Go on an incredible spiritual journey in this eye-opening book that explores the body's incredible ability to heal itself. ANXIETY AND STRESS are epidemic in today's fast-paced world. In response, many turn to different types of healing and related practices with long-term success with our authors: -Dr Alireza Sharifi-Magda Amin -Ryan Longenecker-Maggie Guo-Shirin Ariff-Annette Nolan-Coach Fareen-Carolynn Tersigni-Ambreen Ihsanullah -Shohreh Bashar-Ayesha Khalid-Dr Roya F. Komeili When we receive a diagnosis from medical professionals, we are often so overwhelmed that we give up power over our own health and well-being. But the truth is, we have more control over our health and life than we have been led to believe, and that belief is at the core of our body's capacity to heal itself. By identifying the emotional roots of illnesses, we can tap into the body's healing powers and discover that although healing can be complex and deeply personal, it can also happen spontaneously in a moment. Heal shows us that science and spirituality are united and demonstrates that our thoughts, beliefs, and emotions have a huge impact on our overall health and the ability to recover from illness and injury. This book offers many alternative modalities that have worked well for thousands of years, but can't counter the effects of life in the twenty-first century. Instead, you

need a new approach to control anxiety, especially given the proven connection between stress and serious diseases, including cancer, caused by a dysfunctional immune system. It's a modern and stressful world. We need a modern way to transform anxiety into vital energy. These authors offer the ways.

Thinking it Through Evan Carmichael

The valuable lesson contained in this book is that the best way to attract prosperity is to abandon the pursuit of wealth and allow it to flow toward oneself. The ancient laws of attraction are explained in plain language and applied in an economic framework—a new perspective not found in other popular explications of these principles. A path to prosperity is offered in tandem with guidance for achieving harmony in both professional and personal spheres while strategies to overcome destructive thinking patterns and to sustain the flow of wealth while channeling it constructively are delineated. Profiles of individuals who pursued their passion rather than profit, and subsequently reaped immense rewards, will inspire those seeking to transform their lives.

Thoughts Are Things is a wonderful, motivational text from two acclaimed public speakers and accomplished authors--Bob Proctor and Greg S. Reid. What mind-set determines whether or not a person will be successful? Do successful people think differently from those who never reach their potential? How can we change our thoughts so that the result of every thought--the offspring of thought--sets us up to win rather than lose? Bob Proctor and Greg S. Reid, authorized by the Napoleon Hill Foundation, delve deeply into the science and psychology of thought, and how thinking is vitally important to a meaningful, successful life. In their interviews with neuroscientists, cardiologists, spiritual teachers, and business leaders, the authors show in Thoughts Are Things how we can think to live!

When you're doing something that's out of the ordinary, your mental programming, your paradigm, will try and stop you. If you want to win, you must keep going. Your paradigms may be masked in complacency, fear, worry, anxiety, insecurities, self-doubt, mental hurry and self-loathing—the result is keeping you STUCK....locked in a box and starved of your dreams and ambitions. To change your life—you MUST change your paradigm. The change is not easy, but it's worth it, and the results are lasting. Bob Proctor will show you his proven methods for doing so. This book will synthesize his decades of study, application, and teaching to: • Explain what paradigms are and how they guide every move you make • Teach you how to identify your paradigms • Show you how to make your own Paradigm Shift • Help you transform your finances, health and lifestyle when you change your paradigm •

Guide you on how to replace a paradigm that doesn't serve you well with a new one that frees you to create the life you really want. Bob will break through the myth many people have about success—that long hours and hard work are sufficient to achieve lasting success. Because without changing your paradigm, no amount of hard work and long work hours will make a measurable, lasting difference in your success. Once you go through Bob Proctor's Paradigm Shift Process, you will expose yourself to a brand new world of power, possibility and promise. There are very few people alive who have invested more time studying success than Bob Proctor. He has spent almost all day, every day, for thirty-three years analyzing success. Over the years, he has had many failures, but has also had numerous exciting wins on many continents around the world with millions of dollars involved. The wins and the failures have both proven to be extraordinary personal learning experiences. These are the core lessons that Bob has learned and mastered throughout his illustrious career of dedicated study, rigorous application, trial and error, and, of course, BIG wins. When it comes to systematizing life, no one else can touch him. He is simply the best. Let Bob lead you through his 12 principles for finding success. Instantly apply them to your own life. It will begin to impact you long before you reach the last chapter. Let Bob teach you about: CONFIDENCE PERSISTENCE GOALS SUCCESS ATTITUDE COMMUNICATION ACTION DECISION RISK RESPONSIBILITY MONEY CREATIVITY There are a few people who are truly successful and many others who work hard all of their lives attempting to be successful. As a result, the average person believes that success is hard to obtain and that those who do achieve it are either lucky or extremely brilliant. Most people are so busy attempting to make ends meet that they never

take the time to really study the highly successful people. Every person who has made such a study has arrived at the same shocking conclusion: success is merely a decision. You must decide what you want and then begin moving toward it. You decide where you are, and you begin with whatever you have. That's it. "The only limits in our life are those that we impose on ourselves." - BOB PROCTOR

It's Your Time Penguin

"The Prophet of Profit can and will alter your perception and transform your attitude about money and more specifically about profit." Bob Proctor, Co-Founder, Proctor Gallagher Institute A Prophet is a person who is delivering good news and I want you to understand this... Profit is an honorable word. This word should be added to your vocabulary whether you are a business owner, an entrepreneur, a stay at home mom or someone working for a company; it doesn't matter to me, the word is "Profit". This word is so important and yet it is not

talked about nearly enough and not given the attention it truly deserves. There are things you want to be doing whether it's expanding your business or maybe on a personal level go on more vacations and the number one reason that is getting in your way is because of this word. Profit. There simply isn't enough. What I am about to share with you, we were not taught in school. I certainly wasn't. I am of the opinion now, that profit is something that should become a top priority in everyone's personal and professional life. This is why 1% of the population earns most of the money in the world! And unfortunately the average individual does not understand how they are doing it. These people know something that the mass majority of the population doesn't. They know how to earn a profit. The principles that I am going to outline in this book has put me in the 1% of income earners in few short years! "Jacquelyn MacKenzie knows what she is talking about. I believe the answer to how to achieve your goals can be found on the pages of this book." Peggy McColl, New York Times Best Selling Author

G&D Media

The most outstanding benefit that you will receive from studying and applying the information in this book is that you will change what you believe you can do. Your belief about yourself will grow and that is huge. Back in 1900, William James (Harvard) said "Believe in your belief will create the fact." This is what enabled Kathleen Cameron to make an immediate shift in her income from average to millions. Study this. Now you can too. Becoming "THE ONE" Will quickly shift your perception of what you are truly capable of accomplishing in any and all areas of your life. Will cause you to look at money in a totally different way and you will begin to understand why all the great leaders have clearly told us there is no limit to what you can earn. Will bring your order to your mind and will enable you to take care of whatever condition or circumstance may arise in a calm, confident manner. Will begin to turn caring and sharing into your habitual behaviour. Will turn every day to a good day by beginning the day with gratitude.

It's Not About the Money Makes You Think

Science has defined a variety of natural laws that explain the physical world and how it changes. One such law states that for every action there is a reaction, and that for every motion there is corresponding counter-motion. Whether it's visible to the human eye or not, one thing is certain - movement and change will occur as a result. Having studied these principles, author Raymond Holliwell not only understood the universal physical

applications, he also understood the spiritual and mental applications as well. By using this law on a spiritual and mental level, Holliwell found that a specific thought could create a desired reaction in his personal and professional life through continual and dedicated practice. As he came to realize the expanded potential of this powerful law, he eventually recognized the ultimate source of the dramatic results - God.

An accessible guide to the principles of success by one of the most respected and sought-after motivational speakers of our time. In the tradition of Og Mandino and Zig Ziglar, this inspirational guide uses a wide variety of subjects, from "Achievement" to "Worry," to bring clarity, information, and motivation to readers. For millions of readers, Bob Proctor's name is synonymous with success. A former protégé of personal development pioneer Earl Nightingale, Proctor first built a wildly successful business career, and then an internationally successful speaking career, elaborating on the principles of Napoleon Hill's Think and Grow Rich and other classic success and prosperity texts. Proctor's position in the business motivation community equals that of Stephen Covey or Og Mandino. But as is not the case with those masters, his books have never been available to the general public—until now! In *The ABCs of Success*—the first trade book ever published by this master of motivation and prosperity—Proctor goes beyond the simple laws of success and attraction, weighing in on sixty-seven different topics essential to all those who wish to make their dreams a reality, including persistence, winning, effectiveness, and vision. Organized in A-to-Z fashion and composed of brief essays that can be read over and over, *The ABCs of Success* is an essential resource for anyone who wants the combined wisdom of a century of success thinking in a single, accessible volume.
