As Frederick Douglass writes in the last paragraph of this autobiography, in 1841 he became an orator for the Anti-Slavery Society. By 1845 he had become well-known for his performances at abolitionist rallies, but he was so articulate and intelligent that many people had begun to doubt he had ever actually been a slave.

ABOUT THE BOOK. For David Goggins, childhood was a nightmare—poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self discipline, mental toughness, and hard work, David transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes.

The account of how Franklin's Autobiography came to be written and of the adventures of the original manuscript forms in itself an interesting story. The Autobiography is Franklin's longest work, and yet it is only a fragment. The first part, written as a letter to his son, William Franklin, was not intended for publication; and the composition ...

Book | David Goggins

Thorpe's autobiography follows him all the way from his childhood in Sydney right up to the London Olympics. This is a man who has had highs and lows away from the pool, who has led an extraordinary life of an elite athlete that most of us will never know, who has faced up to his own demons, and who has the courage to come back and stake his claim for the ultimate goal once more.

Is Me The AutobiographyAn autobiography is a form of composing where in actuality the journalist narrates his or her own life. Don't confuse autobiography having a biography which involves the life span tale of the person that is famous by another person.
