Literacy Strategy Three-Level Study Guides
Level 3 (applied – reading beyond the lines) Here the reader makes links between the text and his or her own experience and knowledge to develop an answer. The reader asks open-ended questions to promote deeper understanding and do the following: Make generalizations. Make comparisons. Make judgments. Make recommendations and suggestions.
Steps for Creating a Three-Level Reading Guide:
The Three-Level Guide is a reading strategy which supports students to read the text closely by providing a clear purpose and direction for reading. It is used to develop comprehension skills. The guide is a series of statements written by the teacher about a text, some are true and some false. Students/readers are asked to agree or disagree with these statements and justify their responses.
