Explores how humor can be explained across the various sub-disciplines of linguistics, in order to aid communication.
Lanterns & Lances Cambridge Scholars Publishing
A BABY ON HIS DOORSTEP After the initial shock wore off, confirmed bachelor Riley Kincaid loved his role of instant daddy. If only he could forget the strange circumstances that had united him and his mystery baby . A WOMAN IN HIS LIFE When Riley met Caralie Tracey, he knew she'd make a role – model mother and a wonderful wife. But then Caralie related a few strange circumstances of her own: A mysterious fire, a suspicious death, and a prior claim to the little girl Riley love with all his heart . Lost & Found
The Film Sense University Press of Kentucky
(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
A Political Companion to John Steinbeck Oxford University Press
This book examines Toni Morrison ' s highly influential works through the lens of philanthropy. The point of departure of this endeavor is the keen observation that philanthropy has always played a leading role in US discourses about the nation itself. While doing so, time and again philanthropy has also been used as a means of social stratification – especially for so-called social minorities such as the African American community, whose historical experience within the United States is at the very heart of Morrison ' s novels. This book pursues the goal of a twofold understanding – on the one hand, through offering a rather

innovative access to Morrison ' s works the project allows for new insights into one of today ' s most influential authors. On the other hand, this book explores the productivity of the concept of philanthropy for literary and cultural studies – a concept hitherto largely neglected by scholars in both academic fields.
In a Gondola Black Dog Publishing
No one can tell in advance what form a movement will take. Grace Lee Boggs's fascinating autobiography traces the story of a woman who transcended class and racial boundaries to pursue her passionate belief in a better society. Now with a new foreword by Robin D. G. Kelley, *Living for Change* is a sweeping account of a legendary human rights activist whose network included Malcolm X and C. L. R. James. From the end of the 1930s, through the Cold War, the Civil Rights era, and the rise of the Black Panthers to later efforts to rebuild crumbling urban communities, *Living for Change* is an exhilarating look at a remarkable woman who dedicated her life to social justice.
Twelve Years a Slave Saint James Press
James A. Michener was one of the most beloved storytellers of our time, captivating readers with sweeping historical plots that educated and entertained. In this first full-length biography of the private as well as the public Michener, Stephen J. May reveals how an aspiring writer became a best-selling novelist. It is the only book to draw on Michener's complete papers as well as interviews with his friends and associates. The result conveys much about Michener never before revealed in print. May follows the young Michener from an impoverished Pennsylvania childhood to the wartime Pacific, where he found inspiration for *Tales of the South Pacific*, a book that led to a string of best sellers, including *The Source*, *Centennial*, *Chesapeake*, and *The Covenant*. May provides insights into Michener's personal life: his three marriages, his unique working methods, and his social and political views. He also reveals the author's hypersensitivity to criticism, his egotism, and his failure on some occasions to acknowledge the contributions of his assistants. Examining Michener's body of writing in its biographical and cultural contexts, May describes the creation of each novel and assesses the book's strengths and shortcomings. His close readings underscore Michener's innovativeness in presenting mountains of historical and cultural research in an engaging literary form. This probing biography establishes Michener's place in twentieth-century letters as it offers an unprecedented view of the man behind the typewriter.
Neon Light Houghton Mifflin Harcourt
An "absorbing" biography of the playwright and Nobel laureate that "unflinchingly explores the darkness that dominated O'Neill's life" (*Publishers Weekly*). This extraordinary biography fully

captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day's Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, *Eugene O'Neill: A Life in Four Acts* is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act." —*Irish Times*

Riot Grrrrl DigiCat

"Like the wacky crew of the ship in Carryl's classic nonsense poem, readers will 'cheerily put to sea' in this captivating picture book....LaMarche's gleeful illustrations capture the spirit of this rollicking read-aloud....Pure magic."--Publishers Weekly
That Winter Harper Collins
"Why don't you come up and see me sometime?" Mae West invited and promptly captured the imagination of generations. Even today, years after her death, the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor. But who was this saucy starlet, a woman who was controversial enough to be jailed, pursued by film censors and banned from the airwaves for the revolutionary content of her work, and yet would ascend to the status of film legend? Sifting through previously untapped sources, author Jill Watts unravels the enigmatic life of Mae West, tracing her early years spent in the Brooklyn subculture of boxers and underworld figures, and follows her journey through burlesque, vaudeville, Broadway and, finally, Hollywood, where she quickly became one of the big screen's most popular--and colorful--stars. Exploring

West's penchant for contradiction and her carefully perpetuated paradoxes, Watts convincingly argues that Mae West borrowed heavily from African American culture, music, dance and humor, creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race, class and gender. Viewing West as a trickster, Watts demonstrates that by appropriating for her character the black tradition of double-speak and "signifying," West also may have hinted at her own African-American ancestry and the phenomenon of a black woman passing for white. This absolutely fascinating study is the first comprehensive, interpretive account of Mae West's life and work. It reveals a beloved icon as a radically subversive artist consciously creating her own complex image.

Pilgrim at Tinker Creek House of Stratus

The Annotated Alice combines the notes of Gardner's 1960 edition with his 1990 update, *More Annotated Alice* (not published in the UK), as well as additional discoveries drawn from Gardner's knowledge of the texts. Illustrated with John Tenniel's classic art - along with many recently discovered Tenniel pencil sketches - The Annotated Alice will be Martin Gardner's further tribute to Lewis Carroll's masterpieces.
Only Yesterday: An Informal History of the 1920's U of Minnesota Press

Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel." — Eudora Welty, *New York Times Book Review*
Pilgrim at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of "beauty tangled in a rapture with violence." Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which

Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

Lyrics and Poems ...

Lindhardt og Ringhof

The Harlem Renaissance was an unprecedented period of vitality in the American Arts. Defined as the years between 1910 and 1927, it was the time when Harlem came alive with theater, drama, sports, dance and politics. Looking at events as diverse as the prizefight between Jack Johnson and Jim 'White Hope' Jeffries, the choreography of Aida Walker and Ethel Waters, the writing of Zora Neale Hurston and the musicals of the period, Krasner paints a vibrant portrait of those years. This was the time when the residents of northern Manhattan were leading their downtown counterparts at the vanguard of artistic ferment while at the same time playing a pivotal role in the evolution of Black nationalism. This is a thrilling piece of work by an author who has been working towards this major opus for years now. It will become a classic that will stay on the American history and theater shelves for years to come.

The Drama 100 Santa Monica Press

Marten Reed is your typical downtrodden twenty-something, facing the grim prospect of a dreary, unfulfilling life his college education left him ill-prepared to handle. But with the help of his little robot friend Pintsize and a mysterious girl named Faye, his life is about to get a lot more interesting ... sort of.

My Kinsman, Major Molineux John Wiley & Sons

The Tell-Tale Heart strips away myths that have grown up around the life of Edgar Allen Poe, providing a fresh assessment of the man and his work. Symons reveals Poe as his contemporaries saw him - a man struggling to make a living and whose life was beset by tragedy, such that he was driven to excessive drinking and unhealthy relationships.
