## How to Write a Research Paper in the Third Person | Pen ...

Writing in the third person is writing using the third person point of view. This involves using pronoun such as him, her, it or them. This is quite different from the first-person point of view which predominantly uses pronouns such as I and me and the second person point of view in which the main pronouns used are you and yours. The beauty of writing in the third person is that it gives your work an element of objectivity and flexibility.
