigorous application, trial and error, and, of course, BIG wins. When it comes to systematizing life, no one else can touch him. He is simply the best. Let Bob lead you through his 12 principles for finding success. Instantly apply them to your own life. It will begin to impact you long before you reach the last chapter. Let Bob teach you about: CONFIDENCE PERSISTENCE GOALS SUCCESS ATTITUDE COMMUNICATION ACTION DECISION RISK RESPONSIBILITY MONEY CREATIVITY There are a few people who are truly successful and many others who work hard all of their lives attempting to be successful. As a result, the average person believes that success is hard to obtain and that those who do achieve it are either lucky or extremely brilliant. Most people are so busy attempting to make ends meet that they never take the time to really study the highly successful people. Every person who has made such a study has arrived at the same shocking conclusion: success is merely a decision. You must decide what you want and then begin moving toward it. You decide where you are, and you begin with whatever you have. That's it. "The only limits in our life are those that we impose on ourselves." - BOB PROCTOR

Science has defined a variety of natural laws that explain the physical world and how it changes. One such law states that for every action there is a reaction, and that for every motion there is corresponding counter-motion. Whether it's visible to the human eye or not, one thing is certain - movement and change will occur as a result. Having studied these principles, author Raymond Holliwell not only understood the universal physical applications, he also understood the spiritual and mental applications as well. By using this law on a spiritual and mental level, Holliwell found that a specific thought could create a desired reaction in his personal and professional life through continual and dedicated practice. As he came to realize the expanded potential of this powerful law, he eventually recognized the ultimate source of the dramatic results - God.

"The Prophet of Profit can and will alter your perception and transform your attitude about money and more specifically about profit." Bob Proctor, Co-Founder, Proctor Gallagher Institute
A Prophet is a person who is delivering good news and I want you to understand this... Profit is an honorable word. This word should be added to your vocabulary whether you are a business owner, an entrepreneur, a stay at home mom or someone working for a company; it doesn't matter to me, the word is "Profit". This word is so important and yet it is not talked about nearly enough and not given the attention it truly deserves. There are things you want to be doing whether it's expanding your business or maybe on a personal level go on more vacations and the number one reason that is getting in your way is because of this word. Profit. There simply isn't enough. What I am about to share with you, we were not taught in school. I certainly wasn't. I am of the opinion now, that profit is something that should become a top priority in everyone's personal and professional life. This is why 1% of the population earns most of the money in the world! And unfortunately the average individual does not understand how they are doing it. These people know something that the mass majority of the population doesn't. They know how to earn a profit. The principles that I am going to outline in this book has put me in the 1% of income earners in few short years! "Jacquelyn MacKenzie knows what she is talking about. I believe the answer to how to achieve your goals can be found on the pages of this book." Peggy McColl, New York Times Best Selling Author

This classic declares that life's direction is a self-fulfilling prophecy and offers a practical rather than philosophical approach. It shows how creative thought and willpower are key to achieving goals.
Makes You Think

The most outstanding benefit that you will receive from studying and applying the information in this book is that you will change what you believe you can do. Your belief about yourself will grow and that is huge. Back in 1900, William James (Harvard) said "Believe in your belief will create the fact." This is what enabled Kathleen Cameron to make an immediate shift in her income from average to millions. Study this. Now you can too. *Becoming "THE ONE"* Will quickly shift your perception of what you are truly capable of accomplishing in any and all areas of your life. Will cause you to look at money in a totally different way and you will begin to understand why all the great leaders have clearly told us there is no limit to what you can earn. Will bring your order to your mind and will enable you to take care of whatever condition or circumstance may arise in a calm, confident manner. Will begin to turn caring and sharing into your habitual behaviour. Will turn every day to a good day by beginning the day with gratitude.

Becoming The One Penguin

Go on an incredible spiritual journey in this eye-opening book that explores the body's incredible ability to heal itself. ANXIETY AND STRESS are epidemic in today's fast-paced world. In response, many turn to different types of healing and related practices with long-term success with our authors : -Dr Alireza Sharifi-Magda Amin -Ryan Longenecker-Maggie Guo-Shirin Ariff-Annette Nolan-Coach Fareen-Carolynn Tersigni-Ambreen Ihsanullah -Shohreh Bashar-Ayesha Khalid-Dr Roya F. Komeili
When we receive a diagnosis from medical professionals, we are often so overwhelmed that we give up power over our own health and well-being. But the truth is, we have more control over our health and life that we have been led to believe, and that belief is at the core of our body's capacity to heal itself. By identifying the emotional roots of illnesses, we can tap into the body's healing powers and discover that although healing can be complex and deeply personal, it can also happen spontaneously in a moment. Heal shows us that science and spirituality are united and demonstrates that our thoughts, beliefs, and emotions have a huge impact on our overall health and the ability to recover from illness and injury. This book offers many alternative modalities that have worked well for thousands of years, but can't counter the effects of life in the twenty-first century. Instead, you need a new approach to control anxiety, especially given the proven connection between stress and serious diseases, including cancer, caused by a dysfunctional immune system. It's a modern and stressful world. We need a modern way to transform anxiety into vital energy. These authors offer the ways.
