Change looms in Havana, Cuba's capital, a city electric with uncertainty yet cloaked in cliché, 90 miles from U.S. shores and off-limits to most Americans. Journalist Julia Cooke, who lived there at intervals over a period of five years, discovered a dynamic scene: baby-faced anarchists with Mohawks gelled with laundry soap, whiskey-drinking children of the elite, Santería trainees, pregnant prostitutes, university graduates planning to leave for the first country that will give them a visa. This last generation of Cubans raised under Fidel Castro animate life in a waning era of political stagnation as the rest of the world beckons: waiting out storms at rummy hurricane parties and attending raucous drag cabarets, planning ascendant music careers and black-market business ventures, trying to reconcile the undefined future with the urgent today. Eye-opening and politically prescient, *The Other Side of Paradise* offers a deep new understanding of a place that has so confounded and intrigued us.

The studio lot looks like ' thirty acres of fairyland ' the night that a mysterious woman stands and smiles at Monroe Stahr, the last of the great Hollywood princes. Enchanted by one another, they begin a passionate but hopeless love affair, starting with a fast-moving seduction as slick as a scene from one of Stahr's pictures. The romance unfolds, frame by frame, watched by Cecilia, a thoroughly modern girl who has taken her lessons in sentiment and cynicism from all the movies she has seen.

This Side of Paradise: The Religious World of Elijah Muhammad was first written as a Master's thesis. Although his thesis was defended less than a year before September 11, the author has not based any of his changes on that horrific event. Elijah Muhammad stood at the helm of an organization called The Nation of Islam, but the religion of Mr. Muhammad is not the religion of today's suicide bombers and pan-national Islamic jihadists. His religion was made in America, by him, for African Americans and other people 'of color' who were willing to renounce their Lord and Savior, Jesus Christ, and follow him, Elijah Muhammad, into Paradise - a state of mind and being in which there would never be seen the 'ungodly' faces of any white man, woman or child. Curtis J. Tilleraas was ordained in the Old Catholic Church as a deacon and then a priest. Today he is serving as a Lutheran pastor in a beautiful country

church, surrounded by corn fields and headstones. He is a former President of ScreenWriters' Workshop, a former lumber yard worker, creamery worker, taxi cab driver, civil service worker (at several universities and colleges), Grant Writer and Director of Development. His poems have appeared in a number of small, literary magazines; and he also worked as a Script Consultant and Research Interviewer on the documentary, Clouded Land: Land Claims Issues on Minnesota's White Earth Indian Reservation. While he was in seminary working on his MDIV degree at Luther Seminary in St. Paul, MN, Pastor Tilleraas also earned an M.A. degree in Islamic Studies. His Arabic teacher at the seminary was a Muslim psychologist from Egypt, and his tutor was a young Palestinian Muslim who grew up in Bethlehem.

This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. Volume 3: The American Middle Ages hinges upon two figures influenced by the juggler: Henry Adams, scion of Presidents and distinguished cultural historian whose works contributed to the rise of medievalism in America during the Gilded Age, and Ralph Adams Cram, the architect whose vision of Gothic accounts directly or indirectly for the campuses of West Point, Princeton, Yale, Chicago, Notre Dame, and many other universities across America. The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle

Ages in modernity. Spanning centuries and continents, the medieval period is understood through the lens of its (post)modern reception in Europe and America. Profound connections between the verbal and the visual are illustrated by a rich trove of images, including book illustrations, stained glass, postage stamps, architecture, and Christmas cards. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies.

No one knew Staceyann's mother was pregnant until a dangerously small baby was born on the floor of her grandmother's house in Lottery, Jamaica, on Christmas Day.

Staceyann's mother did not want her, and her father was not present. No one, except her grandmother, thought Staceyann would survive. It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years. But when the three were separated, Staceyann was thrust, alone, into an unfamiliar and

dysfunctional home in Paradise, Jamaica. There, she faced far greater troubles than absent parents. So, armed with a fierce determination and uncommon intelligence, she discovered a way to break out of this harshly unforgiving world. Staceyann Chin, acclaimed and iconic performance artist, now brings her extraordinary talents to the page in a brave, lyrical, and fiercely candid memoir about growing up in Jamaica. She plumbs tender and unsettling memories as she writes about drifting from one home to the next, coming out as a lesbian, and finding the man she believes to be her father and ultimately her voice. Hers is an unforgettable story told with grace, humor, and courage.

"To write it took three months; to conceive it—three minutes; to collect the data in it—all my life." So said F. Scott Fitzgerald regarding *This Side of Paradise*, the novel he began writing in November 1917 and published on March 26, 1920. *This Side of Paradise* launched Fitzgerald as the "Prophet of the Jazz Age" and the spokesman for his generation. It is still one of the major reasons for his fame today. The story of how Fitzgerald wrote and published the book is fascinating. In *The Making of "This Side of Paradise"*, James West studies the inception, composition, publication, and textual history of the novel. He traces its growth from its earliest version, entitled "The Romantic Egotist," to its final published form. Based on preserved documentary evidence—fragments of "The Romantic Egotist," the manuscript of *This Side of Paradise*, surviving correspondence, and other papers—this volume blends the techniques of biographical, critical, and textual scholarship to tell the story of the

making of the quintessential novel of the twenties.

The Great Gatsby, set in the town of West Egg on prosperous Long Island in the summer of 1922, concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The novel explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. *The Beautiful and Damned* tells the story of Anthony Patch, a 1910s socialite and presumptive heir to a tycoon's fortune, and his courtship and relationship with his wife Gloria Gilbert. It describes his brief service in the Army during World War I, and the couple's post-war partying life in New York, and his later alcoholism. The novel explores and portrays New York café society and the American Eastern elite during the Jazz Age before and after "the Great War" and in the early 1920s.
