From New York Times bestselling author Penelope Ward, comes a new standalone novel. At first, my neighbor Deacon frustrated me. Sure, he was great-looking and friendly. But our walls were thin, and on occasion, he'd bring women to his place and keep me awake while he "entertained" them. As a single mother to an infant, I didn't appreciate it. So, finally it was my turn. When my daughter wouldn't stop wailing one night, Mr. Manwhore came knocking on my door. Miraculously, at the sound of his voice, Sunny stopped crying. And when he held her...she eventually fell asleep in his arms. Deacon was rough on the exterior, but apparently on the inside? Mr. Single-and-Ready-to-Mingle was a baby whisperer. After that night, we became friends. He'd go for coffee runs. Come over to chat. Normal friend stuff. But over time, our conversations ran deeper. We got closer. Until one night we crossed the line. Our friendship turned into a complicated mess. I'd gone and fallen for a guy who'd sworn off commitment and kids. I knew Deacon was starting to care for me too, even though Sunny and I didn't fit into any plan he'd ever imagined for himself. He was wrong for me—so wrong that I'd dubbed him the "anti-boyfriend." Then why did I wish more than anything that I could be the one woman to change him?

Crush Simon and Schuster

National Bestseller • A New York Times Notable Book Named Best Book of the Year by Esquire, Times Literary Supplement, Elle Magazine, LitHub, Publishers Weekly, Financial Times, Guardian, Refinery29, PopSugar, and Globe and Mail "A brilliant novel. I am full of admiration." —Philip Roth "One of America's most important novelists" (New York Times), the award-winning, New York Times bestselling author of *The History of Love*, conjures an achingly beautiful and breathtakingly original novel about personal transformation that interweaves the stories of two disparate individuals—an older lawyer and a young novelist—whose transcendental search leads them to the same Israeli desert. Jules Epstein, a man whose drive, avidity, and outsized personality have, for sixty-eight years, been a force to be reckoned with, is undergoing a metamorphosis. In the wake of his parents' deaths, his divorce from his wife of more than thirty years, and his retirement from the New York legal firm where he was a partner, he's felt an irresistible need to give away his possessions, alarming his children and perplexing the executor of his estate. With the last of his wealth, he travels to Israel, with a nebulous plan to do something to honor his parents. In Tel Aviv, he is sidetracked by a charismatic American rabbi planning a reunion for the descendants of King David who insists that Epstein is part of that storied dynastic line. He also meets the rabbi's beautiful daughter who convinces Epstein to become involved in her own project—a film about the life of David being shot in the desert—with life-changing consequences. But Epstein isn't the only seeker embarking on a metaphysical journey that dissolves his sense of self, place, and history. Leaving her family in Brooklyn, a young, well-known novelist arrives at the Tel Aviv Hilton where she has stayed every year since birth. Troubled by writer's block and a failing marriage, she hopes that the hotel can unlock a dimension of reality—and her own perception of life—that has been closed off to her. But when she meets a retired literature professor who proposes a project she can't turn down, she's drawn into a mystery that alters her life in ways she could never have imagined. Bursting with life and humor, *Forest Dark* is a profound, mesmerizing novel of metamorphosis and self-realization—of looking beyond all that is visible towards the infinite.

The Unrequited Nicole Williams

From NEW YORK TIMES and USATODAY Bestselling author Nicole Williams . . . Knox Jagger. The name inspires resentment in every male at Sinclair University, want in every female, and contempt in Charlie Chase. Charlie can be summed up in three words: independent, independent, and independent. To Charlie, Knox epitomizes everything that's wrong with college males: prolific one-night stands, drunken senseless fights, and a body that hints at prioritizing gym time over study time. As an up-and-coming writer for Sinclair University's newspaper, Charlie's tasked with getting to the bottom of who's been dropping little white pills into girls' drinks at parties. In an ocean of All-American boys sporting polo shirts and innocent smiles, Knox is the obvious suspect. As evidence piles up against the bad boy of Sinclair, Charlie becomes more and more certain it isn't Knox. But when her drink is dosed at a party and she wakes up on Knox's couch the next morning, Charlie's left with more questions than answers when it comes to

Knox Jagger. How can Charlie ever hope to uncover the truth behind a guy so closed off he's become . . . Hard Knox. ***Hard Knox is the first book in *The Outsider Chronicles*, although each book that follows will highlight different couples and each can be read as a stand-alone.***

I ended up face to face with Vicky's dangerous older brothers. Anthony, William, and Nicholas Civella--the made men of the Kansas City Mob. Boone is her past and her past is behind her, a mere speck in the rearview. So why does she feel it coming back every time she looks at him? Why does she see it every time he looks back? Just when Clara's life can't possibly get more complicated, the ground shifts, and she discovers just how far her family was willing to go to keep the wrong boy out of her life.
