March 2008 JEL No. E6,F3,N0 ABSTRACT This paper offers a "panoramic" analysis of the history of financial crises dating from England's fourteenth-century
This Time is Different: A Panoramic View of Eight ...
Major default episodes are typically spaced some years (or decades) apart, creating an illusion that "this time is different" among policymakers and investors. A recent example of the "this time is different" syndrome is the false belief that domestic debt is a novel feature of the modern financial landscape.

(or decades) apart, creating an illusion that “this time is different” among policymakers and investors. We also confirm that crises frequently emanate from the financial centers with transmission through interest rate shocks and commodity price collapses. Thus, the recent US sub-prime financial crisis is hardly unique.

This Time is Different: Eight Centuries of Financial Folly

...

Book Review: This Time Is Different - Eight centuries of

financial folly by Carmen M. Reinhart. The authors of the book Rogoff and Reinhart were perplexed by what they were perceiving years before this book was written so therefore they were the ones who saw the crisis coming.

This book is about the financial crisis that has plagued the centuries of human history.
