A field hockey field is one of the key parts to the game. Many new playing areas have been invented just for the game such as water base turfs and indoor rubber sided gyms. The old pitch used to be a grass field with a soil base, this cause flooding and torn grass. Next was the sand base grass pitch, it still got torn up but not as bad as the soil base field. The newest and most effective ...

India and Pakistan, once the giants of field hockey, have been taken over by European teams. In the 70's the Europeans developed their own soccer-like defensive style of play and 'set' penalty corner mechanisms helped them score goals. This created controversy over the way these new rules were operating. At the same time as all these rule changes were coming into play, artificial pitches were ...
